Speaking with Spirit Dr. Wanda Vassallo ,2018-01-08 Speaking with Spirit A Guide for Christian Speakers was deemed the most thorough treatment on the subject of public speaking I have ever seen by Linus Wright Former Under Secretary in the U S Department of Education Vassallo published a former edition of this book in 1990 which was declared a must for an excellent collection of books of this genre by the American Library Association Endorsements This extraordinary piece of work is the most thorough treatment on the subject of public speaking I have ever seen Speaking with Spirit is full of factual information organized in easily recognizable categories I was particularly gratified to find not only a catalog of possible

openings for different types of speeches but also an example of each taken from a successful presentation When you have finished Wanda's book you will regard speaking before an audience as something to anticipate with confidence and optimism

LINUS WRIGHT Former Under Secretary U S Department of Education and Dallas Schools Superintendent At last A public speaking book written especially for Christian speakers Wanda's book will serve as a trusted guide for the novice speaker as well as a valuable reference for the experienced speaker cast onto unfamiliar turf such as appearing on television for the first time Her examples of different genres of speeches tailor made for Christian audiences provide a treasure trove of proven material

MAMIE MCCULLOUGH Motivational Speaker and Author I am so pleased that Wanda has written another book on speaking Her previous book on the subject proved to be very popular at our conferences We sold several hundred copies Wanda has spoken at our conferences over the years and has always been a favorite among our people I know this book will be well received I am eager to begin offering it to our conference attendees

REG A FORDER Director of American Christian Writers This book by Wanda Vassallo will be much appreciated and used by pastors and leaders in Christian churches as well as by speakers in other contexts Having served as a pastor for 28 years as well as being a theological educator and a denominational executive I am called on to speak in a variety of settings Based on my experiences I know that Wanda's book will be a priceless resource for the Christian leader I recommend it without reservation

REV RONALD E VALLET D Min Author Adjunct Professor McMaster Divinity College Pastor Fredonia Baptist Church Fredonia N Y Minister for Stewardship and Mission Support American Baptist Churches of New York I taught Communications in a Christian University for many years and often used Jesus Christ as an example of the greatest of the communicators Naturally I directed my students to scriptures that verified that fact but I never had a complete scriptural reference to Christ's sermons teachings speeches and arguments Now Wanda Vassallo has included in her first rate public speaking textbook a chapter on Jesus as a Speaker Our Example This is a true blessing for the Christian speech teacher It's all there in Dr Vassallo's book all the scripture references the interpretations of those scriptures and the speech techniques of Christ It's all there in a textbook that goes on to tell the student and the teacher how best to present oneself before an audience It's all there in one volume a complete course in public speaking A text like this with Jesus as the master speaker has long been needed Now it's available Our prayers have been answered Thank you Dr Wanda Vassallo
