An Introduction to Sociolinguistics Sharon K. Deckert, Caroline H. Vickers, 2011-05-19 This unique work analyzes the crisis in modern society building on the ideas of the Frankfurt School thinkers Emphasizing social evolution and learning processes it argues that crisis is mediated by social class conflicts and collective learning the results of which are embodied in constitutional and public law First the work outlines a new categorical framework of critical theory in which it is conceived as a theory of crisis

It shows that the Marxist focus on economy and on class struggle is too narrow to deal with the range of social conflicts within modern society and posits that a crisis of legitimization is at the core of all crises It then discusses the dialectic of revolutionary and evolutionary developmental processes of modern society and its legal system This volume in the Critical Theory and Contemporary Society by a leading scholar in the field provides a new approach to critical theory that will appeal to anyone studying political sociology political theory and law **The sociolinguistics of language** ,1990

Sociolinguistics Peter Trudgill,2000-08-03 This is a classic book on a fascinating subject Peter Trudgill examines the close link between language and society and the many factors that influence the way we speak These range from gender environment age race class region and politics Trudgill s book surveys languages and societies from all over the world drawing on examples from Afrikaans to Yiddish He has added a fascinating chapter on the development of a language as a result of a non native speaker s use of it Compelling and authoritative this new edition of a bestselling book is set to redraw the boundaries of the study of sociolinguistics **Sociolinguistics** Richard A. Hudson,1996-06-13 New edition of widely acclaimed textbook including new sections on up to date topics for the 1990s The Sociolinguistics of Language Ralph W.

Fasold,1990 A companion to the author s Sociolinguistics of Society this textbook examines the influence of social interaction in language use and discusses a variety of facts about language from the commonplace to the exotic *Sociolinguistics / Soziolinguistik. Volume 3* Ulrich Ammon,Norbert Dittmar,Klaus J. Mattheier,Peter Trudgill,2008-07-14 No detailed description available for SOCIOLINGUISTICS AMMON 3 TLBD HSK 3 3 2A E BOOK Language in its Social Context James A. Walker,2024-12-07 This textbook provides an accessible overview of the field of sociolinguistics Blending qualitative and quantitative approaches and including examples drawn from different contexts and societies all over the world the author introduces progressively complicated topics to help students build their confidence and understanding gradually as they work through the book The chapters cover all the core topics on an introductory sociolinguistics course including language and power dialects language and gender language planning and multilingualism and each chapter ends with a set of exercises suggestions for small scale projects which the author has used successfully with his own students and suggested further readings both classic and more recent This book assumes no background in Linguistics and is intended as an introduction to sociolinguistics that can be used at any level of undergraduate or graduate study or by interested outsiders to the field **Sociolinguistics: A Very Short Introduction** John Edwards,2013-07-25 In this Very Short Introduction John Edwards offers the most up to date brief overview available of sociolinguistics with side trips into the sociology of language and psycholinguistics
