Special Nature Of Women Concilium 1991 6:

Women, Earth, and Creator Spirit, Revised Edition Johnson, Elizabeth A., 2022-11 While this derives from a Madeleva lecture of the same title that was delivered in 1993 the points made and updated by Elizabeth Johnson in this revised edition of Women Earth and Creator Spirit are even more pressing today Since the 1990s the environment has only been degraded more and one could argue that the status of women has been eroded by the rise of religious fundamentalism in almost every culture Johnson draws out the links between attitudes toward women and the way we treat the natural world around us If nature is somehow perceived as feminine then it is no surprise that it is heedlessly abused and used especially when both women and the earth exist under the sovereignty of a patriarchal God **Concilium, Vol. 1991/6. The special nature of women?**, 1991 **Lonerger and Feminism** Cynthia S. W. Crysdale, 1994-01-01 While Lonergan's work has been developed and applied to a range of cultures and ideas few scholars have addressed the question of whether it is subject to feminist critique And few feminists have employed the transcendental method of Lonergan to aid the feminist scholarly agenda This collection of ten essays initiates dialogue among scholars interested in Lonergan and concerned with feminism and engages several fields of enquiry philosophy natural science human science ethics and theology Frederick E Crowe deals with the challenges involved when one applies the work of a generalist such as Lonergan to a particular set of concerns such as those of feminists Three articles by philosophers Paulette Kidder Michael Vertin and Elizabeth Morelli treat questions of epistemology and gender Cynthia Crysdale discusses women's ways of knowing from a social scientific perspective Articles by Tad Dunne and Denise Carmody deal with the question of authenticity and the criteria by which feminist truths are delineated Michael Shute examines Lonergan's work on emergent probability in light of eco feminist critiques of the great chain of being Mary Frohlich addresses the question of the theological significance of sexuality Charles Hefling examines Lonergan's Christology in reference to the feminist question of whether a male saviour can save women Lonergan invites his readers to engage in an experiment in cognitive self appropriation Lonergan and Feminism encourages this experiment **Heiden und Christen im 5. Jahrhundert** Mathijs Lamberigts, Leo Kenis, 2002 Vatican II created an experimental space to be employed by a variety of different domains The council led in addition to a new understanding of the church namely that of a church in the service of the world [The Oxford Handbook of Christianity in Asia](#) Felix Wilfred, 2014 Named by the International Bulletin of Missionary Studies as an Outstanding Book of 2014 for Mission Studies Despite the ongoing global expansion of Christianity there remains a lack of comprehensive scholarship on its development in Asia This volume fills the gap by exploring the world of Asian Christianity and its manifold expressions including worship theology spirituality inter religious relations interventions in society and mission The contributors from over twenty countries deconstruct many of the widespread misconceptions and interpretations of Christianity in Asia They analyze how the growth of Christian beliefs throughout the continent is linked with the socio political and cultural processes of colonization

decolonization modernization democratization identity construction of social groups and various social movements With a particular focus on inter religious encounters and emerging theological and spiritual paradigms the volume provides alternative frames for understanding the phenomenon of conversion and studies how the scriptures of other religious traditions are used in the practice of Christianity within Asia **The Strength of Her Witness** Johnson, Elizabeth A.,2016-06-08 The Gospel of John recounts the story of an encounter between Jesus and a Samaritan woman at the well After their conversation she goes out to tell her neighbors about the mysterious stranger and many of them believed on the strength of her witness These essays drawn from around the world reveal the many ways that women have reflected on and borne witness to the person teaching and praxis of Jesus Christ in light of their own varied contexts These contexts include their struggles for life amidst wrenching poverty racism and violence their experience of being female in male dominated structures in the church and society and their commitment to promote justice in view of the human dignity of women all done in tandem with their faith relationship with the living God *God Beyond Gender* Gail Ramshaw,1995 The debate about God language has two opposing extremes One side maintains that biblical language and masculine pronouns must be retained The other argues that female imagery for God is preferable Now Gail Ramshaw presents a third position urging the inclusion of many images for God the correction of others and the total avoidance of any pronouns Powers and Submissions Sarah Coakley,2008-04-15 In this book Sarah Coakley confronts a central paradox of theological feminism what she terms the paradox of power and vulnerability Confronts a central paradox of theological feminism what Coakley terms paradox of power and vulnerability Explores this issue through the perspective of spiritual practice philosophical enquiry and doctrinal analysis Draws together an essential collection of Sarah Coakley s work in this field Offers an original perspective into contemporary feminist theology **Women Responding to the Spirit** Coblentz, Jessica,Horan, Daniel P.,2025 This book is a one volume essential collection of selections from the annual Madeleva Lecture over the nearly four decade series of this world class program dedicated to women theologians *Walk in the Ways of Wisdom* Elisabeth Schüssler Fiorenza,Shelly Matthews,Cynthia Briggs Kittredge,Melanie Johnson-DeBaufre,2003-11-01 World renowned scholars honor Elizabeth Schüssler Fiorenza in this Festschrift
