Turk,2012-02 In this third and final volume of Julia Turk s Navigator s Dream series the Navigator makes one final voyage into the realm of tarot to ultimately find enlightenment but it will be much more difficult than a simple turn of the cards for our psychiatrist turned philosopher and mystic In Seaside the hero ascends into the Major Arcana of the tarot deck via a sailboat led by the Higher Self of the Navigator known as Guide Joined together with a motley crew the sailboat takes the Navigator and Guide deep within the islands or Sephiroth of the Mystic SEA These are not tropical islands intended for peace and comfort each island is different than the last and each carries a mystery that must be unraveled Although the Navigator has learned much amidst the tarot cards has the hero learned enough to make it home Externally the Navigator has difficulties but internally there are problems as well as the riddles unravel so do the deeply held psychological issues of the Navigator By the end the mysteries of the Major Arcana might be solved but will the Navigator be able to heal the wounds built prior to the tarot adventure Harper and the Night Forest Cerrie Burnell,2017-03-02 A beautifully written tale by CBeebies presenter Cerrie Burnell stunningly illustrated by

Laura Ellen Anderson Harper and her friends get to visit the mysterious Night Forest and it is rumoured that a magical Ice Raven lives amongst the ebony trees Will the children try to capture it Or give it freedom The third title in the series **My Friend the Raven** Mohamed Hasan Alharbi,2013-08-06 I have always been haunted by the notion of hatred which not only looks unjustifiable in my view but also encourages people to commit murder a crime which has mostly been preceded by hatred and incitement I have never believed in the saying without hatred humanity would not have known love or passion This saying proved to be futile in reality To prove this all monotheistic religions came to promote tolerance and spread love among human beings Personally I still tend to believe that man is born to love however over time people have been taught to hate Up to this moment my belief has never changed that love is the core of humanity while hatred is an acquired value In some cases though hatred might be justified the fear instinct for instance may drive one to hate the source of that fear You may like a lion when it is inside the cage However once that cage is open the lion becomes a threat to your life But for a human being to hate another human being or even an animal for no reason other than what has been said in some old books is from my point of view a misfortune Some hatred is based on unfounded narrations which could be no more than witchcraft However the world still lives with the results of that terrifying growing hatred Entire peoples hate each other without even examining the real reasons behind that hatred In our Arab region where nations of many origins co exist we tend to get rid of what we hate forever be it human being or animal which could cause civilization disruption and psychological shock I found out that the raven could be used to symbolize this idea Not only is this bird so peaceful but also friend to peasants and environment It has good social behaviors and embraces collaboration and team spirit It learns from its own mistakes through error it goes deep in hatred a notion which increasingly controls people s stances and behaviors regardless of their origin color or tongues **Carmen Dreams** Chantilly Harrell,Keith Johnson,2010-09-07 I am about to tell you the truth that will blow your mind You are about to learn the secret about life You will be told the truth about Unidentified flying objects You will learn secrets that was omitted from the bible You will live the nightmare of the Rapture and the last eight hours of your life on planet Earth Your world governments is keeping a secret so the world don t go mad Now the time has come to tell you humans on planet Earth the truth Learn how to save your soul on this last historical holy night I am not alone in my quest to lift the veil from your eyes and there will be more Principalities of Enlightenment from The World of Spanton whose writings will help awake your sleeping planet We are of Third Hierarchy to I AM and we will face and endure with his courage what is to come All of this will very soon be gone The decision for me to write this scroll was made with great levity My original intent was to publish my journal as an autobiography However the combined efforts of Rome Israel and the government in North America ensured that would not be so It had to be addressed as fiction or not be addressed at all You are about to meet your maker nonetheless your maker want to meet you Before you discount all I am going to tell you as the delusional ravings of a mad woman let me first tell you who I am My name is Carmen Dreams and this is my testament or should I say

your fate
