## Slavery In Russia 1450 1725:

*Slavery in Russia, 1450-1725* Richard Hellie, 1984      *The Slave Soul of Russia* Daniel Rancour-Laferriere, 1995-03-01

Why asks Daniel Rancour Laferriere in this controversial book has Russia been a country of suffering Russian history religion folklore and literature are rife with suffering The plight of Anna Karenina the submissiveness of serfs in the 16th and 17th centuries ancient religious tracts emphasizing humility as the mother of virtues the trauma of the Bolshevik revolution the current economic upheavals wracking the country these are only a few of the symptoms of what *The Slave Soul of Russia* identifies as a veritable cult of suffering that has been centuries in the making Bringing to light dozens of examples of self defeating activities and behaviors that have become an integral component of the Russian psyche Rancour Laferriere convincingly illustrates how masochism has become a fact of everyday life in Russia Until now much attention has been paid to the psychology of Russia s leaders and their impact on the country s condition Here for the first time is a compelling portrait of the Russian people s psychology      [Eurasian Slavery, Ransom and Abolition in World History, 1200-1860](#)

Christoph Witzernath, 2016-03-09 Recent research has demonstrated that early modern slavery was much more widespread than the traditional concentration on plantation slavery in the context of European colonial expansion would suggest Slavery and slave trading though little researched were common across wide stretches of Eurasia and a slave economy played a vital part in the political and cultural contacts between Russia and its Eurasian neighbours This volume concentrates on captivity slavery ransom and abolition in the vicinity of the Eurasian steppe from the early modern period to recent developments and explores their legacy and relevance down to the modern times The contributions centre on the Russian Empire while bringing together scholars from various historical traditions of the leading states in this region including Poland Lithuania and the Ottoman Empire and their various successor states At the centre of attention are transfers transnational fertilizations and the institutions rituals and representations facilitating enslavement exchanges and ransoming The essays in this collection define and quantify slavery covering various regions in the steppe and its vicinity and looking at trans cultural issues and the implications of slavery and ransom for social economic and political connections across the steppe In so doing the volume provides both a broad overview of the subject and a snapshot of the latest research from leading scholars working in this area      [The Atlantic Slave Trade in World History](#) Jeremy Black, 2015-03-12 In *The Atlantic Slave Trade in World*

*History* Jeremy Black presents a compact yet comprehensive survey of slavery and its impact on the world primarily centered on the Atlantic trade Opening with a clear discussion of the problems of defining slavery the book goes on to investigate the Atlantic slave trade from its origins to abolition including comparisons to other systems of slavery outside the Atlantic region and the persistence of modern day slavery Crucially the book does not ask readers to abandon their emotional ties to the subject but puts events in context so that it becomes clear how such an institution not only arose but flourished Black shows that slavery and the slave trade were not merely add ons to the development of Western civilization but intimately linked to it

In a vital and accessible narrative *The Atlantic Slave Trade in World History* enables students to understand this terrible element of human history and how it shaped the modern world

**A Brief History of Slavery** Jeremy Black, 2011-08-18 A thought provoking and important book that raises essential issues crucial not only for understanding our past but also the present day In this panoramic history Jeremy Black tells how slavery was first developed in the ancient world and reaches all the way to the present in the form of contemporary crimes such as trafficking and bonded labour He shows how slavery has taken many forms throughout history and across the world from the uprising of Spartacus the plantations of the West Indies and the murderous forced labour of the gulags and concentration camps Slavery helped to consolidate transoceanic empires and helped mould new world societies such as America and Brazil Black charts the long fight for abolition in the nineteenth century looking at both the campaigners as well as the harrowing accounts of the enslaved themselves Slavery is still with us today and coerced labour can be found closer to home than one might expect

*The Overthrow of Colonial Slavery* Robin Blackburn, 2024-12-10 In 1770 a handful of European nations ruled the Americas drawing from them a stream of products both everyday and exotic Some two and a half million black slaves imprisoned in plantation colonies toiled to produce the sugar coffee cotton ginger and indigo craved by Europeans By 1848 the major systems of colonial slavery had been swept away either by independence movements slave revolts abolitionists or some combination of all three How did this happen Robin Blackburn's history captures the complexity of a revolutionary age in a compelling narrative In some cases colonial rule fell while slavery flourished as happened in the South of the United States and in Brazil elsewhere slavery ended but colonial rule remained as in the British West Indies and French Windwards But in French St Domingue the future Haiti and in Spanish South and Central America both colonialism and slavery were defeated This story of slave liberation and American independence highlights the pivotal role of the first emancipation in the French Antilles in the 1790s the parallel actions of slave resistance and metropolitan abolitionism and the contradictory implications of slaveholder patriotism The dramatic events of this epoch are examined from an unexpected vantage point showing how the torch of anti slavery passed from the medieval communes to dissident Quakers from African maroons to radical pirates from Granville Sharp and Ottobah Cuguanu to Toussaint L Ouverture from the black Jacobins to the Liberators of South America and from the African Baptists in Jamaica to the Revolutionaries of 1848 in Europe and the Caribbean

**Events That Changed the World in the Seventeenth Century** John E. Findling, Frank W. Thackeray, 1999-11-30 It was the age of empire and the dawn of political and scientific revolution The seventeenth century brought about enormous changes in the global political landscape and in the understanding of the principles of science From this dynamic century often fraught with upheaval and bustling with fascinating historical actors several key events are treated by recognized experts in the field These important events include among others The age of the great Russian tsars Indian moguls and Japanese shoguns The beginning of a four century dynasty in China The reign of Louis XIV The expansion of the Ottoman Empire England's Glorious Revolution The Founding

of Jamestown The Thirty Years War The Scientific Revolution To help students understand the major developments of the seventeenth century and their impact on our own time this unique resource offers detailed description and expert analysis of the century's most important events Each of the events is covered in a separate chapter An introductory essay provides factual materials about the event in a clear concise and chronological manner that makes complex history understandable An interpretive essay written by a recognized authority in the field then explores the short term and far reaching ramifications of the event With an annotated bibliography full page illustrations a timeline of important events a listing of ruling houses and dynasties of the period and a glossary of names events and terms of the seventeenth century *Events That Changed the World in the Seventeenth Century* is an ideal addition to the high school community college and undergraduate reference shelf as well as excellent supplementary reading for social studies and world history courses

**Slavery and Social Death** Orlando Patterson, 2018-10-15 Patterson discusses the internal dynamics of slavery in 66 societies over time These include Greece and Rome medieval Europe China Korea the Islamic kingdoms Africa the Caribbean islands and the American South Slavery he argues is a single process of recruitment incorporation on the margin of society and eventual manumission or death

**The Plow, the Hammer, and the Knout** Arcadius Kahan, Richard Hellie, 1985-09 The eighteenth century was crucial in Russian history marking the nation's emergence from a preindustrial society and the onset of a modernization that would make Russia a great European and eventually global power Kahan writes social history of this century to reflect that Russia accomplished this transformation through the coercive power of the state and the strength and skills of its labor force

**The Rise of African Slavery in the Americas** David Eltis, 2000 Why were the countries with the most developed institutions of individual freedom also the leaders in establishing the most exploitative system of slavery that the world has ever seen In seeking to provide new answers to this question The Rise of African Slavery in the Americas examines the development of the English Atlantic slave system between 1650 and 1800 The book outlines a major African role in the evolution of the Atlantic societies before the nineteenth century and argues that the transatlantic slave trade was a result of African strength rather than African weakness It also addresses changing patterns of group identity to account for the racial basis of slavery in the early modern Atlantic World Exploring the paradox of the concurrent development of slavery and freedom in the European domains David Eltis provides a fresh interpretation of this difficult historical problem

**When Emancipation Came** Sally Stocksdale, 2022-09-09 Linked by declarations of emancipation within the same five year period two countries shared human rights issues on two distinct continents In this book readers will find a case study comparison of the emancipation of Russian serfs on the Yazykovo Selo estate and American slaves at the Palmyra Plantation Although state policies and reactions may not follow the same paths in each area there were striking thematic parallels These findings add to our understanding of what happens throughout an emancipation process in which the state grants freedom and therefore speaks to the universality of the human experience Despite the political and economic differences between the two countries as well as their geographic and cultural distances this book reconceptualizes emancipation and its aftermath in each country from a history that treats each as a separate self contained story to one with a unified global framework

**Slaves from the North** Jukka Jari Korpela, 2018-10-22 In this book Jukka Korpela offers an analysis of the trade in kidnapped Finns and Karelians into slavery in Eastern Europe Blond slaves from the north of Europe

were rare luxury items in Black Sea and Caspian markets and the high prices they commanded stimulated and sustained a long distance trade based on kidnapping in special robbery missions and war expeditions Captives were sold into the Volga slave trade and transported through market webs further south This business differed and was separate from the large scale raids carried out on Crimeans for enslavement in Eastern Europe or the mass kidnappings characteristic of Mediterranean slavery The trade in Finns and Karelians provides new perspectives on the formation of the Russian state as well as the economic networks of official and unofficial markets in Eastern Europe
