

# How do sociologists use religion?

---

- Sociologists avoid spiritual side of religion; too complicated and abstract to evaluate
- Study *social* dimensions of religion
- Religion's influence on society
- Must put aside own belief system

# Sociologists And Religion

**Professor Pål Repstad, Assoc Prof  
Inger Furseth**

## **Sociologists And Religion:**

*The Sociology of Religion* George Lundskow, 2008-06-10 Most Sociology of Religion texts are decidedly staid and uninteresting covering contemporary developments which are only contemporary only from a disciplinary perspective They are not contemporary if viewed from the perspective of the religion s practioners in religious and non religious settings The textbooks that attempt to be interesting to undergraduate students often fall short because they either try to cover too much in an encyclopedic format or sacrifice a sociological perspective for a personal one Many use real life examples only superficially to illustrate concepts Lundskow s approach is the opposite students will learn the facts of religion in its great diversity all the most interesting and compelling beliefs and practices and then learn relevant concepts that can be used to explain empirical observations The book thus follows the logic of actual research investigate and then analyze rather than approaching concepts with no real bearing on how religion is experienced in society This approach using provocative examples and with an eye toward the historical and theoretical not to mention global experience of religion will make this book a success in the classroom The author envisions a substantive approach that examines religion as it actually exists in all its forms including belief ritual daily living identity institutions social movements social control and social change Within these broad categories the book will devote particular chapters to important historical moments and movements leaders and various individual religions that have shaped the contemporary form and effect of religion in the world today

**Sociologists and Religion** Susan Budd, 1973 This series is devoted to themes and issues under active discussion and investigation by contemporary sociologists Each volume comprises an authoritative yet personal statement followed by a substantial annotated bibliography Authors addresses themselves primarily to students and their teachers but anyone interested in understanding the characteristic concerns and approaches of modern sociology will find the series illuminating Publisher *The Sociology of Religion* Max Weber, 1993-04-15 In *The Sociology of Religion* first published in the United States in 1963 Max Weber looks at the significant role religion has played in social change throughout history The book was a formative text of the new discipline of sociology and has gone on to become a classic in the social sciences **The SAGE Handbook of the Sociology of Religion** James A Beckford, Jay Demerath, 2007-10-29 In their introduction to this Handbook the editors affirm Many sociologists have come to realise that it makes no sense now to omit religion from the repertoire of social scientific explanations of social life I wholeheartedly agree I also suggest that this wide ranging set of essays should become a starting point for such enquiries Each chapter is clear comprehensive and well structured making the Handbook a real asset for all those engaged in the field Grace Davie University of Exeter Serious social scientists who care about making sense of the world can no longer ignore the fact that religious beliefs and practices are an important part of this world This Handbook is a valuable resource for specialists and amateurs alike The editors have done an exceptionally fine job of incorporating topics that illuminate the range and diversity of religion and its continuing significance throughout the world

Robert Wuthnow Princeton University At a time when religions are increasingly affecting and affected by life beyond the narrowly sacred sphere religion everywhere seems to be caught up in change and conflict In the midst of this contention and confusion the sociology of religion provides a rich source of understanding and explanation This Handbook presents an unprecedentedly comprehensive assessment of the field both where it has been and where it is headed Like its many distinguished contributors its topics and their coverage are truly global in their reach The Handbook's 35 chapters are organized into eight sections basic theories and debates methods of studying religion social forms and experiences of religion issues of power and control in religious organizations religion and politics individual religious behaviour in social context religion self identity and the life course and case studies of China Eastern Europe Israel Japan and Mexico Each chapter establishes benchmarks for the state of sociological thinking about religion in the 21st century and provides a rich bibliography for pursuing its subject further Overall the Handbook stretches the field conceptually methodologically comparatively and historically An indispensable source of guidance and insight for both students and scholars Choice Outstanding Academic Title 2009

*The Sociology of Religion* Max Weber, 1963 In *The Sociology of Religion* Max Weber looks at the significant role religion has played in social change throughout history The book was a formative text of the new discipline of sociology and has gone on to become a classic in the social sciences From product description

**An Introduction to the Sociology of Religion** Professor Pål Repstad, Assoc Prof Inger Furseth, 2013-05-28 An Introduction to the Sociology of Religion provides an overview of sociological theories of contemporary religious life Some chapters are organized according to topic Others offer brief presentations of classical and contemporary sociologists from Karl Marx to Zygmunt Bauman and their perspectives on social life including religion Throughout the book illustrations and examples are taken from several religious traditions

*The Oxford Handbook of the Sociology of Religion* Peter Clarke, 2009 An expert team of international scholars provide fifty one essays as entry points into the sociological study and understanding of religion and in depth surveys into its changing forms and content in the contemporary world Issues discussed range from ecology to law art to cognitive science crime to health care

[Sociology of Religion](#) Kevin J. Christiano, William H. Swatos, Jr., Peter Kivisto, 2008-05-29 By way of introduction Studying religion The religion of secularization and the history of religions Religion in the United States denominationalism and beyond Social class religion and power a classic field of inquiry Religion and ethnicity a complex relationship Gender sexuality and religion spirituality in different voices Religious change the case of Catholicism in the United States The globalization dynamic historic animosities or postmodern politics Mediating meaning religion in and as contemporary culture Boundary issues church state and new religions

**The Sociology of Religion** Thomas F. O'Dea, 1966 Selected references p 118 Bibliographical footnotes

*Sociology Of Religion* Michael Hill, 1973-11-12

*The Sociology of Religion* Malcolm B. Hamilton, 2012-06-12 This expanded second edition combines a discussion of the main theorists with a wide range of material illustrating the diversity of religious beliefs and practices

The Sociology of Religion G. E. Gorman, 1986-10-21 Product information not available      *The Sociology of Religion* Grace Davie, 2013-01-15 Why is religion still important Can we be fully modern and fully religious In this new edition Davie follows up her discussion of the meaning of religion in modern society and considers how best to research and understand this relationship Exploring the rapid movements within the sociology of religion today this revised and updated book Describes the origins of the sociology of religion Demystifies secularization as a process and a theory Relates religion to modern social theory Unpacks the meaning of religion in relation to modernity and globalization Grasps the methodological challenges in the field Provides a comparative perspective for religions in the west Introduces questions of minorities and margins Sets out a critical agenda for debate and research The Sociology of Religion has already proved itself as one of the most important titles within the field this edition will ensure that it remains an indispensable resource for students and researchers alike

Religion in Sociological Perspective Keith A. Roberts, 2004 This text is a highly sociological view of religion and as such stresses theoretical perspectives about religion The text also focuses on the methodology that sociologists have used to study religion Keith Roberts states that his own preferred approach is open systems theory which he says focuses equally on structure and dynamics Other texts may lean toward the religious studies end of the market but Roberts is a true sociology text

**Sociological Theory and the Question of Religion** Dr Andrew McKinnon, Dr Marta Trzebiatowska, 2014-12-28 This book offers a variety of theoretical perspectives on the study of religion that bridge the gap between mainstream concerns of sociologists and the sociology of religion Following an assessment of the current state of the field the authors develop an emerging critical perspective within the sociology of religion with particular focus on the importance of historical background Re assessing the themes of aesthetics listening and different degrees of spiritual self discipline the authors draw on ethnographic studies of religious involvement in Norway and the UK

**The Need for Certainty** Robert Towler, 2020-12-17 Originally published in 1984 The Need for Certainty explores the different ways in which people can be religious within the conventional traditions of the main Christian denominations Based on in depth analysis of letters sent to John Robinson then Bishop of Woolwich after the publication of his book Honest to God The Need for Certainty describes five contrasting ways of being religious and explores how despite being mutually incompatible they are able to coexist in the churches In doing so it argues that a proper grasp of this wide variation in styles of religiousness is a prerequisite for quantitative surveys of religion Each contrasting religious style is explored in turn and illustrated with quotations from the original letters The intense desire for religious certainty is extensively explored and presented as a debased but common form of religious aspiration that often leads to the degeneration of faith The Need for Certainty is ideal for those with an interest in Christianity the sociology of religion and theology

**Seeing Religion** Roman Williams, 2015-05-13 The potential of visual research methods in the sociology of religion is vast but largely untapped This comes as a surprise however given the visual symbolic and material nature of religion and spirituality Evidence of religious faith and practice is materially

present in everything from clothing and jewelry to artifacts found in people's homes and workplaces. Not only is religion's symbolic and material presence palpable throughout society; it also informs attitudes, beliefs, and behaviors of countless people worldwide. Words and numbers approaches to social research, however, sometimes miss important dimensions of religion and spirituality in the contemporary world. Seeing Religion is an invitation to a visual sociology of religion. Contributors draw from their current research to discuss the application of visual methods to the study of religion and spirituality. Each chapter stimulates the sociological imagination through examples of research techniques, analytical approaches, and methodological concerns.

*Sociology of Religion in America* Anthony Blasi, 2014-03-20

*Sociology of Religion in America* tells the story of the controversies involved in the development of a scientific specialty that often makes news in America. The evidence it presents runs contrary to the many myths about the field. Sometimes viewed by scholars as a backwater, actual evidence from the 1890s to the 1980s shows that sociology of religion had a steady presence in sociology all along. Seen as a force alien to religion by some, it was actually in a mutually supportive relationship with religious organizations. Examining dissertations dating from 1895 to 1959 and scientific articles from the 1960s to the 1980s, Anthony J. Blasi discovers who the major sociologists of religion were and what they did. He traces the field's previously unknown tradition in community studies, the exigencies of the research institutes, and dramatic changes in the professional associations.

**Readings in the Sociology of Religion** Joan Brothers, 1967

**An Introduction to the Sociology of Religion** Inger Furseth, Pål Repstad, 2006-01-01

An Introduction to the Sociology of Religion provides an overview of sociological theories of contemporary religious life. Some chapters are organized according to topic. Others offer brief presentations of classical and contemporary sociologists from Karl Marx to Zygmunt Bauman and their perspectives on social life, including religion. Throughout the book, illustrations and examples are taken from several religious traditions.

### Sociologists And Religion Introduction

In today's digital age, the availability of Sociologists And Religion books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sociologists And Religion books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sociologists And Religion books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sociologists And Religion versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sociologists And Religion books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sociologists And Religion books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sociologists And Religion books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sociologists And Religion books and manuals for download have transformed the way we

access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sociologists And Religion books and manuals for download and embark on your journey of knowledge?

### FAQs About Sociologists And Religion Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sociologists And Religion is one of the best book in our library for free trial. We provide copy of Sociologists And Religion in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sociologists And Religion. Where to download Sociologists And Religion online for free? Are you looking for Sociologists And Religion PDF? This is definitely going to save you time and cash in something you should think about.
