J. King

Spence Lila:

Spence + Lila Bobbie Ann Mason, 1989 This unexpected love story outlines the culture shock of a farm couple in a hi tech medical world Lila s two week stay in the hospital provides the focus for the ways they have loved and cherished each other for 46 years **Spence Plus Lila** Bobbie Ann Mason, 1988 **Understanding Bobbie Ann Mason** Joanna Price, 2000 An analysis introducing Mason s nonfiction prose short stories and novels Price sheds light on the writer s distinctive style and thematic concerns in her writings about contemporary Western Kentucky Discourses of Ageing in Fiction and Feminism J. King, 2012-11-13 This book explores the way older women are represented in society Through close readings of novels by major 20th century novelists compared with the more dominant representations of female ageing to be found in popular culture it suggests that they offer a feminist understanding of the invisible woman sometimes lacking in feminism itself Nancy Culpepper Bobbie Ann Mason, 2007-12-18 Kentucky native Nancy Culpepper boldly left home to attend school in Massachusetts married a Yankee and raised her son in the Northeast One day I was feeding chickens and listening to Hank Williams and the next day I was expected to know what wines went with what she tells her husband Jack Yet no matter where she travels her rural southern heritage is never far from her thoughts her habits and her heart Nancy is on a lifelong quest to understand her place in the world Returning home to the family farm she searches for photographic evidence of an ancestor bearing her own name Still in her jeans she brings home strange ideas and an assertiveness she learned up north Always adventurous Nancy travels far and wide searching seeking The narrative sweep of her life traverses the turbulent sixties the Vietnam War the eighties and the foreboding death of John Lennon and finally the new millennium when a self assured Nancy finally emerges These humorous and often touching stories recount her courtship and marriage to Jack her relationship with her precocious son and the deep loving bond between her parents Spence and Lila Culpepper Eventually Nancy s marriage is threatened by a cultural divide that plagued her and Jack from the start But when she inherits the Culpepper family farm and discovers more pieces of her ancestral puzzle she realizes that her life is assuming its proper shape Later standing on a lonely mountain in England she sees the world from a surprising perspective Bestselling author Bobbie Ann Mason s prizewinning Nancy Culpepper chronicles have appeared in The New Yorker The Boston Globe The Southern Review and other distinguished literary anthologies She has compiled these stories into one definitive collection which includes the novella Spence Lila two new never before published stories and one Pushcart Prize winner Heartfelt and thought provoking Nancy Culpepper is a poignant depiction of change and growth in a modern day heroine

Maternal Body and Voice in Toni Morrison, Bobbie Ann Mason, and Lee Smith Paula Gallant Eckard, 2002

Show Don't Tell William Noble, 2013-11-13 If one hears one thing from every single writing instructor it s Show don t tell Don t tell us he s afraid of losing her show us Don t tell us it s a richly decorated room show us Don t tell us the Russian tundra is cold show us Easier said than done and no one ever wrote a book on how to do it that is until William Noble wrote

this classic work a decade ago From the use of dialogue to employing melodrama to developing incidents and anecdotes Show Don t Tell explains how to entertain your readers instead of lecturing to them Written in Noble s absorbing voice Show Don t Tell illustrates how to develop a dramatic framework using similes and metaphors a focused point of view steady pacing increasing tension and an appeal to the senses to create solid dramatic impact In other words how to show not tell Perfect for novelists short story writers and those interested in writing creative nonfiction The History of Southern Women's Literature Carolyn Perry,Mary Weeks-Baxter,2002-03-01 Many of America s foremost and most beloved authors are also southern and female Mary Chesnut Kate Chopin Ellen Glasgow Zora Neale Hurston Eudora Welty Harper Lee Maya Angelou Anne Tyler Alice Walker and Lee Smith to name several Designating a writer as southern if her work reflects the region s grip on her life Carolyn Perry and Mary Louise Weeks have produced an invaluable guide to the richly diverse and enduring tradition of southern women s literature Their comprehensive history the first of its kind in a relatively young field extends from the pioneer woman to the career woman embracing black and white poor and privileged urban and Appalachian perspectives and experiences The History of Southern Women s Literature allows readers both to explore individual authors and to follow the developing arc of various genres across time Conduct books and slave narratives Civil War diaries and letters the antebellum postbellum and modern novel autobiography and memoirs poetry magazine and newspaper writing these and more receive close attention Over seventy contributors are represented here and their essays discuss a wealth of women s issues from four centuries race urbanization and feminism the myth of southern womanhood preset images and assigned social roles from the belle to the mammy and real life behind the facade of meeting others expectations poverty and the labor movement responses to Uncle Tom s Cabin and the influence of Gone with the Wind The history of southern women s literature tells ultimately the story of the search for freedom within an insidious tradition to quote Ellen Glasgow This teeming volume validates the deep contributions and pleasures of an impressive body of writing and marks a major achievement in women s and literary studies **After Southern Modernism** Matthew Guinn,2011-06-14 The literature of the contemporary South might best be understood for its discontinuity with the literary past At odds with traditions of the Southern Renaissance southern literature of today sharply refutes the Nashville Agrarians and shares few of Faulkner s and Welty s concerns about place community and history This sweeping study of the literary South s new direction focuses on nine well established writers who by breaking away from the firmly ensconced myths have emerged as an iconoclastic generation Harry Crews Dorothy Allison Bobbie Ann Mason Larry Brown Kaye Gibbons Randall Kenan Richard Ford Cormac McCarthy and Barry Hannah Resisting the modernist methods of the past they have established their own postmodern ground beyond the shadow of their predecessors This shift in authorial perspective is a significant indicator of the future of southern writing Crews s seminal role as a ground breaking poor white author Mason s and Crews s portrayals of rural life and Allison s and Brown s frank portrayals of the lower class pose a challenge to traditional depictions of the South The

dissenting voices of Gibbons and Kenan who focus on gender race and sexuality create fiction that is at once identifiably southern and also distinctly subversive Gibbons's iconoclastic stance toward patriarchy like the outsider's critique of community found in Kenan's work proffers a portrait of the South unprecedented in the region's literature Ford McCarthy and Hannah each approach the South's traditional notions of history and community with new irreverence and treat familiar southern topics in a distinctly postmodern manner Whether through Ford's generic consumer landscape the haunted netherworld of McCarthy's southern novels or Hannah's riotous burlesque of the Civil War these authors assail the philosophical and cultural foundations from which the Southern Renaissance arose Challenging the conventional conceptions of the southern canon this is a provocative and innovative contribution to the region's literary study **Romancing the Holiday** HelenKay Dimon,Christi Barth,Jaci Burton,2012-12-03 We wish you a merry Christmas and a happily ever after A memorable three night stand gets rekindled in a cabin in West Virginia An office romance is sparked by an impulsive holiday kiss And two best friends scout locations for a marriage proposal and discover that they make a perfect match Tis the season for laughter love and a lifetime of happiness Edited by Angela James this anthology includes We'll Be Home for Christmas by HelenKay Dimon The Best Thing by Jaci Burton Ask Her at Christmas by Christi Barth Stories also available for purchase separately 90 000 words

Spence Lila Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change. Such may be the essence of the book **Spence Lila**, a literary masterpiece that delves deep in to the significance of words and their impact on our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book is key themes, examine its writing style, and analyze its overall impact on readers.
