Collected works of Josquin des Prez Josquin (des Prez),1987 **New Josquin Edition: Secular works for four voices** Josquin (des Prez),1991 Music as Concept and Practice in the Late Middle Ages Reinhard Strohm,Bonnie J. Blackburn,2001 Music as Concept and Practice in the Late Middle Ages is an entirely new addition to the New Oxford History of Music series rather than a revision of the volume s predecessor published in 1960 It takes account not only of the developments in late medieval music scholarship during the latter decades of the twentieth century but also of the experience gained through significant changes in the performance practice of the late medieval repertory witnessed during this period All the chapters include areas of discussion whose coverage in the series hitherto has been either wholly lacking or at best marginal Muslim and Jewish musical traditions of the Middle Ages late medieval office chant medieval dance music musical instruments in society music in Central and Eastern Europe music theory of the fourteenth and fifteenth centuries music and early Renaissance humanism The first chapter and the last three present the conceptualization of music in speculative theory philosophy compositional and didactic practice and musical historiography Four chapters and part of the first illustrate important musical repertories and genres as they were developed within diverse societies The eight authors all of them with a long standing interest in their respective subjects have created through their collaboration a blend of mature scholarship and original investigation The volume s novelty of approach and content is complemented by a firm anchorage in the specialist literature and documentary source material Today no single view of the Middle Ages can be acceptable to the musician or to the historian The present volume which addresses itself to both provides solid information on formerly marginal themes and advocates further exploration of the other Middle Ages

Pierre de la Rue and Musical Life at the Habsburg-Burgundian Court Honey Meconi,2003 Pierre de la Rue composer at the grande chapelle of the Habsburg Burgundian court for nearly a quarter of a century composed for one of the leading musical institutions of his day Serving successive rulers Maximilian I Philip the Fair Juana of Castile Marguerite of Austria and the future Charles V La Rue surpassed a dozen composer colleagues in his creation of polyphony to meet the needs of the court and its extravagant liturgy Honey Meconi presents the first ever study in English of la Rue s life and career exploring aspects of his compositional output and highlighting the reawakening of modern scholarship to his unique contribution Extensive documentation of the events of his life and a complete record of the transmission of his music across Europe make this study essential for everyone studying the musical court in Europe at the turn of the 16th century *Forthcoming Books* Rose Army,1983 Doctoral Dissertations in Musicology ,1984 **Mendacity and the Figure of the Liar in Seventeenth-Century French Comedy** Emilia Wilton-Godberfforde,2017-06-14 The first book length study devoted to this

topic Mendacity and the Figure of the Liar in Seventeenth Century French Comedy offers an important contribution to scholarship on the theatre as well as on early modern attitudes in France specifically on the subject of lying and deception Unusually for a scholarly work on seventeenth century theatre it is particularly alert to plays as performed pieces and not simply printed texts The study also distinguishes itself by offering original readings of Moli re alongside innovative analyses of other playwrights The chapters offer fresh insights on well known plays by Moli re and Pierre Corneille but also invite readers to discover lesser known works of the time by writers such as Benserade Thomas Corneille Dufresny and Rotrou Through comparative and sustained close readings including a linguistic and speech act approach a historical survey of texts with an analysis of different versions and a study of irony the reader is shown the manifest ways in which different playwrights incorporate the comedic tropes of lying and scheming confusion and unmasking Drawing particular attention to the levels of communicative or mis communicative exchanges on the character to character axis and the character to audience axis this work examines the process whereby characters in the comedies construct narratives designed to trick misdirect dazzle confuse or exploit their interlocutors In the different incarnations of seducer parasite cross dresser duplicitous narrator messenger and deluded mythomaniac the author underscores the way in which the figure of the liar both entertains and troubles making it a fascinating subject worthy of detailed investigation **Comprehensive Dissertation**

Index ,1984 **Clément Janequin** Rolf Norsen,2024 Cl ment Janequin s spectacular entertainment chansons jump started French music printing spread his fame across sixteenth century Europe and earned him lasting success with vocal ensembles and audiences around the world Cl ment Janequin was the musical poster boy for the Valois kings of France a bestseller for the fledgling sixteenth century music printing industry and notwithstanding his status as an ordained priest a major supplier of hymn style harmonizations of Huguenot melodies Ever since the sixteenth century vocal ensembles have embraced his barking dogs chirping birds and thundering horse hoofs and then moved beyond the bird and battle songs to a repertory rich in lyric beauty and Rabelaisian wit This first in depth biography looks at Janequin s revolutionary approach to entertainment music his pioneer status in the developing music printing industry and his contributions to sacred music in the turmoil that followed the Reformation including the first known hymn style harmonization of what became known as Old One Hundredth It traces his early life in Bordeaux Lu on Auch and Angers during the period when Pierre Attaingnant made Janequin a central name in early French music publishing and subsequently the composer s transition to Paris where as the first composer to make the attempt he put his revenues from music printing from the firms of Nicolas Du Chemin and Le Roy Ballard at the core of his economic survival strategy Recounted with both scholarly detail and Janequinian humor the volume includes an extensive selection of musical examples Catalogue of the General Assembly Library of New Zealand New Zealand.
