## **Socialist Transformation In Peripheral Economies Lebons From Grenada:**

*Socialist Transformation in Peripheral Economies* Courtney A. Smith, 1995 The emergence and demise of the Grenada Revolution between 1979 and 1983 culminated into the US led invasion in October 1993 has generated a plethora of publications Smith s book seeks to fill a critical gap in this extensive literature viz the efforts of the People s Revolutionary Government PRG to transform the Grenadian economy within a socialist framework The absence of such a study coupled with the traumatic way in which the revolution ended has led many analysts to vilify the revolution and condemn it as an outright political and economic failure

**Grenada and the Theory of Peripheral Transformation** Paget Henry, 1984 This paper represents a step in the larger effort that will be needed to reformulate regional political theory so that it can include the Grenadian experience In particular it will examine the nature of the socialist state as it emerged in Grenada and the problems of legitimating such a state in the English speaking Caribbean given existing social conditions and the established political culture

Dependence and Transformation Clive Yolande Thomas, 1974 Monograph on the theoretics of underdevelopment economic development and transition to socialism in small developing countries suggests economic policies and production strategies and discusses the problem of dependent economic relationships role of developed countries etc Bibliography pp 311 to 319 references and statistical tables

*Prospects for Socialists Transformation* Carl Stone,

**Revolutionary Grenada** Frederic Pryor, 1986-08-05 Based on hitherto classified government documents and interviews with many of the key decision makers the author examines the People s Revolutionary Government of Grenada s PRG economic successes and failures during its four and one half year reign It includes discussions of how the PRG attempted to realize its intentions the most important political and economic problems faced by the government in light of its foreign aid socialism strategy Grenada s role in the Soviet block how Grenada gained allies and aid general problems of economic development including proposed solutions and results and the different sectors of the Grenadan economy and the macroeconomic success of the PRG

Creole - Leninism: Grenada: A Case Study A. B. McKenzie, NAVAL POSTGRADUATE SCHOOL MONTEREY CA., 1984 This thesis examines the socialist transformation and subsequent militarization and violent political polarization of Grenada in view of the primary source documents that were recovered by the joint caribbean task force in October 1983 Chapter one presents a brief history and the rise to power of Maurice Bishop and the New Jewel Movement Chapter demonstrates the strategic significance of the Caribbean basin to both the United States and the Soviet Union Chapter three traces the Soviet Cuban and other communist bloc assistance to Grenada with an examination of Grenadian foreign policy during the Bishop regime Chapter four reviews the assassination of Maurice Bishop with contrasting parallels of Soviet decisionmaking in Angola and Afghanistan Chapter five concludes that

the attempt to subvert and replace the populist Bishop with Moscow trained Coard was orchestrated and sponsored by the Soviet Union Author
