Spending Wisely Buying Health Services For The Poor:

Spending Wisely Alexander S. Preker, Jack Langenbrunner, 2005 This publication examines how public spending on health care can be made more efficient and equitable in developing countries focusing on strategic purchasing and contracting of services from non governmental providers It is divided into six sections under the headings of the conceptual framework how to make strategic purchasing pro poor purchasing health services purchasing inputs supply demand and markets legal and regulatory issues *Spending Wisely* Alexander S. Preker, 2008 *Global Marketplace for Private Health Insurance* Alexander S. Preker, Peter Zweifel, Onno P. Schellekens, 2009-11-18 Financial protection against the cost of illness and inclusion of vulnerable groups will require better mobilization and use of private means Private voluntary health insurance already plays an important role in mobilizing additional resources to the health sector and protecting against the catastrophic cost of illness in some countries This review explores the context under which private voluntary health insurance could contribute to an improvement in the sustainability of the health sector and financial protection in other countries World Scientific Handbook Of Global Health Economics And Public Policy (A 3-volume Set) Richard M Scheffler, 2016-01-28 Understanding global health economics and policy has never been so important This remarkable three volume collection of chapters is sure to become the standard on health economics and health policy around the world David Cutler Otto Eckstein Professor of Applied Economics Harvard University This Handbook covers major topics in global health economics and public policy and provides a timely systematic review of the field Edited by Richard M Scheffler Distinguished Professor of Health Economics and Public Policy and Director of the Global Center for Health Economics and Policy Research at the University of California Berkeley the Handbook features academics and practitioners from more than a dozen countries Contributors are from the London School of Economics and Political Science Pompeu Fabra University in Barcelona University of York University of Oslo London School of Hygiene and Tropical Medicine University of California Berkeley Stanford University Johns Hopkins University University of Toronto University of Oxford Harvard Medical School OECD the World Health Organization and the World Bank many of whom have also acted as economic and policy advisors to government and non governmental organizations across the world Experts in these areas who provide critical analyses and relevant data for further exploration and research include Thomas E Getzen Executive Director of the International Health Economics Association iHEA Douglas E Hough Associate Scientist and Associate Director of the Master in Healthcare Management programme at the Bloomberg School of Public Health of John Hopkins University Guillem Lopez Casasnovas former President of iHEA and member of the Advisory Council of the Spanish Health and Social Welfare Ministry and of the Advisory Council of the Catalan Health Ministry since 1984 Alistair McGuire Professor of Health Economics at the London School of Economics and Political and advisor to a number of governments and governmental bodies across Europe Tor Iversen Research Director at the Health Economics Research Programme at the University of Oslo and former member of the

iHEA Arrow Award Committee 2007 2011 William H Dow Professor and Associate Dean for Research at University of California Berkeley and former Senior Economist for the Council of Economic Advisors White House Audrey Laporte the Director of the Canadian Centre for Health Economics Alexander S Preker President and CEO of Health Investment Ayda Yurekli who initiated and developed the World Health Organization TaXSiM simulation model that has been used by many Ministries of Finance around the world for the development of tax policies Marko Vujcic Managing Vice President of the Health Policy Resources Center at the American Dental Association Mark Sculpher Director of the Programme on Economic Evaluation and Health Technology Assessment at the University of York and former President of the International Society of Pharmacoeconomics and Outcomes Research ISPOR 2011 2012 and Peter Berman who has had almost 40 years of experience in global health and was formerly a Lead Health Economist at the World Bank The Handbook spans across three volumes The chapters deal with key global issues in health economics are evidence based and offer innovative policy alternatives and solutions The Handbook s approach toward global health economics and public policy will make it a useful resource for health economists policymakers private sector companies NGOs government decision makers and those who manage healthcare systems

Designing and Implementing Health Care Provider Payment Systems

Jack Langenbrunner, Cheryl Cashin, Sheila O'Dougherty, 2009-01-01 Strategic purchasing of health services involves a continuous search for the best ways to maximize health system performance by deciding which interventions should be purchased from whom these should be purchased and how to pay for them In such an arrangement the passive cashier is replaced by an intelligent purchaser that can focus scarce resources on existing and emerging priorities rather than continuing entrenched historical spending patterns Having experimented with different ways of paying providers of health care services countries increasingly want to know not only what to do when paying providers but also how to do it particularly how to design manage and implement the transition from current to reformed systems Designing and Implementing Health Care Provider Payment Systems How To Manuals addresses this need The book has chapters on three of the most effective provider payment systems primary care per capita capitation payment case based hospital payment and hospital global budgets It also includes a primer on a second policy lever used by purchasers namely contracting This primer can be especially useful with one provider payment method hospital global budgets The volume s final chapter provides an outline for designing launching and running a health management information system as well as the necessary infrastructure for strategic purchasing

Before the UN Sustainable Development Goals Martin Gutmann, Daniel Gorman, 2022 This volume examines the legacies and historical context of the UN Sustainable Development Goals The complex background of relationships actors and institutions of the several goals are explored in detail by international experts from a range of disciplines

Efficiency of Health System Units in Africa Kirigia, Joses Muthuri, 2015-03-16 Despite sending huge sums of money on health every year the African region s burden of disease is persistently high Most of the countries in the region are lagging behind in achieving the health

related United Nations Millennium Development Goals The African region's dismal health situation has largely been blamed on weakness pertaining to such factors as health leadership and governance service delivery health workforce medicines vaccines and health technologies health information and health system financing that have undermined the capacity of health systems of countries in the region to improve population health without wastage of resources Institutionalising health system efficiency monitoring as a basis for the design and implementation of appropriate policy interventions has been proposed as an effective way of curbing wastage of health system inputs

Efficiency of Health System Units in Africa A Data Envelopment Analysis is the first book of its kind on application of the data envelopment analysis technique to examine the efficiency of health system decision making units in Africa The book interlaces lecture notes with research articles and case studies to equip students and practitioners of economics operations research management science and public health with knowledge and skills for undertaking technical efficiency cost efficiency and total factor productivity analyses

Textbook of Global Health Anne-Emanuelle Birn, Yogan Pillay, Timothy H. Holtz, 2017-01-24 THE CRITICAL WORK IN GLOBAL HEALTH NOW COMPLETELY REVISED AND UPDATED This book compels us to better understand the contexts in which health problems emerge and the forces that underlie and propel them Archbishop Emeritus Desmond Mpilo Tutu H1N1 Diabetes Ebola Zika Each of these health problems is rooted in a confluence of social political economic and biomedical factors that together inform our understanding of global health The imperative for those who study global health is to understand these factors individually and especially synergistically Fully revised and updated this fourth edition of Oxford's Textbook of Global Health offers a critical examination of the array of societal factors that shape health within and across countries including how health inequities create consequences that must be addressed by public health international aid and social and economic policymaking The text equips students activists and health professionals with the building blocks for a contextualized understanding of global health including essential threads that are combined in no other work historical dynamics of the field the political economy of health and development analysis of the current global health structure including its actors agencies and activities societal determinants of health from global trade and investment treaties to social policies to living and working conditions the role of health data and measuring health inequities major causes of global illness and death including under crises from a political economy of health vantage point that goes beyond communicable vs non communicable diseases to incorporate contexts of social and economic deprivation work and globalization the role of trade investment and financial liberalization precarious work and environmental degradation and contamination principles of health systems and the politics of health financing community national and transnational social justice approaches to building healthy societies and practicing global health ethically and equitably Through this approach the Textbook of Global Health encourages the reader be it student professional or advocate to embrace a wider view of the global health paradigm one that draws from political economy considerations at community national and transnational levels It is essential and current reading for anyone

working in or around global health **Social Health Insurance for Developing Nations** R. Paul Shaw, 2007-01-01
Specialist groups have often advised health ministers and other decision makers in developing countries on the use of social health insurance SHI as a way of mobilizing revenue for health reforming health sector performance and providing universal coverage This book reviews the specific design and implementation challenges facing SHI in low and middle income countries and presents case studies on Ghana Kenya Philippines Colombia and Thailand **Healthy Development**
, 2007-01-01 After an extensive consultative process with governments and global partners including civil society organizations and bilateral and multilateral organizations the World Bank's new health nutrition and population strategy aims to help developing countries strengthen their health systems and improve the health and well being of millions of the world's poorest people boost economic growth reduce poverty caused by catastrophic illness and provide the structural glue that supports multiple health related programs within countries BOOK JACKET

Spending Wisely Buying Health Services For The Poor Introduction

In today's digital age, the availability of *Spending Wisely Buying Health Services For The Poor* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Spending Wisely Buying Health Services For The Poor* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Spending Wisely Buying Health Services For The Poor* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Spending Wisely Buying Health Services For The Poor* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Spending Wisely Buying Health Services For The Poor* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Spending Wisely Buying Health Services For The Poor* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature

enthusiasts. Another popular platform for Spending Wisely Buying Health Services For The Poor books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Spending Wisely Buying Health Services For The Poor books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Spending Wisely Buying Health Services For The Poor books and manuals for download and embark on your journey of knowledge?

FAQs About Spending Wisely Buying Health Services For The Poor Books

1. Where can I buy Spending Wisely Buying Health Services For The Poor books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
