Special Collections In College And University Libraries Clip Notes:

User Surveys in College Libraries Doreen Kopycinski, Kimberley Sando, Association of College and Research Libraries. College Library Information Packet Committee, 2007 The first edition of the CLIP Note User Surveys in College Libraries in 1995 proved to be a popular publication as libraries strive to improve their services to their user communities by attempting to discover their needs and expectations In the past ten years the use of surveys in libraries has evolved with the development of online tools and services so it was deemed appropriate to provide a second edition of this publication Using the CLIP Notes guidelines the compilers developed a survey based on that found in the 1995 User Surveys in College Libraries to allow for an historical comparison A first draft of the survey was tested on a sample group and the survey was edited based on feedback The compilers used the online tool SurveyMonkey com to manage the survey and in May 2006 invited librarians representing 251 libraries to respond garnering a response rate of 53 per cent **Library Plagiarism Policies** Vera Stepchyshyn, Robert S. Nelson, 2007 Resource for developing policies on the prevention and detection of plagiarism Provided by publisher **Special Collections in College and University Libraries** Elizabeth A. Sudduth, Nancy B. Newins, William E. Sudduth, 2005-01-01 Special collections librarians must balance the need for access and preservation against the costs of staffing cataloging and processing physical space and archival storage for a variety of formats This title focuses on policy issues facing special collections in college and small university libraries

Fundamentals of Collection Development and Management Peggy Johnson, 2018-01-16 As a comprehensive introduction for LIS students a primer for experienced librarians with new collection development and management responsibilities and a handy reference resource for practitioners as they go about their day to day work the value and usefulness of this book remain unequalled **Fundamentals of Collection Development and Management, Fourth Edition** Peggy Johnson, 2018-07-23 Technical Services Quarterly declared that the third edition must now be considered the essential textbook for collection development and management the first place to go for reliable and informative advice For the fourth edition expert instructor and librarian Johnson has revised and freshened this resource to ensure its timeliness and continued excellence Each chapter offers complete coverage of one aspect of collection development and management including numerous suggestions for further reading and narrative case studies exploring the issues Thorough consideration is given to traditional management topics such as organization of the collection weeding staffing and policymaking cooperative collection development and management licenses negotiation contracts maintaining productive relationships with vendors and publishers and other important purchasing and budgeting topics important issues such as the ways that changes in information delivery and access technologies continue to reshape the discipline the evolving needs and expectations of library users and new roles for subject specialists all illustrated using updated examples and data and marketing liaison activities and outreach As a comprehensive introduction for LIS students a primer for experienced

librarians with new collection development and management responsibilities and a handy reference resource for practitioners as they go about their day to day work the value and usefulness of this book remain unequaled **College & Research Libraries News** ,1991 **Encyclopedia of Library and Information Science, Second Edition** - Miriam Drake,2003-05-20 A revitalized version of the popular classic the Encyclopedia of Library and Information Science Second Edition targets new and dynamic movements in the distribution acquisition and development of print and online media compiling articles from more than 450 information specialists on topics including program planning in the digital era recruitment information management advances in digital technology and encoding intellectual property and hardware software database selection and design competitive intelligence electronic records preservation decision support systems ethical issues in information online library instruction telecommuting and digital library projects **The Twenty-First Century Art Librarian** Terrie Wilson,2018-10-24 Meet the challenge of operating a successful art library The Twenty First Century Art Librarian examines the unique challenges and vital administrative issues that are at the forefront of current art librarianship Librarians working in a variety of settings art academics architecture visual resources and museums address professional change and technological challenges including inadequate staffing and the need to wear multiple hats to cope with day to day responsibilities The book focuses on common practices in the field as well as the individuals who work in art libraries and the collections they maintain Instead of the standard primer on art librarianship this book is an insightful look at how art librarians are unique in terms of the clientele they serve their subject knowledge and the variety of environments in which they work The Twenty First Century Art Librarian examines pressing everyday issues including operational management staff recruitment and training managing collections public service and patrons and developing a personal care plan The Twenty First Century Art Librarian also addresses setting specific topics such as developing staffing standards at all levels working solo in small art museum libraries integrating digitization into visual resource libraries handling special collections in architecture libraries how culture and mission distinguish academic art libraries from their museum counterparts and much more The Twenty First Century Art Librarian provides library professionals and academics with a unique look at current trends in art architecture and visual resources librarianship The Routledge Encyclopedia of Walt Whitman J.R.
