**Michael D. Oppenheim**

## **Speaking Writing Of God Jewish Philosophical Reflections On The Life With Others:**

**Speaking/Writing of God** Michael Oppenheim, 1997-05-23 Identifies and examines the central insights of Franz Rosenzweig and Emmanuel Levinas concerning the religious dimensions of the relationships between persons and extends these insights in order to explore the relevance of religious language to speak of post Holocaust Jewish life the critique of the tradition by feminist Jewish philosophers and theologians and the challenges of religious pluralism **Speaking/Writing of God** Michael Oppenheim, 2012-02-01 Speaking Writing of God explores the manner in which religious language develops in answer to the challenges and promise of three features of the life with others the encounter between persons the quest by Jewish women to be accepted including their distinctiveness otherness as women as full participants in Jewish communal life and the dialogue between Jews and non Jews Although a major stream of modern Jewish philosophy has focused on the transcendent dimension of the relationship between persons this book studies the contribution of feminist Judaism to modern Jewish philosophy and the impact of religious pluralism on Jewish religious life and thought **Contemporary**

**Psychoanalysis and Modern Jewish Philosophy** Michael Oppenheim, 2016-10-04 Relational psychoanalysis and modern Jewish philosophy have much to say about the dynamics of human relationships but there has been no detailed thorough and constructive examination that brings together these two incisive discourses Contemporary Psychoanalysis and Modern Jewish Philosophy Two Languages of Love explores the critical similarities and differences between the two disciplines casting new light on both the analytic and philosophical understandings of how relationships develop flourish and fail For psychoanalysts such as Hans Loewald Stephen Mitchell and Jessica Benjamin love is seen as a fundamental life force a key to human motivation and the transformative core of Freud's therapeutic talking cure The Jewish philosophers Franz Rosenzweig Martin Buber and Emmanuel Levinas envision love as having both a human and divine dimension expressed through the dual commandments to love God and the neighbor The two languages are brought to life through chapters that investigate the relationship between self love and love of the other the dynamics of intersubjectivity the methods and possibilities of human transformation the magical powers of language the goal of achieving a meaningful life the significance of responsibility for others and the challenge that death poses to life's fullness This multidisciplinary study drawing on psychology philosophy religion and feminism provides an important contribution to contemporary scientific and humanistic interest in the social and relational dimensions of human living The book will appeal especially to clinicians theorists and scholars of psychoanalysis philosophy of religion and Jewish studies as well as advanced students studying in these fields **Women and Gender in Jewish Philosophy** Hava Tirosh-Samuelson, 2004-06-18 Women and Gender in Jewish Philosophy is the first systematic attempt to interpret the Jewish philosophical tradition in light of feminist philosophy and to engage feminist philosophy from the perspective of Jewish philosophy Written by Jewish women who are trained in philosophy the 13 original essays presented here demonstrate that no analysis of Jewish philosophy historical or constructive can be adequate without

attention to gender categories The essays cover the entire Jewish philosophic tradition from Philo through Maimonides to Levinas and they rethink the subdisciplines of Jewish philosophy including metaphysics epistemology ethics political theory and theology This volume offers an invitation for a new conversation between feminist philosophy and Jewish philosophy as well as a novel contribution to contemporary Jewish philosophy Contributors are Leora Batnitzky Jean Axelrad Cahan Idit Dobbs Weinstein Claire Elise Katz Nancy Levene Sandra B Lubarsky Sarah Pessin Randi Rashkover Heidi Miriam Ravven T M Rudavsky Suzanne Last Stone Hava Tirosh Samuelson and Laurie Zoloth

*Jewish Philosophy and Psychoanalysis* Michael D. Oppenheim, 2006-01-01 What distinguishes one human from another What exactly does it mean to discover your true self In Jewish Philosophy and Psychoanalysis Michael Oppenheim added a modern twist to the age old theories of psychoanalyst Sigmund Freud with the interjection of Jewish Philosophy

**Jewish Philosophy for the Twenty-First Century** Hava Tirosh-Samuelson, Aaron W. Hughes, 2014-08-21 Jewish Philosophy for the Twenty First Century encourages contemporary Jewish thinkers to reflect on the meaning of Judaism in the modern world by connecting these reflections to their own personal biographies In so doing it reveals the complexity of Jewish thought in the present moment The contributors reflect on a range of political social ethical and educational challenges that face Jews and Judaism today and chart a path for the future The results showcase how Jewish philosophy encompasses the methodologies and concerns of other fields such as political theory intellectual history theology religious studies anthropology education comparative literature and cultural studies By presenting how Jewish thinkers address contemporary challenges of Jewish existence the volume makes a valuable contribution to the humanities as a whole especially at a time when the humanities are increasingly under duress for being irrelevant

**Jewish Faith and Modern Science** Norbert M. Samuelson, 2008-10-17 In Jewish Faith and Modern Science renowned Jewish philosopher and rabbi Norbert Samuelson argues that modern Jewish philosophy has died\_ that it has failed to address the challenges to traditional beliefs posed by scientific advances and is therefore no longer relevant to Jews today Samuelson confronts these challenges head on critically reflecting on how all of the forms of contemporary Judaism from orthodox to liberal to secular to new age can address questions raised by the latest scientific advances Considering questions ranging from the existence of the soul to the relationship between God and particle physics to the debate over when life begins and ends Samuelson paves the way for a rebirth of Jewish philosophy applicable to life in the modern world

*Trust and Trauma* Michael Oppenheim, 2021-04-26 This interdisciplinary text brings together perspectives from leading psychoanalysts and modern Jewish philosophers to offer a unique investigation into the dynamic between the fundamental trust in the self other persons and the world and the devastating force of emotional trauma Chapters examine the challenges of witnessing and acknowledging suffering trust in God and the traumatic effects of the Holocaust The result is a deeper understanding of the fundamental relationality of humans the imperative of responsibility for the Other the fragility of meaning and the metaphorical powers of religious language Authors representing two standpoints the psychological

psychoanalytic and the religious philosophical provide key insights Erik Erikson Jessica Benjamin Judith Herman and Bessel van der Kolk support the psychological discourse while Franz Rosenzweig Martin Buber and Abraham Joshua Heschel present the Jewish philosophical discourse This book is written for professionals and advanced students in psychoanalysis philosophy and Jewish and religious studies Its accessible and engaging style will also appeal to general readers with an interest in philosophical psychological and religious perspectives on some of the most elemental human concerns     **The Fence and the Neighbor** Adam Zachary Newton,2012-02-01 The Fence and the Neighbor traces the contours of two thinkers Emmanuel Levinas and Yeshayahu Leibowitz who crossed the divide between Talmud and philosophy proper Adam Zachary Newton shows how the question of nationalism that has so long haunted Western philosophy the question of who belongs within its fence and who outside has long been the concern of Jewish thought and its preoccupation with law limits and the place of Israel among the nations To those unfamiliar with Talmudic thought Newton shows how deeply its language and concerns shape Levinas He also offers an introduction to Leibowitz a conservative religious thinker who was an outspoken gadfly and radically critical voice in the Israeli political scene Together their common origin in Jewish Eastern Europe a common concern with national allegiance and the common fence of religious Judaism that makes them intellectual neighbors are voiced in penetrating and original dialogue     Jewish Resistance During the Holocaust J. Glass,2004-07-06 It is a common belief that Jews did nothing to resist their own fate in the Holocaust However the realities of disintegrating physical and psychological conditions and the efforts of ghetto undergrounds to counter collaborationist judenrat policies and the despair could not but lead to a breakdown in spiritual life

Immerse yourself in the artistry of words with Crafted by is expressive creation, **Speaking Writing Of God Jewish Philosophical Reflections On The Life With Others** . This ebook, presented in a PDF format ( \*), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge.
