Aurobindo Ghose Bidyut Chakrabarty, 2023-12-01 By focusing on the socio political ideas of the nationalist Aurobindo Ghosh 1872 1950 the book is an analytical dissection of his ideational vision which is still a relatively under studied area of nationalist thoughts During the period 1893 1910 Ghosh radically altered the texture of Indian nationalism by dwelling on how nationalism flourished in different parts of India particularly Japan Italy and Ireland conceptually different from the prevalent form of nationalist voice it was he who clearly charted out a new course for anti British campaign that fully unfolded with the appearance of Gandhi 1869 1948 on the Indian political scene So Aurobindo's politico ideological vision ushered in a new era in the nationalist battle for India's political emancipation Not only is the book therefore an intervention in the nationalist thought but also devised new conceptual parameters for comprehending the radicalization of politico ideological voices while simultaneously mobilizing those who were ready to make supreme sacrifices for the cause **The**

Israel,2019-11-28 The Enlightenment that Failed explores the growing rift between those Enlightenment trends and initiatives that appealed exclusively to elites and those aspiring to enlighten all of society by raising mankind's awareness freedoms and educational level generally Jonathan I Israel explains why the democratic and radical secularizing tendency of the Western Enlightenment after gaining some notable successes during the revolutionary era 1775 1820 in numerous countries especially in Europe North America and Spanish America ultimately failed He argues that a populist Robespierriente tendency sharply at odds with democratic values and freedom of expression gained an ideological advantage in France and that the negative reaction this generally provoked caused a more general anti Enlightenment reaction a surging anti intellectualism

combined with forms of religious revival that largely undermined the longings of the deprived underprivileged and disadvantaged and ended by helping albeit often unwittingly conservative anti Enlightenment ideologies to dominate the scene The Enlightenment that Failed relates both the American and the French revolutions to the Enlightenment in a markedly different fashion from how this is usually done showing how both great revolutions were fundamentally split between bitterly opposed and utterly incompatible ideological tendencies Radical Enlightenment which had been an effective ideological challenge to the prevailing monarchical aristocratic status quo was weakened then almost entirely derailed and displaced from the Western consciousness in the 1830s and 1840s by the rise of Marxism and other forms of socialism [A History of Western Society, Volume 2](#) John P.
