Social Problems Notable American Authors

Henry George

Social Problems Notable American Authors:

Social Problems Henry George, 2013-03-01 Bonded Leather binding **The American Elite and Sociologist Blue Book, Progressive Americans, Prominent in the Social, Industrial and Financial World** Thomas William Herringshaw, 1922 Social Problems in a Free Society Myles J. Kelleher, 2004-09-02 The future of the sociologist's profession is jeopardized by an ongoing trend toward the politicization of sociology and the radicalization of social problems. This book calls for the rethinking of the culture of social, political and economic liberty to create a resurgence of a sociological agenda. *Social Problems in a Free Society* offers an original perspective on social problems such as violations of the principles of individual rights and the free market. This book is a vision for reinvigorating the discipline in a fashion undreamt of within the wearisome strains of today's radical social problems theory **Young Adult Fiction by African American Writers, 1968-1993** Deborah Kutenplon, Ellen Olmstead, 2014-04-08 Comprehensive and up to date. The first contemporary publication to go beyond examining broad themes and trends in the field, this timely volume looks closely at specific authors and texts. The book is comprehensive and as current as possible, covering works by African American authors for young adults published between 1968-1993, some 200 titles by close to 50 writers. In addition to established authors and bestselling titles, the coverage includes material overlooked by previous studies, such as works from small presses and talented new authors. Guidelines for evaluation: An extensive introduction reviews important milestones in this body of literature and analyzes noteworthy bibliographical and critical publications about such writing. It includes suggested guidelines for evaluating a work in terms of its direct and indirect treatment of such issues as race, gender, class, ability, age, sexuality and sexual orientation. The book also offers specific guidance for determining the appropriate readership for a work with regard to age and gender. Unusually extensive annotations: The main body of the book is an annotated bibliography, alphabetical by author, with the works arranged chronologically by publication date. The annotations are much more extensive than those in other bibliographies. Each annotation reads more like a full-length book review and is from one to two pages long and explores themes, plot and character development, evaluates the quality of the writing, judges the handling of issues of race, class and gender, and provides a readership recommendation. Written in accessible language, this user-friendly book presents a wide range of factual information, evaluations and analyses. It is a valuable tool for all teachers, librarians, counselors and young adults *The Social Problem Novels of Frances Trollope Vol 1* Brenda Ayres, Christine Sutphin, Douglas Murray, Priti Joshi, Ann-Barbara Graff, 2024-09-20 Frances Milton Trollope 1779-1863 was a prolific, provocative and hugely successful novelist. She greatly influenced the generation of Victorian novelists who came after her, such as Charles Dickens, George Eliot and Elizabeth Gaskell. This book features Trollope's social problem novels Comparative Assessment of Social Issues in Africa, Latin America, and the Caribbean George K. Danns, Brenda I. Gill, 2023-07-10 Using a comparative framework, this edited volume evaluates pressing social issues facing African, Latin

American and Caribbean countries Unique in its comparative and multi regional perspective this book provides a scholastic and practical understanding on questions ranging from governance and security to poverty inequality and population health

A dictionary of American authors Oscar Fay Adams, 2025-03-02 In A Dictionary of American Authors Oscar Fay Adams presents a comprehensive reference work that meticulously catalogues the lives and contributions of significant American writers from various genres and eras The book is characterized by its scholarly rigor and accessible prose making it an invaluable resource for students educators and literary enthusiasts alike Adams s entries provide not only biographical details but also critical context on each author s works and influence thereby situating them within the broader tapestry of American literary history The dictionary reflects a diverse literary landscape encompassing both canonical figures and those marginalized in mainstream discourse broadening the scope of American literature Oscar Fay Adams was an accomplished author and critic deeply immersed in the literary culture of his time His experiences and academic background informed his mission to document American literary figures accurately and comprehensively Adams s own contributions to literature and criticism illuminate his desire to foster a greater appreciation for American authors demonstrating a commitment to elevating diverse voices within the literary canon This indispensable reference is highly recommended for anyone seeking to deepen their understanding of American literature A Dictionary of American Authors serves not only as a foundational text for literary studies but also as a guide for readers wishing to explore the myriad voices that have shaped the American narrative

Encyclopedia of Women in the American West Gordon Moris Bakken, Brenda Farrington, 2003-06-26 Click Additional Materials for downloadable samples This is a sound purchase for college and university libraries with women s studies or American West programs as well as for large public libraries BOOKLIST This is the first encyclopedia to focus on this neglected group There is a clear need for this encyclopedia recommended for academic and public libraries and all libraries with a special interest in the western region and women s studies LIBRARY JOURNAL A highly educational and enlightening resource the Encyclopedia of Women in the American West is a core recommendation for academic and public library American Western History Studies and Women s Studies reference collections as well as an invaluable resource for writers and non specialist general readers with an interest in studying women s experiences and contributions to American society and culture THE MIDWEST BOOK REVIEW Unites the American West and Women s History American women have followed their manifest destiny since the 1800 s moving West to homestead found businesses author novels and write poetry practice medicine and law preach and perform missionary work become educators artists judges civil rights activists and many other important roles spurred on by their strength spirit and determination Encyclopedia of Women of the American West captures the lives of more than 150 women who made their mark from the mid 1800s to the present contextualizing their experiences and contributions to American society Including many women profiled for the first time the encyclopedia offers immense value and interest to practicing historians as well as students and the lay public Multidisciplinary and

Multicultural Cowgirls ranchers authors poets artists judges doctors educators and reformers although these women took many different paths they are united in their role in history fighting not only for women s rights but equal rights for all in this rich and promised land The Encyclopedia of Women in the American West chronicles the work of Native American activists such as Mildred Imach Cleghorn and Sarah Winnemucca the champion of rights of indigenous peoples who established Nevada s first school for Native Americans in 1884 The encyclopedia also explores the stories of early ranchers Among them is Freda Ehmann who founded the California Ripe Olive Association where according to her grandson science and chemical exactness failed the experience and care of a skillful and conscientious housewife succeeded Women in the American West have long thrived in the arts This is evidenced by the work of authors such as Pulitzer Prize winner Willa Cather Amy Tan and Linda Hasselstrom poets such as Hildegard Flanner and journalist Molly Ivins All are profiled in this comprehensive work The arts are used to address both aesthetic and serious societal issues such as Maxine Hong Kingston s *The Woman Warrior* the story of a woman s struggle with identity as a minority in American culture Academics will appreciate a study of Ruth Underhill s *Autobiography of a Papago Woman* which deals with the role of feminist ideology in changing the discipline of anthropology during the first part of the twentieth century Women in the American West have also achieved many firsts such as Utah s Ivy Baker Priest the first woman to hold the office of Treasurer of the United States and Georgia Bullock the first woman judge in the State of California The Many Roles of Women in the American West The Encyclopedia of Women in the American West covers nine diverse topical categories Agriculture Ranching Arts and Letters Education Entrepreneurs Law Pioneers Public Performance Religion Women s organizations The West is often portrayed as a rough and tumble man s world but behind these men and often independently were women with the dreams strength and determination to make a difference The Encyclopedia of Women in the American West is a tribute to their independence intelligence courage spirit perseverance and daring Key Features Authoritative and in depth articles on a wide range of salient issues in women s history Suggested readings and interpretive materials for every entry Bridges two perennially popular areas of academic and lay interest the American West and women s history Developed and priced to appeal to high school and public libraries as well as academic libraries Recommended Libraries Public school academic special and private corporate

The "Puerto Rican Problem" in Postwar New York City Edgardo Meléndez, 2022-11-11 The Puerto Rican Problem in Postwar New York City presents the first comprehensive examination of the emergence evolution and consequences of the Puerto Rican problem campaign and narrative in New York City from 1945 to 1960 This notion originated in an intense public campaign that arose in reaction to the entry of Puerto Rican migrants to the city after 1945 The problem narrative influenced their incorporation in New York City and other regions of the United States where they settled The anti Puerto Rican campaign led to the formulation of public policies by the governments of Puerto Rico and New York City seeking to ease their incorporation in the city Notions intrinsic to this narrative later entered American academia like the culture of poverty and American popular

culture e g West Side Story which reproduced many of the stereotypes associated with Puerto Ricans at that time and shaped the way in which Puerto Ricans were studied and perceived by Americans New Jersey Library Bulletin ,1911

Standard Catalog for High School Libraries ,1928 The 1st ed accompanied by a list of Library of Congress card numbers for books except fiction pamphlets etc which are included in the 1st ed and its supplement 1926 29 *The Social Conscience of Latin American Writing* Naomi Lindstrom,2010-01-01 A CHOICE Outstanding Academic Book Literature in Latin America has long been a vehicle for debates over the interpretation of social history cultural identity and artistic independence Indeed Latin American literature has gained international respect for its ability to present social criticism through works of imaginative creation In this comprehensive up to the minute survey of research and opinion by leading Latin American cultural and literary critics Naomi Lindstrom examines five concepts that are currently the focus of intense debate among Latin American writers and thinkers Writing in simple clear terms for both general and specialist readers of Latin American literature she explores the concepts of autonomy and dependency postmodernism literary intellectuals and the mass media testimonial literature and gender issues including gay and lesbian themes Excerpts in English from relevant literary works illustrate each concept while Lindstrom also traces its passage from the social sciences to literature

Global Agenda for Social Justice 2 Glenn W. Muschert,Kristen M. Budd,Heather Dillaway,David C. Lane,Manjusha Nair,Jason A. Smith,2022-09-06 The Global Agenda for Social Justice provides accessible insights into some of the world s most pressing social problems and proposes practicable international public policy responses to those problems Written by a highly respected team of authors brought together by the Society for the Study of Social Problems SSSP chapters examine topics such as education violence discrimination substance abuse public health and environment The volume provides recommendations for action by governing officials policy makers and the public around key issues of social justice The book will be of interest to scholars practitioners advocates journalists and students interested in public sociology the study of social problems and the pursuit of social justice **Reports** United States Information Agency. Office of Research,1976

Thinking About Social Problems Donileen Loseke,2017-07-05 The new second edition of this distinctive and widely adopted textbook brings into the classroom an overview of how images of social problems can shape not only public policy and social services but also the ways in which we make sense of ourselves and others It introduces two primary changes First some attention is devoted to the new social movements that emphasize social change through identity transformation rather than through structural change Second the text now also looks more closely at the importance of emotions in constructing public consciousness of social problems When the first edition was published Teaching Sociology noted Loseke does a superb job explaining the relationship between sociology and social problems in a text that is very well research and engaging yet with tremendous attention to detail and accuracy W ould provide a solid base for any social problems class Contemporary Sociology wrote that the book is engagingly well written in a personal unpretentious style and well informed by the author s

knowledge of the professional literature

The Publishers Weekly ,1924

Female Physicians in American

Literature Margaret Jay Jessee,2021-12-28 Female Physicians in American Literature traces the woman physician character throughout her varying depictions in 19th century literature from her appearance in sensational fiction as an evil abortionist to her more well known idyllic feminine presence in novels of realism and regionalism Murderess hag She Devil the instrument of the very vilest crime known in the annals of hell these are just a few descriptions of women abortionists in popular 19th century sensational fiction In novels of regionalism however she is often depicted as moral feminine and self sacrificing This dichotomy Jessee argues reveals two opposing literary approaches to registering the national fears of all that both women and abortion evoke the terrifying threats to white masculine Anglo American male supremacy Inventing the Holy Land Stephanie Stidham Rogers,2011-01-06 This book presents a historical study of the phenomenon of Holy Land tourism among American Protestants during the second half of the nineteenth century and the early twentieth century During this period overseas travel was newly available to the Protestant middle class due to the invention and steady popularization of steamship travel Protestants at home in America consumed vast quantities of printed literature via the popular medium of Holy Land pilgrimage narratives A new mental geography resulted in which Americans forged a fresh awareness of the Middle East and began to focus millennial hopes upon the political and social concept of a Jewish remnant of the last days in a Protestant theological and historical framework Protestant support for Zionism was born What surfaces from the study of hundreds of pilgrimage narratives from this period is the emergence of Palestine as an iconic place for American Protestants Through pilgrimage narratives American Protestant s understanding of Palestinians biblical authority the power of the Protestant press the historicity of the Christian faith an millennial expectations were formed as the meaning of the Holy Land was constructed Findings from the pilgrimage narratives also indicate the importance of Palestine among Protestants as a fifth gospel written in stone The pilgrim s eastward gaze drew a distant biblical past into sharper focus and fueled the fires of premillennialism a movement that would leave an enduring stamp upon American religion and politics

New Generation ,1924

Polish American History before 1939

Adam Walaszek,2023-09-20 The history of private lives of the first and second generations of Polish immigrants in the United States is viewed from the perspective of migrants themselves What did the migrants do How did they behave How protagonists men women children with their own words presented their experience Their experience is compared with one of the other groups The book discusses migration processes formation of neighborhoods experiences at work daily and family lives functioning of parishes and tensions related to it and construction of people s identities and their constant reformulations Migrants created mutual aid societies which played not only economic but also ideological and political roles Experiences of immigrants children at home and at school are presented mostly in their own words and from their own perspective Cultural activities reflect constant changes of groups self identity The book also depicts the relations between the Polish migrants and members of other ethnic groups in

the streets public spaces politics and within the Catholic church People lived in pluri cultural culturally diverse contexts and thus relations with the others were complex The panorama ended in the year 1939 when after the Great Depression the group entered into a new period of transformation during the war

Social Problems Notable American Authors Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Problems Notable American Authors has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Problems Notable American Authors has opened up a world of possibilities. Downloading Social Problems Notable American Authors provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Problems Notable American Authors has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Problems Notable American Authors. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Problems Notable American Authors. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Problems Notable American Authors, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Problems Notable American Authors has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Problems Notable American Authors Books

1. Where can I buy Social Problems Notable American Authors books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
