Speculations About Jakob Selections From Anniversaries I And Ii And Other Writings:

Speculations about Jakob: Uwe Johnson Uwe Johnson, 2000-05-01 A collection of the work of Uwe Johnson It includes Speculations about Jakob a Faulknerian novel selections from Anniversaries From the Life of Gesine Cresspahl Anniversaries II From the Life of Gesine Cresspahl and the writer s essay on the Anniversaries **Anniversaries, Volume 2** Uwe Johnson, 2021-07-27 The second volume of a titanic masterpiece of twentieth century literature named one of the best books of 2019 by The New York Times critics Anniversaries Volume 2 begins on April 20 1968 Before long Marie will be devastated by the assassination of Robert F Kennedy even as the news of the Prague Spring has awakened Gesine s long dashed hopes that socialism could be a humanism Meanwhile her boss at the bank has his own ideas about Czechoslovakia and Gesine faces the prospect of having to move there for work Continuing the story of her past from Anniversaries Volume 1 Gesine describes the Soviet occupation of her hometown Jerichow where her father was installed as mayor and ended up in a brutal prison camp Gesine herself charts a rebellious course through school ever more bitterly conscious of the moral ugliness of life behind the Iron Curtain As the year of the novel comes to its end past and present converge and the novel circles back to its beginnings Gesine tells Marie about her father Jakob dead before she was born about leaving East Germany and as history threatens to take them away from New York about the beginning of their life together in the city that they have both come to love **Encyclopedia of German Literature** Matthias Konzett, 2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the Encyclopedia of German Literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition Drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in German literature culture and history and society In addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All entries conclude with a list of further readings *Understanding Uwe Johnson* Gary Lee Baker, 1999 An overview of the work of Uwe Johnson concentrating on five of his novels including Ingrid Babendererde and Two Views A chapter dedicated to his life describes the themes that concerned Johnson in his scandalized existence in both Germanys the USA and Great Britain

The Sea View Has Me Again Patrick Wright, 2020-12-08 The story of Uwe Johnson one of Germany s greatest and most influential post war writers and how he came to live and work in Sheerness Kent in the 1970s Towards the end of 1974 a stranger arrived in the small town of Sheerness on the Isle of Sheppey in Kent He could often be found sitting at the bar in the Napier Tavern drinking lager and smoking Gauloises while flicking through the pages of the Kent Evening Post Charles was the name he offered to his new acquaintances But this unexpected immigrant was actually Uwe Johnson originally from the Baltic province of Mecklenburg in the GDR and already famous as the leading author of a divided Germany What caused

him to abandon West Berlin and spend the last nine years of his life in Sheerness where he eventually completed his great New York novel *Anniversaries* in a house overlooking the outer reaches of the Thames Estuary And what did he mean by detecting a moral utopia in a town that others including his concerned friends saw only as a busted slum on an island abandoned to deindustrialisation and a stranded Liberty ship full of unexploded bombs Patrick Wright who himself abandoned north Kent for Canada a few months before Johnson arrived returns to the island that is all the world to uncover the story of the East German author's English decade and to understand why his closely observed Kentish writings continue to speak with such clairvoyance in the age of Brexit Guided in his encounters and researches by clues left by Johnson in his own island stories the book is set in the 1970s when North Sea oil and joining the European Economic Community seemed the last hope for bankrupt Britain It opens out to provide an alternative version of modern British history a history for the present told through the rich and haunted landscapes of an often spurned downriver mudbank with a brilliant German answer to Robinson Crusoe as its primary witness Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004

Speaking the Unspeakable in Postwar Germany Sonja Boos,2015-03-10 In this an interdisciplinary study of a diverse set of public speeches given by major literary and cultural figures in the 1950s and 1960s Sonja Boos demonstrates that these speakers both facilitated and subverted the construction of a public discourse about the Holocaust in postwar West Germany

American Book Publishing Record R.R. Bowker Company,1978 The Life and Work of Gunter Grass J. Preece,2016-01-08 This book traces the career of the most widely read and influential German novelist in the second half of the Twentieth century It shows in particular how his experiences as a teenage Nazi shaped his thinking both in his novels and his role as critic and campaigner from *The Tin Drum* 1959 his most famous novel to *My Century* 1999 from his public protest against the building of the Berlin Wall 1961 to his diatribes against Helmut Kohl in the late 1990s This new paperback edition includes new material on his last two books *My Century* and *Crabwalk* including a revised Bibliography and Chronology

Modern German Literature Michael Minden,2013-04-30 This accessible and fresh account of German writing since 1750 is a case study of literature as a cultural and spiritual resource in modern societies Beginning with the emergence of German language literature on the international stage in the mid eighteenth century the book plays down conventional labels and periodisation of German literary history in favour of the explanatory force of international cultural impact It explains for instance how specifically German and Austrian conditions shaped major contributions to European literary culture such as Romanticism and the language scepticism of the early twentieth century From the First World War until reunification in 1990 Germany's defining experiences have been ones of catastrophe The book provides a compelling overview of the different ways in which German literature responded to historical disaster They are first Modernism the Literature of Negation second the literature of totalitarian regimes Third Reich and German Democratic Republic and third the various creative strategies and evasions of the capitalist democratic multi medial cultures of the Weimar and Federal Republics The volume achieves a

balance between textual analysis and cultural theory that gives it value as an introductory reference source and as an original study and as such will be essential reading for students and scholars alike
