Spell Of Apocalypse:

Spell of Apocalypse Mayer Alan Brenner,1994 In the zany conclusion of The Dance of Gods tetralogy the various warring factions of good and evil come together to resolve their separate destinies Original **Spell of Apocalypse** Mayer Alan Brenner,2016-08-11 Whose magic will prove mightiest in this final showdown between gods mortals and other beings

Spell of Apocalypse Mayer Alan Brenner,2018-02 Will Maximillian the Vaguely Disreputable give magic to the masses Will the Creeping Sword find out who he really is Will the warring factions of the gods come to their senses before all is lost Mayer Alan Brenner masterfully pulls all the loose ends together in this fireworks loaded finale fourth in The Dance of Gods series We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *Knight in a Strange Realm: An Epic Fantasy GameLit LitRPG Adventure* Russell Hasan,101-01-01 The Sage Welcome You are now inside a fantasy RPG video game Your quest defeat the Four Accusations the four evil demons who rule our world holding us humans hostage to their monster minions and forcing us all to live in terror Their names are Emerald Lord of Earth Ruby Queen of Fire Sapphire Goddess of Water and Diamond Master of Air If you defeat them you win access to a secret realm where you will face the final boss the King of the Demons whose name is the Accuser Once you win the game you unlock the mythical Land of Light where all your wishes are granted But be warned you have only thirty days in which to win the game If time runs out you die If monsters deal enough damage to you to lower your health to zero you die And if you fall victim to the puzzles and traps in the many dungeons and castles of our world you die Good luck The Nameless Knight Ever since some strange magic spell teleported me from my nice life back on Planet Earth into the inside of this fantasy RPG video game it s been a grind The monsters are difficult the puzzles are brutal even the NPC interactions challenge me and the Four Accusations are so overpowered I can t seem to figure out a way to defeat any one of them much less all four despite my quests to level up and get the best items and skills It doesn t help that I was assigned a class of Knight when I entered the game so my character can t even cast spells although if I kill monsters to farm gold I can buy magical weapons and armor and I might also be able to add magic user NPCs to my party later in the game if I live long enough to unlock that ability If I don t beat the game within thirty days I ll die and my soul will be trapped inside this fantasy RPG video game forever I don t even know why I was brought here other than to save their world from evil but

the clues of the mystery seem to reveal that it has something to do with God and religion because the Accuser might really be the Devil and I might be in Hell This novel contains 1 A complete standalone story 2 A hard crunchy LitRPG with explicit stats abilities items HP and EXP 3 A human cishe male main character protagonist with several NPC secondary characters of various races and genders 4 Lots of fantasy RPG combat with many different types of monsters and foes 5 Five fantasy realms to explore with multiple quests and side quests 6 The hero making choices that have life or death consequences and 7 A meaningful quest for enlightenment that s central to the hero s path to victory Press Enter to Start Game **C's Legend**
