Speaking Of Silents First Ladies Of The Screen:

Speaking of Silents William M. Drew, 1989 A fascinating portrait of the early silver screen through interviews with ten of its most glamorous stars

The Last Silent Picture Show William M. Drew, 2010-08-27 In 1927 The Jazz Singer heralded a revolution in the moviemaking industry with the advent of synchronized sound in full length motion pictures While movie studios adapted their production facilities to accommodate the new technology and movie theatres converted to sound filmmakers continued to produce silents albeit in dwindling numbers And though talkies would overtake the industry and the public s demand soon enough the silent motion picture did not disappear immediately The Last Silent Picture Show Silent Films on American Screens in the 1930s looks at this cultural shift Drawing primarily on contemporary records this book details the fate of an entire art form the silent cinema in the United States during the 1930s and how it managed to survive the onslaught of sound Through the most diverse venues from tent shows to universities political meetings to picture palaces ghetto theaters to art houses the silent film continued to play an important role in American culture in the Depression years culminating in the first efforts to chronicle and preserve cinema history Through the voices of the audiences critics editors and artists Drew relates the impact of various silent films whether new releases reissues or foreign imports on the public and culture of the 30s how they affected both the popular and intellectual environment and how they were promoted for their audiences Providing an in depth examination of the transitional period which led to the birth of modern film studies The Last Silent Picture Show is aimed not only at academics but also the large number of film devotees who will discover new information on a relatively neglected chapter of film history

Stuntwomen Mollie Gregory, 2015-11-19 Gives voice to the women who have risked their lives for a few perilous moments on the big screen A fascinating look at a risky profession The Washington Post They ve traded punches in knockdown brawls crashed biplanes through barns and raced to the rescue in fast cars They add suspense and drama to the story portraying the swimmer stalked by the menacing shark the heroine dangling twenty feet below a soaring hot air balloon or the woman leaping nine feet over a wall to escape a dog attack Only an expert can make such feats of daring look easy and stuntwomen with the skills to perform and survive great moments of action in movies have been hitting their mark in Hollywood since the beginning of film Here Mollie Gregory presents the first history of stuntwomen in the film industry from the silent era to the twenty first century In the early years of motion pictures women were highly involved in all aspects of film production but they were marginalized as movies became popular and more important profitable Capable stuntwomen were replaced by men in wigs and very few worked between the 1930s and 1960s As late as the 1990s men wore wigs and women s clothes to double as actresses and were even painted down for some performances while men and women of color were regularly denied stunt work For decades stuntwomen have faced institutional discrimination unequal pay and sexual harassment even as they jumped from speeding trains and raced horse drawn carriages away from burning buildings Featuring sixty five interviews Stuntwomen showcases the absorbing stories

and uncommon courage of women who make their living planning and performing action packed sequences that keep viewers hearts racing

The Image of Librarians in Cinema, 1917-1999 Ray Tevis, Brenda Tevis, 2015-03-26 From its earliest days to the present the onscreen image of the librarian has remained largely the same A silent 1921 film set the precedent for two female librarian characters a dowdy spinster wears glasses and a bun hairstyle and an attractive young woman is overworked and underpaid Silent films however employed a variety of characteristics for librarians showed them at work on many different tasks and featured them in a range of dramatic romantic and comedic situations The sound era during which librarians appeared in more than 200 films frequently exaggerated these characteristics and situations strongly influencing the general image of librarians This chronologically arranged work analyzes the stereotypical image of librarians male and female in primarily American and British motion pictures from the silent era to the 21st century The work briefly describes each film offering some critical commentary and then examines its librarian considering every aspect of the total character from socio economic conditions and motivations for leaving or not leaving the library to personal attributes such as clothing hair and age and entanglements with the opposite sex to commonly used props plot situations and lines Shush The work comments on whether librarians and library work are depicted accurately and analyzes the development of the public s image of a librarian The accompanying filmography lists librarian characters and notes stereotypes such as buns and eyeglasses With bibliography and index

Silent Films, 1877-1996 Robert K. Klepper, 2015-09-16 This film reference covers 646 silent motion pictures starting with Eadweard Muybridge s initial motion photography experiments in 1877 and even including *The Taxi Dancer* 1996 Among the genres included are classics dramas Westerns light comedies documentaries and even poorly produced early pornography Masterpieces such as *Joan the Woman* 1916 *Intolerance* 1916 and *Faust* 1926 can be found as well as rare titles that have not received critical attention since their original releases Each entry provides the most complete credits possible a full description critical commentary and an evaluation of the film s unique place in motion picture history Birth dates death dates and other facts are provided for the directors and players where available with a selection of photographs of those individuals The work is thoroughly indexed

Buster Keaton: Cut to the Chase Marion Meade, 2014-04-01 An American icon Joseph Frank Buster Keaton is easily acknowledged as one of the greatest filmmakers in early cinema and beyond His elaborate slapstick made audiences scream with laughter But his stone face hid an internal turmoil In *BUSTER KEATON CUT TO THE CHASE* biographer Marion Meade seamlessly lays out the life and works of this comedy genius who lacked any formal education Buster made his name as a child of vaudeville thrown around the stage by his father in a cartoon pantomime of very real abuse The lessons he carried forward from that experience translated into some of the greatest silent films of all time Keaton wrote directed performed and edited dozens of features and shorts including his masterpiece *The General* However those early scars also led to decades of drinking and mistreatment of women Keaton saw huge successes Hollywood sex scandals years of neglect from studios and audiences and finally a shaky

resurrection that assured his place in Hollywood's film canon. Meticulously researched, this book brings together four years of research and hundreds of interviews to paint a nuanced portrait of a compelling artist. No comedy fan or film buff should miss this insider story of the man behind the stone face.

Victor Fleming Michael Sragow, 2013-12-10 This definitive biography chronicles the life and work of the legendary director of *Gone With the Wind* and *The Wizard of Oz*. Victor Fleming was the most sought-after director in Hollywood's golden age, renowned for his work across an astounding range of genres from gritty westerns to screwball comedies, romances, boddy pictures, and family entertainment. Yet this chameleon-like versatility has resulted in his relative obscurity today despite his having directed two of the most iconic movies of all time. Fleming is best remembered for *Gone With the Wind* and *The Wizard of Oz*, but he directed more than forty films, including classics like *Red Dust*, *Test Pilot*, *Dr. Jekyll and Mr. Hyde*, and *Captains Courageous*. Fleming created enduring screen personas for Clark Gable, Spencer Tracy, and Gary Cooper, as well as for Ingrid Bergman, Clara Bow, and Norma Shearer, who were among his many lovers. In this definitive biography, Michael Sragow restores the director to the pantheon of great American filmmakers, correcting a major oversight in Hollywood history. It is the dramatic story of a man at the center of the most exciting period in American filmmaking.

Silent Players Anthony Slide, 2010-09-12 From his unique perspective of friendship with many of the actors and actresses about whom he writes, silent film historian Anthony Slide creates vivid portraits of the careers and often eccentric lives of 100 players from the American silent film industry. He profiles the era's shining stars, such as Lillian Gish and Blanche Sweet, leading men including William Bakewell and Robert Harron, gifted leading ladies such as Laura La Plante and Alice Terry, ingénues like Mary Astor and Mary Brian, and even Hollywood's most famous extra, Bess Flowers. Although each original essay is accompanied by significant documentation and an extensive bibliography, *Silent Players* is not simply a reference book or encyclopedic recitation of facts culled from the pages of fan magazines and trade periodicals. It contains a series of insightful portraits of the characters who symbolize an original and pioneering era in motion history and explores their unique talents and extraordinary private lives. Slide offers a potentially revisionist view of many of the stars he profiles, repudiating the status of some and restoring to fame others who have slipped from view. He personally interviewed many of his subjects and knew several of them intimately, putting him in a distinctive position to tell their true stories.

Syd Chaplin Lisa K. Stein, 2014-01-10 This is the first study of the life and art of Sydney Chaplin, Charlie Chaplin's brother, a person notable not only for his importance in establishing his brother's career but in several other early Hollywood enterprises, including the founding of United Artists and the Syd Chaplin Aircraft Corporation, America's first domestic airline. Sydney also had a successful film career, beginning in 1914 with Keystone and culminating with a string of popular films for Warner Bros. in the 1920s. Sydney's film career ended in 1929 because of an assault charge by an actress. This incident proved to be only the last in a string of scandals, each causing him to move to another place, another studio, or another business venture.

Silent Stars Jeanine Basinger, 2012-10-17 From one of America's most renowned film scholars, a

revelatory perceptive and highly readable look at the greatest silent film stars not those few who are fully appreciated and understood like Chaplin Keaton Gish and Garbo but those who have been misperceived unfairly dismissed or forgotten Here is Valentino the Sheik who was hardly the effeminate lounge lizard he s been branded as Mary Pickford who couldn t have been further from the adorable little creature with golden ringlets that was her film persona Marion Davies unfairly pilloried in Citizen Kane the original Phantom and Hunchback Lon Chaney the beautiful Talmadge sisters Norma and Constance Here are the great divas Pola Negri and Gloria Swanson the great flappers Colleen Moore and Clara Bow the great cowboys William S Hart and Tom Mix and the great lover John Gilbert Here too is the quintessential slapstick comedienne Mabel Normand with her Keystone Kops the quintessential all American hero Douglas Fairbanks and of course the quintessential all American dog Rin Tin Tin This is the first book to anatomize the major silent players reconstruct their careers and give us a sense of what those films those stars and that Hollywood were all about An absolutely essential text for anyone seriously interested in movies and with more than three hundred photographs as much a treat to look at as it is to read

Decoding **Speaking Of Silents First Ladies Of The Screen**: Revealing the Captivating Potential of Verbal Expression

Speaking Of Silents First Ladies Of The Screen Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Speaking Of Silents First Ladies Of The Screen free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Speaking Of Silents First Ladies Of The Screen free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF,"

users can find websites that offer free PDF downloads on a specific topic. While downloading Speaking Of Silents First Ladies Of The Screen free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Speaking Of Silents First Ladies Of The Screen. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Speaking Of Silents First Ladies Of The Screen any PDF files. With these platforms, the world of PDF downloads is just a click away.
