Feminists Who Changed America, 1963-1975 Barbara J. Love,2006-09-22 Documenting key feminists who ignited the second wave women's movement Barbara J Love's *Feminists Who Changed America 1963 1975* will be the first comprehensive directory to document many of the founders and leaders including both well known and grassroots organizers of the second wave women's movement It tells the stories of more than two thousand individual women and a few notable men who together reignited the women's movement and made permanent changes to entrenched customs and laws The biographical entries on these pioneering feminists represent their many factions all parts of the country all races and ethnic groups and all political ideologies Nancy Cott's foreword discusses the movement in relation to the earlier first wave and presents a brief overview of the second wave in the context of other contemporaneous social movements **Voices of Color**

Yolanda Alaniz,Nellie Wong,1999 *Prose Ethnic Studies Politics* This inclusive passionate collection of essays is a compilation of 14 years of writings on a rich array of subjects by activists of color in the Freedom Socialist Party and Radical Women Included are articles on bilingualism sports racism and other important issues Each article provides a measure of historical insight analysis and motivation that critically questions the multitude of issues affecting us all in a racist for profit society Carla Trujillo The result is a book that stimulates the kind of thought and discussion which form the basis for commitment and action Hattie Gossett Includes photos and drawings *The Mormon Hierarchy* D. Michael Quinn,1997 The Mormon church today is led by an elite group of older men nearly three quarters of whom are related to current or past general church authorities This dynastic hierarchy meets in private neither its minutes nor the church's finances are available for

public review Members are reassured by public relations spokesmen that all is well and that harmony prevails among these brethren But by interviewing former church aides examining hundreds of diaries and drawing from his own past experience as an insider within the Latter day Saint historical department D Michael Quinn presents a fuller view His extensive research documents how the governing apostles seventies and presiding bishops are likely to be at loggerheads as much as united These strong willed independent men like directors of a large corporation or supreme court justices lobby among their colleagues forge alliances out maneuver opponents and broker compromises There is more clandestine political activities investigative and punitive actions by church security forces personal loans from church coffers later written off as bad debts and other privileged power vested activities Quinn considers the changing role and attitude of the leadership toward visionary experiences the momentous events which have shaped quorum protocol and doctrine and day to day bureaucratic intrigue from the time of Brigham Young to the dawn of the twenty first century The hierarchy seems at root well intentioned and even at times aggressive in fulfilling its stated responsibility which is to expedite the Second Coming Where they have become convinced that God has spoken they have set aside personal differences offered unqualified support and spoken with a unified voice This potential for change when coupled with the tempering effect of competing viewpoints is something Quinn finds encouraging about Mormonism But one should not assume that these men are infallible or work in anything approaching uninterrupted unanimity

The Women's Movement Barbara Ryan, 1996 In this book the author has compiled a comprehensive annotated bibliography of critical resources associated with the most consequential matters facing the women s movement
