Sociology And Socialism In Contemporary China:

Sociology and Socialism in Contemporary China Siu-lun Wong, 2013-11-05 First published in 1979 Sociology flourished in China during the 1930s and 1940s but with the establishment of the People's Republic of China controversies arose over the place of sociology in the process of socialist construction Siu lun Wong analyses the reasons for this change in the fortune of sociological studies in China and examines it in relation to the country's contemporary political system The Performing Arts in Contemporary China Colin Mackerras, 2013-11-05 First published in 1981 The overthrow of the gang of four in October 1976 had profound effects in all areas of Chinese society and probably nowhere can this be more clearly seen than in the performing arts Jiang Qing Mao Zedong's widow was strongly interested in the performing arts and exercised great influence over them This book describes her influence and the effects its removal had on the arts Although the period covered is mainly that since the death of Mao there is also considerable reference to the years following the Cultural Revolution *Social Change in Contemporary China and the Theory of Social Contradictions* Wang Weiguang, 2015-01-31 This book examines the various social contradictions that sit at the heart of China's strategy of maintaining a harmonious socialist society whilst generating vertiginous economic growth Written by a senior member of the Chinese Academy of Social Sciences Social Change in Contemporary China and the Theory of Social Contradiction studies the roots and backgrounds of the key theories of contradiction alongside the practical implications on modern day China The deep researched content is divided into two unique parts Section one focuses on the contradictions amongst the people whilst section two focuses on the contradictions between different social groups and social classes Systematic and wide ranging this brand new book will enable the reader to gain a clear understanding into China's perceptions and ideas of social contradiction theory This book will be particularly relevant to academic organisations involved in social sciences and socialism studies Marxist theory studies China studies and Asian studies Published in association with the prestigious China Social Sciences Press Social Engineering and the Social Sciences in China, 1919-1949 Yung-chen Chiang, 2001-01-22 In this 2001 book Yung chen Chiang tells the story of the origins hopes visions and achievements of the social sciences movement in China during the first half of the twentieth century He focuses on the efforts of social scientists at three institutions the Yanjing Sociology Department Nankai Institute of Economics and Chen Hansheng's Marxist agrarian research enterprise to relate their disciplines to the needs of Chinese society As all three groups received funding from the Rockefeller Foundation their stories offer a unique window on to Sino American interactions revealing how the social sciences became a lingua franca of the cultural frontier Drawing on an impressive variety of archival materials used here for the first time this study corrects and enriches current scholarship presenting both a more detailed and panoramic view Chiang's analysis engages the complex and broader issues of the transfer indigenization and international patronage of social science disciplines *The Routledge Handbook of Chinese Criminology* Liqun Cao, Ivan Y. Sun, Bill Heberton, 2013-07-24 As the world's second largest economy

China has made great progress in developing criminology The Routledge Handbook of Chinese Criminology aims to be a key reference point to summarize the large body of literature in both Chinese and English about various aspects of crime and its control in China for international scholars with an interest in the development of criminological research on and in the Greater China region and for everyone with a broad interest in international criminology The editors of the handbook have selected authoritative contributors recognized for their research and scholarship on China Hong Kong Macao and Taiwan This handbook consists of five sections An account of the development of criminology as an academic discipline in modern China as well as some of the unique theories strategies or philosophies of crime control that have emerged An analysis of the criminal justice system in China including the police the courts corrections juvenile justice and the death penalty An exploration of the issues and problems in conducting research in China Reflections on the nature of crime and criminality in China including drugs prostitution human trafficking corruption floating population domestic violence and white collar crime An account of crime and criminal justice in Taiwan Hong Kong and Macao The book presents a coherent and comprehensive collection of essays on current research and theory in criminology crime and justice in China and Greater China and the Editors Introduction and Conclusion provide further contextualisation of the Handbook s key themes Routledge Library Editions: Education in Asia Various,2021-07-14 This set of reissued books examines education in Asia from a variety of different angles From the westernisation of early twentieth century Chinese education to the impact of the Communist revolution to education and society in Korea to Asian women s experiences of education this set collects some key texts by a range of original thinkers *The Saga of Anthropology in China: From Malinowski to Moscow to Mao* Gregory Eliyu Guldin,2016-09-16 First Published in 1994 Routledge is an imprint of Taylor Francis an Informa company *Anthropology in China* Gregory Eliyu Guldin,2019-07-26 This book previously published in 2015 as vol 20 no 4 and vol 21 no 1 of Chinese sociology and anthropology Seventh section of Chinese Studies on China series **Bibliographie Internationale de Sociologie 1980** ,1982 Each Bibliography lists and annotates the most important works published during the year They are arranged by topic and indexed by author subject and geographic location **On Social Interests and Conflict** Weiguang Wang,2015 Thanks to an exclusive agreement with the prestigious China Social Sciences Press Confucius and China in the Modern Age is being made available outside of China for the very first time Published as part of Paths Internationals Philosophy in Modern China Series **Social Governance and Political Order in Contemporary China** Shizheng Feng,2023-05-26 Focusing on the conflict and coordination between social development and political order in social governance this book investigates the causes evolution and manifestations of such tensions in contemporary China combining both qualitative and quantitative analysis It has always been a complicated issue for social governance in China to maintain a balanced and benign interaction between social development and political order Strong leadership from the state can foster robust social development which can itself pose challenges to the existing political order To approach this paradox this book

first discusses the entanglement of law and politics in China's social governance embodied by state legitimacy of the state and its governance. It then examines institutional changes through analyzing the relationship between market mechanisms and planned systems as well as the petitioning system, a unique political setup in China. By examining arbitrariness in the practice of Mao Zedong's theory on two types of contradictions, the author uncovers the characteristics and political basis of China's approach to resolving social conflict. This title is essential reading for scholars and students studying sociology and political science, especially those interested in social governance in China and contemporary Chinese politics. Shizheng Feng is Professor and Dean of the School of Sociology and Population Studies at Renmin University of China. His research areas include political sociology, historical sociology, social governance, and state making and political order in China's social transformation.

China Bibliography Harriet T. Zurndorfer, 2021-12-06 This volume serves as a guide to all facets of China study, from advice on choosing an appropriate literary dictionary to finding the most recent yearbooks that offer statistical data about the contemporary economy. China Bibliography does not restrict itself to one particular discipline but considers the development of Chinese civilization as a whole, from its imperial beginnings to the present, and therefore demonstrates how one would find information about Chinese history, literature, religion, linguistics, collectanea, as well as present-day PRC economic and political policies. Because this book also explains how bibliographical data on China has accumulated over the last 300 years, including within China itself, it also may help the reader understand the significance of a particular type of reference work.

China's Domestic Private Firms: Anne S. Tsui, Yanjie Bian, 2014-12-18 One of the most important outcomes of market reforms in China over the past 20 years has been the emergence of a significant domestic private sector, which now accounts for almost a third of China's GDP and is by far the country's most important source of employment growth. This book is the first in-depth analysis of the management and operation of these domestic private firms, which are defined as companies or organizations created by PRC citizens, including township enterprises and collectives. The book provides a comprehensive and multidisciplinary perspective on the factors important to the successful operation and growth of these firms. It begins with a review of the literature on the topic in three different disciplines: economics, sociology, and management, each followed by several chapters covering recent developments in these areas.

Featuring contributions by distinguished scholars and China experts, the work concludes with an insightful chapter on the future of China's public sector in the global economy.

Handbook of China's Governance and Domestic Politics Chris Ogden, Christopher Ogden, 2013 Provides an in-depth overview of how China is governed, how its domestic political system functions, and the critical issues it faces in the coming decades. Discusses China's transition to a modern state and its rise within the international system.

Manager Empowerment in China Ray Yep, 2003-12-08 Institutional changes in rural China caused by the economic reforms of the post-Mao era have led to a new pattern of state-society interaction in the rural polity. Central to this is the spectacular rise of a group of managerial elites. Contrary to economic predictors, this has been

accompanied by the development of an interdependence between these managers and the state This book provides an analysis of the new state society relationship and demonstrates the complexity and fluidity involved in institutional development and market transformation **Society Building** Xiangqun Chang,2014-04-23 In China s future social development there is likely to be an interest in society building with interactions between top down and bottom up approaches along with a deepened level of social reform and the construction of a harmonious or symbiotic society This represents one of China s social development models and is reflected in the Communist Party of China CPC and state policy The term society building was proposed by Chinese thinkers nearly one century ago and has been used by Chinese sociologists to study Chinese society since the 1930s In the 21st century society building has been approached as an interdisciplinary concept by Chinese social scientists The main concern of China for its future social development is to enhance its people s wellbeing and encourage them to build Chinese society in innovative and creative ways This volume showcases the latest research of non Chinese scholars relating to this indigenous concept and to China s social development in the global context It tackles the following topics the assessment of the social impact of infrastructure projects China s reforms and its changing political system whether or not the Singapore model is suitable for China to follow soft power through education and boundaries cosmopolitanisms and spaces in Chinese and international cities The book will be of interest to academics professionals practitioners university students and the general public seeking a comprehensive understanding of China **Health Care Transformation in Contemporary China** Jiong Tu,2018-06-12 This multifaceted book examines the free market reform of the Chinese healthcare system in the 1980s and the more collectivist or socialist counter reforms that have been implemented since 2009 to remedy some of the problems introduced by marketization The book is based on an ethnographical study in a Chinese county from 2011 to 2012 which investigated local people s experience of healthcare reforms and the various ways in which they have adapted their own behavior to the constraints and opportunities introduced by these reforms It provides a vivid depiction of the morality and emotionality of people s experiences of the Chinese healthcare system and the myriad frustrations and sometimes desperation it induces not only among patients with significant health problems and their families but also healthcare practitioners caught between their desire to do right by their patients and the penalties they personally incur if they do not adhere to institutionalized cost saving measures The people s experiences within China s health sector presented reflect many similar experiences in the wider Chinese society The book is thus a valuable resource for researchers and graduate students interested in China s healthcare reforms and scholars concerned with issues of contemporary Chinese society **Sociological Abstracts** Leo P. Chall,2004 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers

Social Stratification in Contemporary China Li Qiang, 2016-03-31 Social Stratification in Contemporary China raises and debates major sociological issues of modern and present day China from a historical perspective Such topics as equality and inequality and acceptability of defined inequality have been dealt with in a broad historical context since 1949 when the People's Republic was founded The work is widely accepted as one of the most important studies trying to clarify the difficult perceptions of policy of reform and opening up that was formulated and implemented in the early 1980s in China Professor Li Qiang is one of the leading sociologists in China

The State and Life Chances in Urban China Xueguang Zhou, 2004-11-29 This book presents a systematic study of social stratification processes in urban China from 1949 to 1994 Based on the life histories of a sample of urban residents from 20 Chinese cities this book addresses two themes 1 the interplay between redistribution and social stratification under state socialism in urban China especially the impact of the state and state policies on individual life chances in such areas as education labor force participation promotion in organizations and the distribution of manifest and latent economic benefits 2 an assessment of sources and extent of China's economic transformation since the 1980s The author blends sociological analysis and sensitivity to the historical context in interpreting changes and continuity in the 45 year history of state socialist China This is a comprehensive and rigorous study of social stratification in China
