her modern day angst into something timeless moving and unfailingly funny **Girl on Girl** Sophie Gilbert, 2025-04-29
Named a most anticipated book of Spring by Washington Post Harper's Bazaar Marie Claire Bustle LitHub Our Culture
Kirkus AV Club and WNYC From Atlantic critic and Pulitzer Prize finalist Sophie Gilbert a blazing critique of early aughts pop
culture What happened to feminism in the twenty first century This question feels increasingly urgent in a moment of cultural
and legislative backlash when widespread uncertainty about the movement's power focus and currency threatens decades of
progress Sophie Gilbert identifies an inflection point in the late 1990s and early 2000s when the energy of third wave and
riot grrrl feminism collapsed into a regressive period of hyper objectification sexualization and infantilization Mining the
darker side of nostalgia Gilbert trains her keen analytic eye on the most revealing cultural objects of the era across music
film television fashion tabloid journalism and more What she recounts is harrowing from the leering gaze of the paparazzi to
the gleeful cruelty of early reality TV and a burgeoning internet culture vicious toward women in the spotlight and damaging
for those who weren't Gilbert tracks many of the period's dominant themes back to the rise of internet porn which gained
widespread influence as it began to pervade our collective consciousness The result is a devastating portrait of a time when a
distinctly American blend of excess materialism and power worship collided with the culture's reactionary puritanical and
chauvinistic currents Amid a collective reconsideration of the way women are treated in public Girl on Girl is a blistering
indictment of the matrix of misogyny that undergirded the cultural production of the early twenty first century and continues
to shape our world today **Digesting Femininities** Natalie Jovanovski, 2017-07-18 This volume addresses how the
rhetoric of feminist empowerment has been combined with mainstream representations of food thus creating a cultural
consciousness around food and eating that is unmistakably pathological Throughout Natalie Jovanovski discusses key texts
written by women for women best selling diet books popular cookbooks produced by female food celebrities and iconic
feminist self help texts This is the first book to engage in a feminist analysis of body policing food trends that focus
specifically on the use of feminist rhetoric as a harmful aspect of food culture There is a smorgasbord of seemingly diverse
gender roles for women to choose from but many encourage breaking gender norms and embracing a love of food while
perpetuating old narratives of guilt and restraint Digesting Femininities problematizes the gendering of food and eating and
challenges the reader to imagine what a genderless and emancipatory food culture would look like **A Life in Balance**
