intellectual snob Heavy expounds on his soapbox that the arts have been kept away from the working class that they and society at large need saving from rampant materialism and its attendant viciousness by a good dose of the spiritual values that only poetry art theatre and classical music can offer Then follows two chapters that develop the character of Skunk and Benjamin Skunk a self appointed sexual conqueror of women has the tables turned on him when he encounters an educated beautiful but unbalanced seductress when called to fix her washing machine that supposedly has electrocuted her dog Benjamin is sent home sick from rehearsal accompanied by fellow actor Sally Frinton Jones His malaise is psychological for he is disillusioned by the theatre and his performance in it By this time Heavy has Bruce believing in his ideas about the need to educate the common masses in the arts Benjamin also a convert to Heavy s renaissance through Bruce s dogmatism cannot persuade Sally of the practicality of those ideas Bruce goes into action by piping Beethoven s 5th Symphony into the motor assembly shop at General Turbines where 300 women work The music is well received but when his report on allowing the foundryworkers time off to listen to writers actors and poets is read by the crass managing director Mr Crumhorn Bruce is fired on the spot Undaunted Bruce Benjamin and fifteen members of the arts world are smuggled into the factory and along with Heavy begin teaching the foundryworkers the elements and meaning of theatre music and poetry At a de briefing after this first experiment it is deemed a total failure by all except Heavy who urges continuance and patience with what has been started Bruce runs out of money and needs a job so he buys a taxi and pumps beer in a local pub By now he is friendly with Sally and one night while driving her to rehearsal they make a detour to track Skunk around Soho He makes a subterranean disappearance into a strip joint Bruce and Sally follow but only find Monique of the Louvre doing her erotic show Bruce as expected registers his disgust but follows Monique to the dressing area and there finds Skunk who turns out to be the proprietor of the establishment Bruce unbends a little and ends up taking Monique real name Penelope Scragg back to her seedy flat As when he first found Heavy reading poetry in the foundry he is surprised again when Monique plays him her favorite piece of music Mozart s Eine Kleine Nachtmusik Bruce begins to see Penelope with different eyes and he and Heavy take her to a concert at the Royal Festival Hall She learns of the Renaissance Group s activities and is highly amused until Bruce wants her to join the group He wants her and Skunk to soften the degrading aspects of the strip joint by requiring its customers to enter an adjoining room after the performance and receive spiritual renewal in the guise of poetry music and art Penelope laughs her head off but Skunk smells money in it and gives it a try Love blooms between Sally and Benjamin and they decide to get married Bruce s relationship with Penelope deepens and all is going well with the artistic education of

account of one woman's unlikely apprenticeship on a national park trail crew and what she discovers about nature gender and the value of hard work Christine Byl first encountered the national parks the way most of us do on vacation But after she graduated from college broke and ready for a new challenge she joined a Glacier National Park trail crew as a seasonal traildog maintaining mountain trails for the millions of visitors Glacier draws every year Byl first thought of the job as a paycheck a summer diversion a welcome break from the real world before going on to graduate school She came to find out that work in the woods on a trail crew was more demanding more rewarding more real than she ever imagined During her first season Byl embraces the backbreaking difficulty of the work learning how to clear trees move boulders and build stairs in the backcountry Her first mentors are the colorful characters with whom she works the packers sawyers and traildogs from all walks of life along with the tools in her hands axe shovel chainsaw rock bar As she invests herself deeply in new

work the mountains rivers animals and weather become teachers as well While Byl expected that her tenure at the parks would be temporary she ends up turning this summer gig into a decades long job moving from Montana to Alaska breaking expectations including her own that she would follow a professional career path Returning season after season she eventually leads her own crews mentoring other trail dogs along the way In Dirt Work Byl probes common assumptions about the division between mental and physical labor women s work and men s work white collars and blue collars The supposedly simple work of digging holes dropping trees and blasting snowdrifts in fact offers her an education of the hands and the head as well as membership in an utterly unique subculture Dirt Work is a contemplative but unsentimental look at the pleasures of labor the challenges of apprenticeship and the way a place becomes a home
