**Recent Soviet Studies**

Edited with an Introduction by  
**Murray Yanowitch**

# Social Structure Of The U S S R Recent Soviet Studies

**James R. Millar**

## **Social Structure Of The U S S R Recent Soviet Studies:**

*The Social Structure of the USSR* Murray Yanowitch, 2016-07-22 This is a study of karayuki san impoverished Japanese women sent abroad to work as prostitutes from the 1860s to the 1920s It follows the life of one prostitute Osaki who is persuaded as a child of ten to accept cleaning work in Borneo and then forced to work as a prostitute in a brothel **The**

**Social Structure of the USSR** Murray Yanowitch, 1986 This is a study of karayuki san impoverished Japanese women sent abroad to work as prostitutes from the 1860s to the 1920s It follows the life of one prostitute Osaki who is persuaded as a child of ten to accept cleaning work in Borneo and then forced to work as a prostitute in a brothel **The Social Structure**

**of the USSR** Murray Yanowitch, 2016 *Social Stratification and Mobility in the USSR* Murray Yanowitch, Wesley A Fisher, 2019-01-15 This title was first published in 1973 The selections from Soviet sociological literature presented in this volume are significant from at least three standpoints First they reveal the extent to which the issue of social and economic inequality has become a subject for legitimate public discussion in the Soviet Union Second these selections offer the reader a means of appraising the quality of work in what under Soviet conditions is the formative period of a new intellectual discipline Third the selections provide abundant empirical evidence bearing on the forms and degrees of inequality currently found in Soviet society **Soviet Marxism-Leninism** Alfred B. Evans, 1993-10-30 This study examines the development of

Marxist Leninist ideology in the U S S R from its origins to the collapse of the Soviet regime Alfred Evans argues that Soviet Marxism Leninism was subject to significant adaptation under various leaders contrary to the widespread impression that official Soviet ideology remained static after Stalin While taking account of scholarly literature on each of the periods covered the work is significant for being based principally on an analysis of primary Soviet sources Evans integrated analysis of changes in ideology during the post Stalin decades is an important contribution to the literature in political science political economy and Soviet studies **Politics, Work, and Daily Life in the USSR** James R. Millar, 1987 Politics work

and daily life in the USSR is designed to illustrate how the Soviet social system really works and how the Soviet people cope with it This study is based on the first comprehensive survey of life in the USSR since the Harvard Project over thirty three years ago The essays contained analyze the variations in attitude and behaviour reflected in the findings of the Soviet Interview Project a five year investigation of contemporary daily life in the USSR The survey involved interviewing thousands of recent emigrants from the USSR to the United States as a means of learning about their former day to day lives Some aspects of this survey dealt with areas the Soviets themselves had never investigated so the data were not and indeed still are not available even in unpublished Soviet sources This study of a large volume of firsthand observations is extremely valuable to anyone interested in the inner workings and behavioural dynamics of the contemporary Soviet social system

**Social and Economic Inequality in the Soviet Union** Murray Yanowitch, 2017-07-28 This title was first published in 1977 The Soviet Union is a socially divided society The collectivities of which it is composed whether designated as classes

strata or socio occupational groups a term favored in recent Soviet writings on social structure exhibit systematic differences in incomes and living standards in control over the organization of the work place in the educational and occupational opportunities open to their children But what is new is that the social and economic inequalities which permeate Soviet life have become within limits of course accessible to study and discussion by Soviet scholars The principal public justification for the study of inequality is the Party s need for reliable information to implement its function of scientific management of the relations between the main social groups in Soviet society This volume is a collection of six studies      **Soviet Workers and the Collapse of Perestroika** Donald Filtzer,1994-06-09 A comprehensive analysis of the role of labour policy in the development and ultimate collapse of Mikhail Gorbachev s reforms      **Rural Inequality in Divided Russia** Stephen Wegren,2013-07-24 This book examines economic and political polarisation in post Soviet Russia and in particular analyses the development of rural inequality It discusses how rural inequality has developed in post Soviet Russia and how it differs from the Soviet period and goes on to look at the factors that affect rural stratification and inequality using human and social capital profession gender and village location as independent variables The book uses survey data from rural households and fieldwork in Russia in order to highlight the multiplicity of divisions that act as fault lines in contemporary rural Russia

*Restoration of Class Society in Russia?* Jouko Nikula,2019-07-15 This title was first published in 2002 Advancing the understanding of a transition society this book presents an in depth analysis of social structures in modern Russia Using unique survey data spanning nearly a decade it describes and analyzes Russia s social development and class formation during the 1990s Featuring a fascinating critical examination of such areas as social mobility the structure and nature of labour markets economic well being and societal atmosphere a team of leading international contributors cast a critical eye over the standard ways of understanding post communist Russia The result is an impressive and influential work which will make stimulating reading for researchers academics and practitioners in the fields of Sociology Politics and Economics as well as Russian specialists      **The Shadow of War** Stephen Lovell,2011-06-24 Taking the achievements ambiguities and legacies of World War II as a point of departure The Shadow of War The Soviet Union and Russia 1941 to the Present offers a fresh new approach to modern Soviet and Russian history Presents one of the only histories of the Soviet Union and Russia that begins with World War II and goes beyond the Soviet collapse through to the early twenty first century Innovative thematic arrangement and approach allows for insights that are missed in chronological histories Draws on a wide range of sources and the very latest research on post Soviet history a rapidly developing field Supported by further reading bibliography maps and illustrations      Towards a Normal Stratification Order Ellu Saar,2011 From a historical perspective the period between the fall of the Berlin Wall 1989 until the Wall Street crash of 2008 was brief but the social changes were far reaching and resulted in the profound alteration of institutional frameworks of post socialist societies in Central and East European countries e g Estonia This book examines the transformation of Estonian society concentrating on changes in the

stratification order The re distribution of the risks and opportunities between different groups in Estonian society the most neoliberal in the European Union and the perceptions about fairness of the most radical changes in post socialist world are the main issues of this volume

**Economic Reform and Income Distribution** Henryk Flakierski,1986 Chapters include Economic Problems and Issues Distribution of Wages and Income

**Identities and Politics During the Putin Presidency** Philipp Casula,Jeronim Perovic,2009-11-01 How could an undemocratic regime manage to stabilise Russia What is Putin s success formula What are the symbolic and discursive underpinnings of Russia s new stability Many outside observers of Russia regarded the authoritarian tendencies during the Putin presidency as a retreat from or even the end of democratization Rather than attempting to explain why Russia did not follow the trajectory of democratic transformation this book aims to attain an understanding of the stabilization process during Putin s tenure as president Proceeding from the assumption that the stability created under Putin is multi layered the authors attempt to uncover the underpinnings of the new equilibrium inquiring especially about the changes and fixations that occurred in the discourses on political and national identity In doing so the authors analyse the trajectories of the past years from the traditional perspective of transitology as well as through the lens of post structuralist discourse theory The two approaches are seen as complementary with the latter focusing less on the end point of transition than on the nature of the mechanisms that stabilize the current regime The book focuses on how nationalism became an increasingly important tool in political discourse and how it affected political identity Sovereign democracy is seen by many contributors as the most explicit manifestation of a newfound post Soviet identity drawing on nationalist ideas while simultaneously appeasing most sectors of the Russian political spectrum

**The Kalamari Union: Middle Class in East and West** Markku Kivinen,2019-05-23 First published in 1998 this volume asks are new social classes in the making in eastern Europe Are class issues withering away How do different classes organize their lives what kind of strategies do they adopt in East and West Markku Kivinen brings Eastern Europe into the class debate Recent sociological discussions have touched upon questions of class in Eastern Europe only very provisionally On the other hand old analyses of social stratification under conditions of actually existed socialism are no longer relevant in the current situation This book analyses processes of class relations in Eastern Europe from new theoretical vantage points using up to date empirical data Under socialism power was said to be vested in the working class However there was a constant tension between the holy proletariat and the real life of the working class Today all political forces in Eastern Europe leftist and liberal alike are hankering for the middle class This book explores the real processes in both East and West This leads to more concrete political and even moral issues The new sacred middle class is challenged The contributors adopt several conceptual approaches and perspectives which enter into a fruitful exchange in this book

**Current Issues and Research in Macrosociology** Lenski,2022-10-24

*Bibliography of European Economic and Social History* Derek Howard

Aldcroft,Richard Rodger,1993 This bibliographical guide contains 10 000 references to the economic and social history of 30

European countries during the period 1700 1939 More than 3000 periodicals have been consulted to obtain references as well as books edited collections and conference proceedings The information is listed in categories such as industry agriculture finance migration labour conditions urban communities and organizations Full publication details are included so that references may be located easily **Club Red** Diane P. Koenker, 2013-04-26 The Bolsheviks took power in Russia 1917 armed with an ideology centered on the power of the worker From the beginning however Soviet leaders also realized the need for rest and leisure within the new proletarian society and over subsequent decades struggled to reconcile the concept of leisure with the doctrine of communism addressing such fundamental concerns as what the purpose of leisure should be in a workers state and how socialist vacations should differ from those enjoyed by the capitalist bourgeoisie In **Club Red** Diane P Koenker offers a sweeping and insightful history of Soviet vacationing and tourism from the Revolution through perestroika She shows that from the outset the regime insisted that the value of tourism and vacation time was strictly utilitarian Throughout the 1920s and 30s the emphasis was on providing the workers access to the repair shops of the nation s sanatoria or to the invigorating journeys by foot bicycle skis or horseback that were the stuff of proletarian tourism Both the sedentary vacation and tourism were part of the regime s effort to transform the poor and often illiterate citizenry into new Soviet men and women Koenker emphasizes a distinctive blend of purpose and pleasure in Soviet vacation policy and practice and explores a fundamental paradox a state committed to the idea of the collective found itself promoting a vacation policy that increasingly encouraged and then had to respond to individual autonomy and selfhood The history of Soviet tourism and vacations tells a story of freely chosen mobility that was enabled and subsidized by the state While Koenker focuses primarily on Soviet domestic vacation travel she also notes the decisive impact of travel abroad mostly to other socialist countries which shaped new worldviews created new consumer desires and transformed Soviet vacation practices

**Russian Studies and Comparative Politics** Frederic J. Fleron Jr., 2016-12-27 This book brings together several of the author s empirical studies that demonstrate the strength and utility of sociologist Robert Merton s classic middle range theory for understanding aspects of both Soviet and post Soviet Russian politics Some of those studies demonstrate that testing middle range social science theory could take place even in the Soviet era when there were significant limitations of access to empirical data and meaningful field research in the USSR was all but impossible In the introductory chapter the author explains the need for and advantages of studying Russian and Soviet politics from the perspective of middle range social science theory Then follow three chapters analyzing methodological issues in Soviet post Soviet studies The author presents his six empirical studies employing middle range social science theories to explore in Russia USSR dimensions of organizations ideology and decisionmaking technology transfer and cultural diffusion political culture public opinion and democratization and congruence of authority patterns in state society relations The book concludes with a chapter arguing the advantages of thinking theoretically about Russian and Soviet politics with the establishment of a new epistemic

community organized around studies employing middle range theory This book presents examples of solutions to long standing debates between area studies and the academic disciplines and between idiographic and nomothetic approaches to knowledge in the social sciences In contrast to the tradition of Carnivals and Cockfights in Russian Soviet area studies since the mid 20th Century the book offers a new way of approaching the study of Russian politics for the 21st Century

### **Social Structure Of The U S S R Recent Soviet Studies Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Social Structure Of The U S S R Recent Soviet Studies has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Structure Of The U S S R Recent Soviet Studies has opened up a world of possibilities. Downloading Social Structure Of The U S S R Recent Soviet Studies provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Structure Of The U S S R Recent Soviet Studies has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Structure Of The U S S R Recent Soviet Studies. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Structure Of The U S S R Recent Soviet Studies. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Structure Of The U S S R Recent Soviet Studies, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Structure Of The U S S R Recent Soviet Studies has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security

when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Social Structure Of The U S S R Recent Soviet Studies Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Structure Of The U S S R Recent Soviet Studies is one of the best book in our library for free trial. We provide copy of Social Structure Of The U S S R Recent Soviet Studies in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Social Structure Of The U S S R Recent Soviet Studies. Where to download Social Structure Of The U S S R Recent Soviet Studies online for free? Are you looking for Social Structure Of The U S S R Recent Soviet Studies PDF? This is definitely going to save you time and cash in something you should think about.
