Peaks on the

Horizon Charlie Carroll, 2015-02-10 Charlie Carroll's obsession began with his chance discovery of *Seven Years in Tibet* in the Adult Reading section of his grade school library. The battered hardcover with faded gold lettering sparked a twenty year obsession with Tibet and after combing through every book, article and documentary on the mysterious and controversial nation, Charlie finally decided it was time to stop reading other people's records and thoughts. A high school English teacher by then, he took a sabbatical and set out to experience the shrouded land for himself. Contending with Chinese bureaucracy, unforgiving terrain and sickness inducing altitude, Charlie sought entrance to twenty first century Tibet in all its heart stopping beauty. The same year Charlie was browsing library shelves, Tibetan born Lobsang was crossing the Himalayas on foot, enduring to flee the volatile region with his family at the young age of five. An exile in Nepal with an ear for languages, then a university student in India, he followed the love of his life back to their home country, only to be separated by China's harsh political backlash. In a teahouse at the border between China and Tibet, Lobsang met Charlie and recounted his extraordinary life story exemplifying the hardship, resilience and hope of modern Tibetan life. ***Rgyalrong Conservation and Change: Social Change On the Margins of Tibet*** David Burnett, 2014-11-25 The explosive growth of China's economy since the late 1970s has impacted the whole world, including the minority peoples in the west of China, people like the Qiang, Tibetans and Yi. Based on fieldwork in the high valleys of the eastern margins of the Qinghai Tibetan plateau, David Burnett has produced a unique study of a people known as the Rgyalrong, officially classed as Tibetans. The Rgyalrong have been impacted by secular education, tourism and migration to the cities that have resulted from economic reform. Amidst these changes, they endeavour to retain something of their traditional customs, songs, festivals, arts and crafts. They are a people who realize that if they lose their unique culture, they will lose their very identity. The issues raised in this book relate not only to the Rgyalrong but to minority peoples everywhere as they experience the forces of globalization. **Dead But Not Lost** Robert Goss, Dennis Klass, 2005 The dead are still with us. Contemporary therapists and counselors are coming to understand what's been known for millennia in most religions and in most cultures: outside the Western milieu, it's important to continue bonds between the living and the dead. Taking these connections seriously, Goss and Klass explore how bonds with the dead are created and maintained. In doing so, they unearth a fascinating new way to look at the origins and processes of religion itself. Examining ties to dead family members, teachers, religious and political leaders across religious and secular traditions, the authors offer novel ways of understanding grief and its role in creating meaning. Whether for classes in comparative religion and death and dying or for bereavement counselors and others trying to make sense of grief, this book helps us understand what it means to feel connected to those dead but not lost. **Celebrating Life Customs around the World** Victoria R. Ma Yuan Will Gatherer, 2021-11-11 A 2023 Choice Reviews Outstanding Academic Title Ma Yuan *The Chinese Avant Garde Metafiction and Post Postmodernism* in the works of Ma Yuan provides the most comprehensive study to date on one of China's most influential contemporary authors Ma Yuan By engaging in close readings of narratologically complex works of metafiction the author offers a reappraisal of the role Ma Yuan played within the rise of postmodern fiction within China and offers new interpretive possibilities for the Chinese Avant Garde movement of the 1980s through demonstrating that rather than being predominantly formalist word games or narrative traps Ma Yuan's works of metafiction functioned as Foucauldian heterotopias which allowed for the creation of distinctly Post modern and Post socialist possible worlds This book also analyses Ma Yuan's recent post 2000 output and in doing so explores the shifting dynamics of literary self reflexivity and the Post postmodern within the contemporary context of Xi Jinping era modernity This book argues that Ma Yuan's recent works display a distinct movement towards metamodern aesthetics alongside a rising anthropocenic awareness and eco consciousness which offer key insights into the post postmodern condition within a Chinese context

Paradise Field Pamela Ryder, 2017-09-19 Interconnected stories depicting the last years of a WWII bomber pilot his relationship with his daughter as both child and adult and his drift into infirmity and death When life dwindles to its irrevocable conclusion recollections are illuminated even unto the grave Such is the narrative of Paradise Field A Novel in Stories whose title is taken from a remote airfield in the American Southwest and while the father recalls his flying days his daughter who nurses the old man reflects as well Pamela Ryder's stories vary in style and perspective and

time lines overlap as death advances and retreats This unique and shifting narrative explores the complexities of a relationship in which the father who has been a high flying outsider descends into frailty and becomes dependent upon the daughter he has never really known The opening story Interment for Yard and Garden begins as a simple handbook for Jewish burial and bereavement although the narrator cannot help but reveal herself and her motives From there the telling begins anew and unfolds chronologically returning to the adult daughter s childhood a family vacation in France the grotesqueries of the dinner table the shadowy sightings of a father who has flown away A final journey takes father and daughter back to the Southwest in search of Paradise Field Their travels through that desolate landscape foreshadow the father s ultimate decline as portrayed in the concluding stories that tell of the uneasy transformation in the bond between them and in the transcendence of his demise Taken together the stories in Paradise Field are an eloquent but unsparing depiction of infirmity and death as well as solace and provocation for anyone who has been left to stand graveside and confront eternity
