Societal Structures of the Mind Uriel G. Foa,1974 **Face, Harmony, and Social Structure** P. Christopher Earley,1997-09-04 Face Harmony and Social Structure continues author P Christopher Earley s investigations of the differences among people within organizations in different cultures The concept of face as set forth by Earley is a reflection of the individual s struggle for self definition and understanding of which a key component is a positioning of self relative to others is a social setting Face is at the heart of social behavior and provides a consistent linking mechanism to understand behavior across cultures Earley uses this concept of face as a basis for examination of cross cultural organizational behavior from an individual s personal perspective In this work he develops a mid range theory of individual behavior self concept and interpersonal process in an effort to explain cultural differences in organizational settings He sets up a cross level model and then attempts to provide a single coherent force face as an engine driving the entire system that can be used to integrate various social and organizational mechanisms in predicting people s behavior This understanding of how and why people behave certain ways is a critical tool for studying the impact of individual behavior on the functioning of organizations Earley s work represents a new theory of self presentation and face within a cross cultural context integrating a cross level approach ranging from the individual to the organization and to the societal levels of discussion Face Harmony and Social Structure is a truly interdisciplinary work that brings elements of psychology sociology and anthropology to organizational studies It will be illuminating reading for professionals and scholars of management and organizational behavior as well as to academics in cross cultural psychology and anthropology **Societal Structures of the Mind** Uriel G. Foa,Edna B. Foa,1974 **Structures of Social Life** Alan page Fiske,1993-10-04 Alan Page Fiske shares insight on the basic models of social relations in this important book that will be of value to all psychologists with an interest in organization culture economic behavior and decision making Richard E Nisbett University of Michigan Structures of Social Life examines the relational models of social relationships including how they are implicit in earlier social theories how they have emerged into diverse domains of social action and thought and how they produce diverse and complex social forms Aiming to create conversations and debate about social relationships and the models that structure them Alan Page Fiske provides insight on the four elementary forms of human relations *Societal Structures of the Mind* Uriel G.
