Economy
of Yugoslavia
1945–1990**

Susan L. Woodward

Socialist Unemployment The Political Economy Of Yugoslavia

L. Benson

Socialist Unemployment The Political Economy Of Yugoslavia:

Socialist Unemployment Susan L. Woodward, 2020-10-06 In the first political analysis of unemployment in a socialist country Susan Woodward argues that the bloody conflicts that are destroying Yugoslavia stem not so much from ancient ethnic hatreds as from the political and social divisions created by a failed socialist program to prevent capitalist joblessness Under Communism the concept of socialist unemployment was considered an oxymoron when it appeared in postwar Yugoslavia it was dismissed as illusory or as a transitory consequence of Yugoslavia's unorthodox experiments with worker managed firms In Woodward's view however it was only a matter of time before countries in the former Soviet bloc caught up with Yugoslavia confronting the same unintended consequences of economic reforms required to bring socialist states into the world economy By 1985 Yugoslavia's unemployment rate had risen to 15 percent How was it that a labor oriented government managed to tolerate so clear a violation of the socialist commitment to full employment Proposing a politically based model to explain this paradox Woodward analyzes the ideology of economic growth and shows that international constraints rather than organized political pressures defined government policy She argues that unemployment became politically invisible owing to its redefinition in terms of guaranteed subsistence and political exclusion with the result that it corrupted and ultimately dissolved the authority of all political institutions Forced to balance domestic policies aimed at sustaining minimum standards of living and achieving productivity growth against the conflicting demands of the world economy and national security the leadership inadvertently recreated the social relations of agrarian communities within a postindustrial society

The Economic Struggle for Power in Tito's Yugoslavia Vladimir Unkovski-Korica, 2016-08-24 Here Vladimir Unkovski Korica reassesses the key episodes of Tito's rule from the joint Stalin Tito offensive of 1944 through to the Tito Stalin split of 1948 the market reforms of the 1950s and the turn to the West which led to Yugoslavia's non alignment policy For the first time Unkovski Korica also outlines Tito's internal battle with the Workers Councils empowered union bodies which emerged with the withering away of the party in the early 1950s The Economic Struggle for Power in Tito's Yugoslavia draws out the impact of the period economically and politically and its long term effects A comprehensive history based on new archival research this book will appeal to scholars and students of European Studies International Relations and Politics as well as to historians of the Balkans

The Cultural Life of Capitalism in Yugoslavia Dijana Jelača, Maša Kolanović, Danijela Lugarić, 2017-07-11 This edited volume explores the cultural life of capitalism during socialist and post socialist times within the geopolitical context of the former Yugoslavia Through a variety of cutting edge essays at the intersections of critical cultural studies material culture visual culture neo Marxist theories and situated critiques of neoliberalism the volume rethinks the relationship between capitalism and socialism Rather than treating capitalism and socialism as mutually exclusive systems of political social and economic order the volume puts forth the idea that in the context of the former Yugoslavia they are marked by a mutually intertwined existence not only on the economic level but also

on the level of cultural production and consumption It argues that culture although very often treated as secondary in the analyses of either socialism capitalism or their relationship has an important role in defining negotiating and resisting the social political and economic values of both systems

The Politics of Social Ties Mila Dragojevic, 2016-02-24 After forced migration to a country where immigrants form an ethnic majority why do some individuals support exclusivist and nationalist political parties while others do not Based on extensive interviews and an original survey of 1 200 local Serbs and ethnic Serbian refugees fleeing violent conflict in Bosnia and Croatia The Politics of Social Ties argues that those immigrants who form close interpersonal networks with others who share their experiences such as the loss of family friends and home in addition to the memory of ethnic violence from past wars are more likely to vote for nationalist parties Any political mobilization occurring within these interpersonal networks is not strategic rather individuals engage in political discussion with people who have a greater capacity for mutual empathy over the course of discussing other daily concerns This book adds the dimension of ethnic identity to the analysis of individual political behavior without treating ethnic groups as homogeneous social categories It adds valuable insight to the existing literature on political behavior by emphasizing the role of social ties among individuals

Yugoslavia: A Concise History L. Benson, 2003-10-28 Yugoslavia A Concise History surveys the whole turbulent course of the country s history in the context of the struggles between great powers for control of the Balkans Torn apart by nationalist rivalries the first Yugoslavia lapsed into paralysis and dictatorship Axis occupation in 1941 unleashed a murderous civil war in which the Communist Party emerged victorious Tito s Yugoslavia appeared to the world as a peaceful multi national federation but in the end disintegrated amid barbarism unknown in Europe for half a century This revised and fully updated edition explains why and takes the events up to the arrest of Milosevic in 2001 and beyond

Mediating Spaces James M. Robertson, 2024-07-17 Throughout the twentieth century in the lands of Yugoslavia socialists embarked on multiple projects of supranational unification Sensitive to the vulnerability of small nations in a world of great powers they pursued political sovereignty economic development and cultural modernization at a scale between the national and the global from regional strategies of Balkan federalism to continental visions of European integration to the internationalist ambitions of the Non Aligned Movement In *Mediating Spaces* James Robertson offers an intellectual history of the diverse supranational politics of Yugoslav socialism beginning with its birth in the 1870s and concluding with its violent collapse in the 1990s Showcasing the ways in which socialists in Southeast Europe confronted the political economic and cultural dimensions of globalization the book frames the evolution of supranational politics as a response to the shifting dynamics of global economic and geopolitical competition Arguing that literature was a crucial vehicle for imagining new communities beyond the nation Robertson analyzes the manuscripts journals and personal correspondence of the literary left to excavate the cultural geographies that animated Yugoslav socialism and its supranational horizons The book ultimately illuminates the innovative strategies of cultural development used by socialist writers to challenge global asymmetries of

power and prestige *Mediating Spaces* reveals the full significance of supranationalism in the history of socialist thought recovering a key concern for an era of renewed geopolitical contestation in Eastern Europe *A Reader's Guide to Serbia* Nancy L. Lexon, 1999

The last Yugoslav generation Ljubica Spaskovska, 2017-04-30 This promising addition to the growing literature on the history of late socialism charts the development of youth culture and politics in socialist Yugoslavia focusing on the 1980s Rather than examining the 1980s as a mere prelude to the violent collapse of the country in the 1990s the book recovers the multiplicity of political visions and cultural developments that evolved at the time and that have been largely forgotten in subsequent discussion The youth of this generation the author convincingly argues sought to rearticulate the Yugoslav socialist framework in order to reinvigorate it and democratise it rather than destroy it altogether

The OECD and the International Political Economy Since 1948 Matthieu Leimgruber, Matthias Schmelzer, 2017-12-11 This book explores the history of the Organization for Economic Co operation and Development OECD and its place within capitalist development Since 1948 the OECD and its forerunner the Organization for European Economic Cooperation OEEC worked on almost every subject of interest to national governments ranging from economic growth to education PISA rankings statistics to the environment With varying success the OEEC OECD thus played a key role as a warden of the West and of capitalist development However it has remained one of the least understood international organizations Bringing together a number of case studies by scholars from around the world this first source based volume on the history of the OEEC OECD in global governance offers not only a new understanding of the Organization s key areas of activities but also its multiple relations to member states other international organizations and private networks The volume thus critically re examines postwar international history most importantly decolonization and the Cold War through the prism of one international organization in its various contexts

Social Inequalities and Discontent in Yugoslav Socialism Rory Archer, Igor Duda, Paul Stubbs, 2016-03-31 Socialist countries like Yugoslavia garnered legitimacy through appealing to social equality Yet social stratification was characteristic of Yugoslav society and increased over the course of the state s existence By the 1980s the country was divided on socio economic as well as national lines Through case studies from a range of social milieux contributors to this volume seek to bring class back in to Yugoslav historiography exploring how theorisations of social class informed the politics and policies of social mobility and conversely how societal or grassroots understandings of class have influenced politics and policy Rather than focusing on regional differentiation between Yugoslav republics and provinces the emphasis is placed on social differentiation and discontent within particular communities The contributing authors of these historical studies come from diverse disciplinary backgrounds linking scholarship from the socialist era to contemporary research based on accessing newly available primary sources Voices of a wide spectrum of informants are included in the volume from factory workers and subsistence farmers to fictional television characters and pop folk music superstars

New and Old Wars Mary Kaldor, 2013-04-26 Mary Kaldor s *New and Old Wars* has fundamentally changed

the way both scholars and policy makers understand contemporary war and conflict In the context of globalization this path breaking book has shown that what we think of as war that is to say war between states in which the aim is to inflict maximum violence is becoming an anachronism In its place is a new type of organized violence or new wars which could be described as a mixture of war organized crime and massive violations of human rights The actors are both global and local public and private The wars are fought for particularistic political goals using tactics of terror and destabilization that are theoretically outlawed by the rules of modern warfare Kaldor s analysis offers a basis for a cosmopolitan political response to these wars in which the monopoly of legitimate organized violence is reconstructed on a transnational basis and international peacekeeping is reconceptualized as cosmopolitan law enforcement This approach also has implications for the reconstruction of civil society political institutions and economic and social relations This third edition has been fully revised and updated Kaldor has added an afterword answering the critics of the New Wars argument and in a new chapter Kaldor shows how old war thinking in Afghanistan and Iraq greatly exacerbated what turned out to be in many ways archetypal new wars characterised by identity politics a criminalised war economy and civilians as the main victims Like its predecessors the third edition of New and Old Wars will be essential reading for students of international relations politics and conflict studies as well as to all those interested in the changing nature and prospect of warfare

The Symbolic State Karlo

Basta,2021-11-15 The nation state is a double sleight of hand naturalizing both the nation and the state encompassing it No such naturalization is possible in multinational states To explain why these countries experience political crises that bring their very existence into question standard accounts point to conflicts over resources security and power This book turns the spotlight on institutional symbolism When minority nations in multinational states press for more self government they are not only looking to protect their interests They are asking to be recognized as political communities in their own right Yet satisfying their demands for recognition threatens to provoke a reaction from members of majority nations who see such changes as a symbolic repudiation of their own vision of politics Secessionist crises flare up when majority backlash reverses symbolic concessions to minority nations Through a synoptic historical sweep of Canada Spain Yugoslavia and Czechoslovakia The Symbolic State shows us that institutions may be more important for what they mean than for what they do A major contribution to the study of comparative nationalism and secession comparative politics and social theory The Symbolic State is particularly timely in an era when the power of symbols exemplified by Brexit the Donald Trump presidency and the rise of the Black Lives Matter movement is reshaping politics

The Legacy of Yugoslavia Othon Anastasakis,Adam

Bennett,David Madden,Adis Merdzanovic,2020-06-25 What are the consequences of Yugoslavia s existence and breakup for the present This book reflects on this very question identifying and analysing the political legacies left behind by Yugoslavia through the prism of continuities and ruptures between the past and present of the area After the collapse of Yugoslavia it s former states adopted a nation building process which opted to eradicate the past as such an approach seemed more

convenient for the new national projects The new states adopted new institutions new market oriented economic paradigms and new national symbols Yugoslavia existed for 70 years and to consider the current political situation in post Yugoslav states such as Slovenia Croatia Bosnia and Herzegovina Serbia Montenegro North Macedonia and Kosovo without taking into account the legacy and remnants of Yugoslavia is to discount a vital part of their political history This volume takes a multi disciplinary and multi faceted approach to examining the legacy of Yugoslavia covering politics society international relations and economics Focusing on distinctive features of Yugoslavia including worker self management the combination of liberalism and communism and the Cold War policy of Non Alignment The Legacy of Yugoslavia places Yugoslavia in historical perspective and connects the region s past with its contemporary political situation *Art Work* Katja Praznik,2021-06-17 By exposing the separation of art and labour Art Work provides a valuable historical perspective on the present day struggle for artists rights New & Old Wars Mary Kaldor,2006 Deals with the implications of the new wars in the post 9 11 world This work shows how old war thinking in Iraq has greatly exacerbated what is the archetypal new war with insurgency chaos and the occupying forces lack of direction prescient of a different kind of conflict emerging in the 21st Century **Memory, Politics, and Yugoslav Migrations to Postwar Germany** Christopher A. Molnar,2019-01-11 This historical study persuasively links the reception of Yugoslav migrants to West Germany s shifting relationship to the Nazi past essential reading Tara Zahra author of The Great Departure During Europe s 2015 refugee crisis more than a hundred thousand asylum seekers from the western Balkans sought refuge in Germany This was nothing new however Immigrants from the Balkans have streamed into West Germany in massive numbers since the end of the Second World War In fact Yugoslavs became the country s second largest immigrant group Yet their impact has received little critical attention until now Memory Politics and Yugoslav Migrations to Postwar Germany tells the story of how Germans received the many thousands of Yugoslavs who migrated to Germany as political emigres labor migrants asylum seekers and war refugees from 1945 to the mid 1990s With a particular focus on German policies and attitudes toward immigrants Christopher Molnar argues that considerations of race played only a marginal role in German attitudes and policies towards Yugoslavs Rather the history of Yugoslavs in postwar Germany was most profoundly shaped by the memory of World War II and the shifting Cold War context Molnar shows how immigration was a central aspect of how Germany negotiated the meaning and legacy of the war **Gorbachev's export of Perestroika to Eastern Europe** Helen Hardman,2024-06-04 This book available for the first time in paperback looks at the liberalisation process in Central and Eastern Europe CEE during the period 1987 89 focusing on Gorbachev s initiative to encourage perestroika in all the fraternal regimes of CEE outside the Soviet Union Archival materials interviews and textual analysis identify a joint initiative among these fraternal communist parties to perpetuate the one party system For this purpose fraternal parties were expected to follow the example of the CPSU in convening the national party conference an all party meeting on a similar scale to the five yearly congress and yet

mysteriously one which was barely described in the Party Statutes and rarely convoked Gorbachev made use of CEE dependence on the Soviet Union for energy supplies to ensure that at least some fraternal parties followed his line This book will be of interest to those studying the transition process in CEE democratisation comparative politics more generally and students of research methods Balkans into Southeastern Europe, 1914-2014 John Lampe, 2014-07-15 The states and peoples of Southeastern Europe have been divided by wars over the twentieth century but they have since worked to re establish themselves into the European mainstream This timely new edition has been revised updated and expanded in the light of the latest scholarship and recent events John R Lampe now offers a comprehensive assessment of the full century from the Sarajevo assassination in 1914 through to EU membership and developments up to the present day Rethinking Serbian-Albanian Relations Aleksandar Pavlović, Gazela Pudar Draško, Rigels Halili, 2019-06-13 Identifying and explaining common views ideas and traditions this volume challenges the concept of Serbian Albanian hostility by reinvestigating recent and historical events in the region The contributors put forward critically oriented initiatives and alternatives to shed light on a range of relations and perspectives The central aim of the book is to figure out the problematic relations between Serbs and Albanians that is to comprehend its origins and the actors involved and to find ways to resolve and deal with this enmity Treating the hostility as a construct of a long running discourse about the Serbian or Albanian Other scholars and intellectuals from Serbia Kosovo and Albania examine the origins channels agents and mediums of this discourse from the 18th century to the present Tracing the roots of the two ethnic groups political divisions contemporary practices and actions allows the contributors to reconsider mutually held negative perceptions and identify elements of a common shared history Examples of past and current cooperation are used to offer a critical analysis of all three societies This interdisciplinary publication brings together historiographical literary sociological political anthropological and philosophical analyses and enquiries and will be of interest to researchers in the fields of sociology politics cultural studies history or anthropology and to academics working in Slavonic and East European studies **Regime Change in the Yugoslav Successor States** Mieczysław P. Boduszyński, 2010-04-26 In the 1990s amid political upheaval and civil war the Socialist Federal Republic of Yugoslavia dissolved into five successor states The subsequent independence of Montenegro and Kosovo brought the total number to seven Balkan scholar and diplomat to the region Mieczyslaw P Boduszynski examines four of those states Croatia Slovenia Macedonia and the Federal Republic of Yugoslavia and traces their divergent paths toward democracy and Euro Atlantic integration over the past two decades Boduszynski argues that regime change in the Yugoslav successor states was powerfully shaped by both internal and external forces the economic conditions on the eve of independence and transition and the incentives offered by the European Union and other Western actors to encourage economic and political liberalization He shows how these factors contributed to differing formulations of democracy in each state The author engages with the vexing problems of creating and sustaining democracy when circumstances are not entirely supportive of

the effort He employs innovative concepts to measure the quality of and prospects for democracy in the Balkan region arguing that procedural indicators of democratization do not adequately describe the stability of liberalism in post communist states This unique perspective on developments in the region provides relevant lessons for regime change in the larger post communist world Scholars practitioners and policymakers will find the book to be a compelling contribution to the study of comparative politics democratization and European integration

This is likewise one of the factors by obtaining the soft documents of this **Socialist Unemployment The Political Economy Of Yugoslavia** by online. You might not require more grow old to spend to go to the books creation as with ease as search for them. In some cases, you likewise pull off not discover the declaration Socialist Unemployment The Political Economy Of Yugoslavia that you are looking for. It will no question squander the time.

However below, gone you visit this web page, it will be therefore completely easy to acquire as with ease as download lead Socialist Unemployment The Political Economy Of Yugoslavia

It will not say you will many grow old as we explain before. You can do it even though take steps something else at home and even in your workplace. as a result easy! So, are you question? Socialist Unemployment The Political Economy Of Yugoslavia Introduction

In the digital age, access to information has become easier than ever before. The ability to download Socialist Unemployment The Political Economy Of Yugoslavia has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Socialist Unemployment The Political Economy Of Yugoslavia has opened up a world of possibilities. Downloading Socialist Unemployment The Political Economy Of Yugoslavia provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Socialist Unemployment The Political Economy Of Yugoslavia has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Socialist Unemployment The Political Economy Of Yugoslavia. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Socialist Unemployment The Political Economy Of Yugoslavia. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the

efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Socialist Unemployment The Political Economy Of Yugoslavia, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Socialist Unemployment The Political Economy Of Yugoslavia has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Socialist Unemployment The Political Economy Of Yugoslavia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Socialist Unemployment The Political Economy Of Yugoslavia is one of the best book in our library for free trial. We provide copy of Socialist Unemployment The Political Economy Of Yugoslavia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Socialist Unemployment The Political Economy Of Yugoslavia. Where to download Socialist Unemployment The Political Economy Of Yugoslavia online for free?
