Freedom, Imprisonment, and Slavery in the Pre-Modern World Albrecht Classen, 2021-04-19 Contrary to common assumptions medieval and early modern writers and poets often addressed the high value of freedom whether we think of such fable authors as Marie de France or Ulrich Bonerius Similarly medieval history knows of numerous struggles by various peoples to maintain their own freedom or political independence Nevertheless as this study illustrates throughout the pre modern period the loss of freedom could happen quite easily affecting high and low including kings and princes and there are many literary texts and historical

documents that address the problems of imprisonment and even enslavement Georgius of Hungary Johann Schiltberger Hans Ulrich Krafft etc Simultaneously philosophers and theologians discussed intensively the fundamental question regarding free will e g Augustine and political freedom e g John of Salisbury Moreover quite a large number of major pre modern poets spent a long time in prison where they composed some of their major works Boethius Marco Polo Charles d Orlans Thomas Malory etc This book brings to light a vast range of relevant sources that confirm the existence of this fundamental and impactful discourse on freedom imprisonment and enslavement Prof Albrecht Classen is the joint winner of The Literary Encyclopedia book prize for 2023 Literatures written in languages other than English for this book https://www.litencyc.com/book/prizes/book_prizes_2023.php [Slaves and Warriors in Medieval Britain and Ireland](#) David R.
