Fair to Middlin' Lynn Willoughby, 2009-04-19 Explores the livelihood of the regional antebellum economy surrounding the Apalachicola Chattahoochee River valley and the resulting global impact of this industry This study focuses on the port of Apalachicola Florida and the business men who lived the trade flourishing amongst the poor conditions of transportation communication money and banking Cotton businessmen located along the waterway and on the coast neatly divided the labour necessary to market the region's major source of income Early regional economics revolved around and grew from the rivers that served as the primary form of transportation and each patchwork of economy in the antebellum South relied on a different river system and its major transportation artery Few people truly understand and realize how important cotton was to the world's economy and no other American export came close to the importance of cotton This power and success allowed the South to function self sufficiently eliminating the need to rely on other regions for goods It was not until the introduction of the railroad system that these individual river economies blurred and faded into one another gradually uniting to one integrated national economy *Southerners All* F. N. Boney, 1984 *African American Genealogical Sourcebook* Paula Kay Byers, 1995 Gale has launched another new project Genealogical Sourcebook series and the first volumes look promising The remaining volumes on Asian Americans and Native Americans will be published this summer Libraries can order all four volumes for 239 0 8103 8541 4 Part 1 of each volume consists of informative essays on immigration and migration basic genealogical methods and resources and problems specific to ethnic genealogy such as naming practices the reuse of graves where families could not afford perpetual sites and reasons for deliberate falsification of records Explanations and tips on accessing records specific to these groups such as those of the Freedmen's Bureau and the Inquisition records of religious

orders and an overview of newspaper ads and Hispanic heraldry are instructive and pragmatic Tables examples and an extensive bibliography are included Part 2 Directory of Genealogical Information lists libraries and archives public and private organizations print resources and other media that hold materials relevant to genealogists whether their focus is on genealogy in general or on a specific ethnic group Libraries and archives are listed geographically those outside the U S are in Canada for African Americans and in Guatemala Spain Mexico Argentina Peru Uruguay Venezuela Cuba Chile Colombia Ecuador and Canada for Hispanic Americans There are surprisingly few listings for Florida which has a substantial Hispanic population Private and public organizations include commercial ventures publishers researchers for a fee bookstores and nonprofits genealogical societies the American Antiquarian Society etc The section entitled Print Resources lists many sources from the 1980s but there are also current publications The author and title organization indexes access only the products and sources listed in part 2 The subject index accesses the essays in part 1 Libraries that hold books such as George R Ryskamp s *Tracing Your Hispanic Heritage* 1984 will want to keep them for their scholarly thoroughness They will want to add these new books for their relative currency and for their simpler explanations of complicated facets of black and Hispanic culture BL 05 15 1995 *Slavery and Plantation Growth in Antebellum Florida, 1821-1860* Julia F. J. Patton Anderson, Confederate General James W. Raab, 2014-11-18 J Patton Anderson was from Florida the seceding state that was referred to as the tadpole of the Confederate states but nevertheless he was one of the Confederacy s great military leaders Anderson oversaw a large plantation Casa Bianca and his views meshed with secessionist views sufficiently for him to be elected as a delegate to the Secession Conference held in Montgomery Alabama After Florida seceded President Davis appointed Anderson as a Brigadier General Anderson engaged the enemy in the Western theater for four years under his mentor General Braxton Bragg who advanced him to Major General in command of the District of Florida This is a complete biography of Anderson s life including his service in the Mexican War his appointment as United States Marshal to the distant Washington Territory his adventure with his wife Etta Adair of taking the 1853 Washington Territory census by canoe his election as territorial delegate to Washington City and his entire Civil War service J Patton and Etta Anderson s affectionate correspondence is an important aspect of this biography revealing what it was like to be alive at this time and what it took to keep their family intact *Slavery and Plantation Growth in Antebellum Florida, 1821-1860* Julia Floyd Smith, 1973 *The Cana Sanctuary* Frank Marotti, 2012-04-05 Uses the collective testimony from more than two hundred Patriot War claims previously believed to have been destroyed to offer insight into the lesser known Patriot War of 1812 and to constitute an intellectual history of everyday people caught in the path of an expanding American empire In the late seventeenth century a group of about a dozen escaped African slaves from the English colony of Carolina reached the Spanish settlement of St Augustine In a diplomatic bid for sanctuary to avoid extradition and punishment they requested the sacrament of Catholic baptism from the Spanish Catholic Church Their negotiations brought about their baptism and with it

their liberation The Cana Sanctuary focuses on what author Frank Marotti terms folk diplomacy political actions conducted by marginalized non state sectors of society in this instance by formerly enslaved African Americans in antebellum East Florida The book explores the unexpected transformations that occurred in seventeenth and eighteenth century St Augustine as more and more ex slaves arrived to find their previously disregarded civil rights upheld under sacred codes by an international nongovernmental authoritative organization With the Catholic Church acting as an equalizing empowering force for escaped African slaves the Spanish religious sanctuary policy became part of popular historical consciousness in East Florida As such it allowed for continual confrontations between the law of the Church and the law of the South Tensions like these survived ultimately lending themselves to an Afro Catholicism sentiment that offered support for antislavery arguments

Slavery in Florida Larry Eugene Rivers,2009-03-15 This important illustrated social history of slavery tells what life was like for bond servants in Florida from 1821 to 1865 offering new insights from the perspective of both slave and master Starting with an overview of the institution as it evolved during the Spanish and English periods Larry E Rivers looks in detail and in depth at the slave experience noting the characteristics of slavery in the Middle Florida plantation belt the more traditional slave based cotton growing economy and society as distinct from East and West Florida which maintained some attitudes and traditions of Spain He examines the slave family religion resistance activity slaves participation in the Civil War and their social interactions with whites Indians other slaves and masters Rivers also provides a dramatic account of the hundreds of armed free blacks and runaways among the Seminole Creek and Mikasuki Indians on the peninsula whose presence created tensions leading to the great slave rebellion the Second Seminole War 1835 42 Slavery in Florida is built upon painstaking research into virtually every source available on the subject a wealth of historic documents personal papers slave testimonies and census and newspaper reports This serious critical work strikes a balance between the factual and the interpretive It will be significant to all readers interested in slavery the Civil War the African American experience and Florida and southern U S history and it could serve as a comprehensive resource for secondary school teachers and students

Rebels and Runaways Larry E. Rivers,2012-06-22 This gripping study examines slave resistance and protest in antebellum Florida and its local and national impact from 1821 to 1865 Using a variety of sources such as slaveholders wills and probate records ledgers account books

court records oral histories and numerous newspaper accounts Larry Eugene Rivers discusses the historical significance of Florida as a runaway slave haven dating back to the seventeenth century and explains Florida's unique history of slave resistance and protest In moving detail Rivers illustrates what life was like for enslaved blacks whose families were pulled asunder as they relocated from the Upper South to the Lower South to an untamed place such as Florida and how they fought back any way they could to control small parts of their own lives Against a smoldering backdrop of violence this study analyzes the various degrees of slave resistance from the perspectives of both slave and master and how they differed in various regions of antebellum Florida In particular Rivers demonstrates how the Atlantic world view of some enslaved blacks successfully aided their escape to freedom a path that did not always lead North but sometimes farther South to the Bahama Islands and Caribbean Identifying more commonly known slave rebellions such as the Stono Louisiana Denmark Telemaque Vesey Gabriel and the Nat Turner insurrections Rivers argues persuasively that the size scope and intensity of black resistance in the Second Seminole War makes it the largest sustained slave insurrection ever to occur in American history Meticulously researched **Rebels and Runaways** offers a detailed account of resistance protest and violence as enslaved blacks fought for freedom

Money over Mastery, Family over Freedom Calvin Schermerhorn, 2011-06-15 Elegantly argued convincingly shows the centrality of enslaved men and women to the transformation of the coastal upper South's commercial life The Journal of Southern History Once a sleepy plantation society the region from the Chesapeake Bay to coastal North Carolina modernized and diversified its economy in the years before the Civil War Central to this industrializing process was slave labor Money over Mastery Family over Freedom tells the story of how slaves seized opportunities in these conditions to protect their family members from the auction block Calvin Schermerhorn argues that the African American family provided the key to economic growth in the antebellum Chesapeake To maximize profits in the burgeoning regional industries slaveholders needed to employ or hire out a healthy supply of strong slaves which tended to scatter family members From each generation they also selected the young fit and fertile for sale or removal to the cotton South Conscious of this pattern the enslaved were sometimes able to negotiate mutually beneficial labor terms to save their families despite that new economy Money over Mastery Family over Freedom proposes a new way of understanding the role of American slaves in the antebellum marketplace Rather than work against it as one might suppose enslaved people engaged with the market somewhat as did free Americans Slaves focused their energy and attention however not on making money as slaveholders increasingly did but on keeping their kin out of the human coffles of the slave trade Displays exhaustive research a well crafted argument and is a valuable addition to antebellum slave historiography H CivWar H Net Reviews
