## **Society Problems Sources And Consequences:**

*Research Anthology on Religious Impacts on Society* Management Association, Information Resources, 2020-07-21

Religion is considered by many to be something of the past but it has a lasting hold in society and influences people across many cultures. This integration of spirituality causes numerous impacts across various aspects of modern life. The variety of religious institutions in modern society necessitates a focus on diversity and inclusiveness in the interactions between organizations of different religions, cultures, and viewpoints. *Research Anthology on Religious Impacts on Society* examines the cultural, sociological, economic, and philosophical effects of religion on modern society and human behavior. Highlighting a range of topics such as religious values, social reforms, and spirituality, this publication is an ideal reference source for religious officials, church leaders, psychologists, sociologists, professionals, researchers, academicians, and students.

**Asthma's Impact on Society** Kevin B. Weiss, 1999-10-27 One of the first comprehensive studies of the social and economic consequences of this chronic pulmonary illness. *Asthma's Impact on Society* assesses how communities, families, and individuals confront asthma and try to minimize its deleterious effects. Written by over 25 highly esteemed experts, *Asthma's Impact on Society* defines the concept. *Industrial Society (Routledge Revivals)* Richard Scase, 2015-06-03 Any study of contemporary industrial societies must take into account the role of power, ideology, and class, and the degree to which these determine the development of social structures. This book, first published in 1977 and based on a selection of eleven papers given at a conference of the British Sociological Association, focuses upon aspects of continuity and change in modern society, comparing and contrasting dimensions of class cleavage and control in capitalist and socialist societies. This book is key reading for students of both sociology and business studies. *Effects of Population Growth on Natural Resources and the Environment* United States. Congress. House.
