Speak Brother A Black Mans View Of America:

Speak, Brother! Roland S. Martin, 2002 Unrelenting uncompromising and downright honest Roland S Martin offers a bold and fresh perspective for the 21st century He tackles a variety of issues with passion knowledge and spirituality Whether its commentaries on sports social justice or business Martin isnt a conservative or a liberal Democrat or a Republican He is simply a black man in America *I Know Me* Marian Olivia Heath Griffin, 2020-10-30 It seems like yesterday that things that were happening in my life over seventy years ago demands that I trust in the loving purpose of a Sovereign God I have learned to trust that He is in control especially when life seems out of control I am prospering and am always hopeful because as a blessed African American woman I accept my responsibility to give back to the people in this country as much as it has given to me I will always acknowledge my roots as they are more important than ever I am an empty vessel but am versed with a spiritual being to complete a mission for God And I have an angel or angels who have guided me all my days They are sent from my Sovereign Creator *A Voice Calls in the Night Find My People Save My People* Marian Olivia Heath Griffin, 2019-12-18 IT HAS BEEN ESTABLISHED that African Americans have been and are still being subjected to marginalized and harsh treatment today in America We came to the Americas a million years ago and helped build this wilderness country It is incumbent upon us as a nation to come to grips with the humanness of all people and treat each other with respect and love acknowledging each other s skills talents and achievements We are a strong nation of people Let s not allow the weak racial prejudicial side of us to rule us We can only move forward if we have a collective truthful and faithful heart There is something inherent in all of us that should not be stifled or extinguished We are all put on earth for a specific purpose All generations should be given an opportunity to be what we can be as our Creator ordained it *Views of a Southern Black Man* Harvey Williams Jr., 2015-03-26 Views of a Southern Black Man is a compilation of selected weekly editorials written by the author over a fifteen year span In this book the author shares his experience with racism in the south He also talks about the problems that continue to plague the African American community as he offers possible solutions The main objective of this book is to improve race relations but this will not happen until all Americans come to an agreement as to whats right and wrong just and unjust and be able to separate fact from fiction While the past serves not only as a reminder of where African American have been and a tool to access where we are today we cannot successfully move forward while continuing to look back **Cultural Gumbo, Our Roots, Our Stories** Marian Olivia Heath Griffin, 2018-05-18 There is no subject in the world more stereotypical than slavery of African Americans This book is about four families my mother and father s families and my husband s mother and father s families dating back to the era before slaves were brought out of Africa Historically our families evolved on a continuous basis and have proven to have been strong resilient people whose hopes and dreams were not easily squelched We have researched the backgrounds of these relatives who were a part of the Atlantic slave trade because I want my children and grandchildren as well as the world to know who

their ancestors were I want them to know under what circumstances they came to America and finally became citizens with voting rights educational and financial privileges marital rights and freedom I want to clear up the misrepresentation and confusion of facts about slavery and the black man's worth Slaves over the last two thousand years have become a misnomer to our young people's minds and there is little knowledge of this period Many civilizations and nations have been involved in slavery during the course of history Contemporary records and archival documents were sought in an effort to reach greater heights of authenticity enhance ancestral reality and relate the facts to younger generations

Never Alone Marian Olivia Heath Griffin, 2022-09-08 OUR CREATOR IS BESIDE US ALWAYS AND WE ARE NEVER ALONE WE CAN WALK AND BELIEVE IN SOMEONE OTHER THAN MANKIND IT IS PROMISING TO SEE YOUNG PEOPLE OUR GRANDCHILDREN DIRECTING OTHER PEOPLE AND DEVELOPING A SENSE OF HUMILITY AND DISCERNMENT WITH A GIVING SPIRIT THERE IS SOMETHING INHERENT IN ALL OF US THAT SHOULD NEVER BE EXTINGUISHED THE GENERATIONS TO COME SHOULD BE GIVEN AN OPPORTUNITY TO BE WHAT THEY CAN BE AS WE ARE ALL PUT ON EARTH FOR A SPECIFIC PURPOSE WE LOOK AT WHAT IS HAPPENING AND SEE SIGNS OF CIRCUMSTANCES THAT ARE YET TO COME THIS IS THE BEST OF TIMES AND THE WORSE OF TIMES WRITTEN BY CHARLES DICKENS YET THERE IS A PRESENCE OF LIGHT THAT CAN ONLY BE GIVEN BY THE ONE WHO CREATED ALL THAT WE ARE AND HAVE
