Speaking Of Christ A Lesbian Feminist Voice

Elina Vuola

Speaking Of Christ A Lesbian Feminist Voice:

Speaking of Christ Carter Heyward, 1989 The uncompromising writings of one of present day Christianity's most original thinkers inviting us to respond faithfully and radically by taking the risks necessary to secure genuine justice in society *Feminist Theology* Watson, 2003-12-08 Rethinking the Christian faith from a woman's perspective has been an important advancement in modern theology This book introduces the methods ideas and contributions of recent feminist theology to readers encountering the subject for the first time Natalie Watson explores the historical background of feminist theology discusses the value of reading Scripture from a feminist perspective and shows how this approach can offer a critical creative and constructive rereading of the Christian tradition She also sets forth some fresh ideas encouraging people to see feminism not as a threat to the church but as a challenging perspective that actually enhances its life in today's world An extensive annotated bibliography invites readers to further study presenting a wealth of books on feminist theology by many well known authors Ideal for classroom instruction discussion groups and personal study this volume is an exceptional user friendly guide to contemporary feminist thought Feminist Christian Encounters Angela Pears, 2019-07-16 Originally published in 2004 Feminist discourses have focused sustained and sometimes devastating critical attention on Christianity over the last fifty years Today feminisms remain significant but often ambiguous forces in contemporary Christian theology At a time in which questions about the success and viability of feminisms are increasingly posed *Feminist Christian Encounters* makes a unique contribution to the ongoing investigation into the creative relationship between feminisms and Christianity Angela Pears identifies some of the key theological and methodological mechanisms by which Christian feminist theologies are informed sustained and made possible by feminist values and critiques Pears argues that certain strategies characterize the facilitation of this dialogue in contemporary Christian feminist theologies enabling theologians to accept the values and critiques of feminisms whilst at the same time proclaim some level of commitment to Christianity Engaging in a process of deconstruction of the methodologies of key Christian theological thinkers who have made use of feminisms in their theologies this book reveals the mechanisms of feminist Christian encounter at work *Indecent Theology* Marcella Althaus-Reid, 2002-09-11 *Indecent Theology* brings liberation theology up to date by introducing the radical critical approaches of gender postcolonial and queer theory Grounded in actual examples from Latin America Marcella Althaus Reid's highly provocative but immaculately researched book reworks three distinct areas of theology sexual political and systematic It exposes the connections between theology sexuality and politics whilst initiating a dramatic sexual rereading of systematic theology Groundbreaking intriguing and scholarly *Indecent Theology* broadens the debate on sexuality and theology as never before Twentieth Century Anglican Theologians Stephen Burns, Bryan Cones, James Tengatenga, 2020-11-24 A scholarly volume that reflects the rich diversity of Anglican theology With contributions from an international panel of writers *Twentieth Century Anglican Theologians* offers a wide ranging view that presents a survey of

over twenty diverse Anglican thinkers The book explores well known figures including William Temple Austin Farrer Donald MacKinnon and John A T Robinson These theologians are set in a wider context alongside others from India China Australia Ghana and elsewhere Notably the subjects include a number of women from Evelyn Underhill the first woman to teach the clergy of the Church of England to Esther Mombo a major contemporary Anglican figure from Kenya The book reflects the rich diversity of Anglicanism suggesting the ongoing vitality of this religious tradition This important book Contains information on a number of prominent women Anglican thinkers Includes contributions from experts from around the world Presents material on both familiar figures and others that are unjustly little known Written for students and teachers of Anglicanism Anglican clergy and ecumenical colleagues Twentieth Century Anglican Theologians is the first book to reflect the diversity of the Anglican tradition by considering its global theological representatives **The Oxford Handbook of Music and Queerness** Fred Everett Maus, Sheila Whiteley, Tavia Nyong'o, Tavia Amolo Ochieng' Nyongó, Zoe C. Sherinian, 2022

Explores ways that music and queerness interact to create unique meanings Includes perspectives on music making from many times and places Innovative queer research and interpretation take exciting new directions Book jacket

Knowledge That Matters Lucy Tatman, 2001-12-13 Lucy Tatman identifies the events and ideas that influenced the formation of a North American feminist paradigm She explores the components of this paradigm particularly the way in which they affect the understanding of knowledge She then examines the representation of these elements in the theologies of three prominent feminist theologians in North America Rosemary Radford Ruether Carter Heyward and Sallie McFague From her discussion of these scholars she proposes that a responsible feminist practice of epistemology requires participatory discernment Limits of Liberation Elina Vuola, 2002-09-19

How far are the real lives of millions of poor women really catered for in liberation and feminist theologies Vuola argues here that traditional liberation theology's notion of praxis as in L Boff and E Dussel is limited by its essentialist notion of poor and its neglect of the issue of poor women's reproductive rights Classical feminist theologies on the other hand are fraught with their own essentialist notions women's experience Both discourses are inadequate to deal with poor women's suffering widespread maternal mortality high rates of botched illegal abortions and an overall lack of reproductive rights As a response to this lack Vuola nurtures a form of Latin American feminist liberation theology that addresses directly the suffering and death of these millions of women *The Story of the Philadelphia Eleven* Darlene O'Dell, 2024-06-11 Celebrating the 50th anniversary of the ordinations of The Philadelphia Eleven this expanded and revised edition serves as the definitive account of the courageous women who shattered stained glass ceilings and sparked a global movement to revolutionize faith and society Nearly fifty years after eleven audacious women made history as the first female priests ordained in the Episcopal Church Darlene O Dell revisits their inspiring journey in a revised and expanded edition of her acclaimed *The Story of the Philadelphia Eleven* Through extensive interviews and tireless archival research this definitive account was the first to vividly resurrect the pivotal

moment that tore down barriers and changed the Episcopal Church forever Both critics and scholars hailed the book calling it a needed history and a brilliantly told tale Mary E Hunt and enthralling reading O Dell certainly has the novelist s gift of making her story come alive and in maintaining her readers interest Bernard Palmer Now fresh interviews unveil dozens of never before told perspectives while updated chapters lend contemporary relevance to a history we can t afford to forget Additionally the author has included exclusive conversations with one of the Washington Four a chapter on the impactful Barbara Harris and insights into the wider Anglican church s role in what is now universally considered a landmark event This edition doesn t just look back it casts a critical eye on what s changed and what hasn t questioning the patriarchy that persists in faith institutions and how these ordinations echo in today s political culture Both an intimate character study and a sweeping examination The Story of the Philadelphia Eleven is a renewed call to understand our past in order to better navigate our collective future

Latin America and the Global Political Stage Joshua Hyles, 2021-09-14 This collection of essays on international relations places particular emphasis on Latin America and its place on the world stage Featuring contributions by recognized authorities and new scholars alike in a broad range of related fields the anthology provides a global view of the intricacies of international and national relationships with a special focus on the countries of Latin America and a consideration of the most recent developments in international and national diplomacy including the concept of Trumpism

Enjoying the Tune of Expression: An Emotional Symphony within **Speaking Of Christ A Lesbian Feminist Voice**

In some sort of taken by monitors and the ceaseless chatter of fast interaction, the melodic elegance and mental symphony created by the prepared term usually disappear into the background, eclipsed by the constant noise and disturbances that permeate our lives. Nevertheless, nestled within the pages of **Speaking Of Christ A Lesbian Feminist Voice** a charming literary prize filled with raw thoughts, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, this charming masterpiece conducts viewers on a mental journey, well unraveling the concealed tunes and profound impact resonating within each cautiously crafted phrase. Within the depths with this moving review, we will investigate the book is key harmonies, analyze its enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
