

Meet the...

FUNCTIONALISTS

Believe in examining society from a structural perspective

Emile Durkheim

Talcott Parsons

Robert K Merton

Kingsley Davis

Functionalists examine the ways in which social institutions shape the behaviour of individuals. They argue that the process of socialisation is key to passing on the norms and values of society.

Sociologists On Sociology

Robert Mullan

Sociologists On Sociology:

Sociologists on Sociology Bob Mullan,1987 Getting Sociology Right Neil J. Smelser,2014-04-12 Neil J Smelser one of the most important and influential American sociologists traces the discipline of sociology from 1969 through the early twenty first century By examining sociology as a vocation and building on the work of Talcott Parsons Smelser discusses his views on the discipline of sociology and how his perspective of the field has evolved in the postwar era *Sociologists in Action* Kathleen Odell Korgen,Jonathan M. White,Shelley K. White,2010-12-08 This book provides vivid examples of how sociologists are using sociological tools to make a positive impact on our society In each chapter four or five public sociologists will describe in vivid detail how they have used sociology to understand and influence the world around them The chapters will cover the key topics in sociology courses and the pieces will bring the subject matter of sociology to life for students giving them clear examples of the power and usefulness of sociology as they learn the course content The discussion questions and suggested additional readings and resources at the end of every chapter will provide students the opportunity to delve further into the topics covered and help create full and nuanced discussions grounded in the real world work of public sociologists Sociologists in Action Kathleen Odell Korgen,2013-03-14 Brings the subject matter of sociology to life for students Linking theory and practice this textbook explores how sociological knowledge is used in the community to fight for social change and justice *Sociologists on Sociology* Robert Mullan,2022-02-23 Originally published in 1987 this edition in 1996 *Sociologists on Sociology* is a unique and sometimes controversial account of the development disputes and the future of sociology as seen through the eyes of eleven of the world s leading sociologists at the time Consisting of interviews with Anthony Giddens Robert K Merton Howard Becker Peter Townsend Ralf Dahrendorf Peter Worsley Stuart Hall John Rex Michael Mann Laurie Taylor and Ann Oakley the book explores such crucial issues as the nature of deviance the scientific status of sociology the relationship of Marxism and sociology the contours of race and class feminism relevance of ethnomethodology and the procedures of participant observation The contributions of such figures as Goffman Mills Parsons Weber and Foucault are assessed and in clear and concise language the contributors discuss their own theoretical interests and empirical work in the field Students and practitioners of the social sciences will find the book a fascinating and a uniquely direct insight into the thoughts of sociology s leading figures and a remarkable cumulative assessment of the state of the discipline itself The Education of Sociologists in the United States Elbridge Sibley,1963 **Sociology for Human Rights** David L. Brunsma,Keri E. Iyall Smith,Brian K. Gran,2019-07-19 As sociologists deepen their examinations of human rights in their teaching research and thinking it is essential that such work is conducted in a manner that is both mindful and critical of the knowledge we are building upon in sociology and human rights As the authors of this volume reveal creating sociological knowledge that examines human rights for the expansion of human rights is something that sociologists are well equipped to undertake whether through the use of mathematics comparative historical analysis the study of emotions

conversations or social psychology In these chapters you will find the roots of the study of human rights deep within sociological research and thinking as well as emerging techniques that will push the discipline as it seeks to expand understanding of human rights together with so many other aspects of the social condition

The Sociological Experience Scott G. McNall,1969 *Why Study Sociology* Everett K. Wilson,1980 *The Sociologist as Consultant* Joyce M. Iutovich,Mark Iutovich,1987-04-03 In this welcome guide sociologists who have successfully established consulting practices present practical examples of how to apply sociological knowledge and methodological procedures to real life situations In addition to offering detailed suggestions for training the contributors explore the many ways in which sociologists can help solve problems faced by business governmental organizations social agencies schools and churches The ups and downs of establishing a consulting practice are outlined and supplemented by first hand accounts of the contributors experiences

The Public Sociology Debate Ariane Hanemaayer,Christopher J. Schneider,2014-05-10 In 2004 Michael Burawoy challenged sociologists to move beyond the ivory tower and into the realm of activism to engage in public discourses about what society could or should be His call to arms sparked intense debate among sociologists Which side would sociology take Would public sociology speak for all sociologists In this volume which opens with a foreword by Michael Burawoy leading Canadian sociologists continue the conversation by discussing not only how and why they should do sociology but also how ethical judgments influence sociological practice and the evaluation of research Most importantly they ask whether and under what circumstances sociologists should advocate for social change Regardless of whether they focus on activism research theory or teaching the contributors offer insights into where the discipline is heading and why it matters to people inside and outside the university

Doing Sociology Jammie Price,Roger Straus,Jeff Breese,2009-08-16 This successor to the well known *Using Sociology* covers standard topics found in any sociology textbook *Doing Sociology* walks lay readers through the steps of doing real life sociological practices as conducted by experts in the field The contributors to this volume range from university and college faculty government sociologists and practitioners from the private sector Each of the chapters is by intention and design a personal statement a case study illustrating how the authors practice sociology in their own words and style giving readers a clearer understanding of what sociologists do outside of teaching in universities And most importantly an understanding of what they could do with sociology Readable relevant and accessible *Doing Sociology* is an invaluable resource as a stand alone course reader or as a supplement to a traditional textbook

A Journey of Discovering Sociology Long Chen,2020-08-13 This book gathers the author s interviews with twenty leading sociologists from various fields at nine different prestigious universities in the USA including their viewpoints anecdotes and experiences in the world of sociology Each chapter presents an interview with one sociologist covering their views on contemporary sociology their early university experiences teaching experiences experiences with publishing and their reflections on life as a sociologist Through the dialogues readers can learn about sociology as well as sociologists lives

in a unique and insightful way just as the author did and embark on a journey of discovering sociology The book helps readers find their own answers to the two main questions explored What is sociology and What is a sociologist's life like

An Introduction to Sociology Bryan S. R. Green, Edward A. Johns, 2013-10-22 An Introduction to Sociology presents the theoretical approaches the methods of inquiry and the concepts with which sociologists attempt to order the intricate phenomena of social interaction This book provides an illustration of particular investigations that may provide some insights into substantive features of society and social behavior Organized into six chapters this book starts with an overview of scientific proposition which is the statement of a relationship between specified properties of events and objects This text then explains the fundamental concepts that appear in the empirical and theoretical writings of sociologists Other chapters present a discussion of what sociologists actually study which includes the substantive areas of investigation and the aims of the investigation This book discusses as well the institutionalized areas of society including the family the economy and the polity The final chapter deals with the theories of the middle range This book is a valuable resource for sociologists

Sociological Traditions From Generation to Generation Robert King Merton, Matilda White Riley, 1980 This book provides insight into the lives and contributions of eight master sociologists as perceived by their outstanding students It provides perspectives on evolving cognitive traditions and the oral transmission of knowledge the emergence of new ideas the role of continuity and discontinuity in the developments of science and the relations of these to social change

Practicing Social Science Devorah Kalekin-Fishman, 2016-12-01 How is the process of globalization effecting changes in the structure of knowledge in sociology This path breaking volume looks at the human dimension of developments in the discipline by compiling a set of interviews that exemplify the life and work of a sociologist today Their ideas and conceptualizations show to what extent a paradigm shift has taken root answering questions such as whether sociology still remains a differentiated relatively autonomous social science The chosen interviewees are about equally divided according to gender and have been selected from among professional sociologists in different parts of the globe with an emphasis on areas that are under represented in English publications such as East Asia Latin America and Africa Analysis focuses on changes which are becoming clear from the on going confrontation between traditional sociology which emerged as a project of modernity and the sociology practiced by sociologists who are called upon to adapt the discipline to the upheavals of the twenty first century

The Professionalization of Sociology Bert L. Hardin, 1977 *The Engaged Sociologist* Kathleen Odell Korgen, Jonathan M. White, 2014-09-23 This fully updated edition of The Engaged Sociologist by Kathleen Odell Korgen carries the public sociology movement into the classroom while at the same time providing an engaging overview of the entire field It demonstrates how to think sociologically to develop a sociological eye and to use sociological tools to become effective participants in a democratic society Perfect as a supplement for an introductory course or as a main text for any course that has public sociology at its roots this inspiring book will serve as a guidebook to any student who is passionate

about applying sociological concepts to the world around them

Witnessing for Sociology Pamela J. Jenkins, J.S.

Kroll-Smith, 1996-06-24 The American court system is making increasing use of sociologists as expert witnesses From toxic torts to religious cults and brainwashing sociological knowledge is becoming increasingly more commonplace in the legal arena This edited volume is a collection of the experiences of sociologists who have appeared as expert witnesses in a variety of court cases Many of the cases covered in this book revolve around central issues of murder self defense religious cults battered women child pornography environmentalism and homelessness This volume is unique in its breadth of topics and contributions

An Analysis of C. Wright Mills's The Sociological Imagination Ismael Puga, Robert

Easthope, 2017-07-05 C Wright Mills's 1959 book The Sociological Imagination is widely regarded as one of the most influential works of post war sociology At its heart the work is a closely reasoned argument about the nature and aims of sociology one that sets out a manifesto and roadmap for the field Its wide acceptance and popular reception is a clear demonstration of the rhetorical power of Wright's strong reasoning skills In critical thinking reasoning involves the creation of an argument that is strong balanced and of course persuasive In Mills's case this core argument makes a case for what he terms the sociological imagination a particular quality of mind capable of analyzing how individual lives fit into and interact with social structures Only by adopting such an approach Mills argues can sociologists see the private troubles of individuals as the social issues they really are Allied to this central argument are supporting arguments for the need for sociology to maintain its independence from corporations and governments and for social scientists to steer away from high theory and focus on the real difficulties of everyday life Carefully organized watertight and persuasive The Sociological Imagination exemplifies reasoned argument at its best

When people should go to the book stores, search foundation by shop, shelf by shelf, it is really problematic. This is why we give the book compilations in this website. It will categorically ease you to see guide **Sociologists On Sociology** as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly.
