The 1984 Miracle: Story of a Lifetime M.T. Hart, 2016-10-10 The 1984 Miracle is a story about one young man's journey to find satisfaction and fulfillment in his life For Miracle Pittman violence and murder come to him as naturally and unconsciously as breathing in spite of being raised in a decent loving and respectful household Miracle gravitates to a life of crime as the evil inside of him grows A series of life long turn of events will unleash a fury that cannot be contained Miracle is on a personal quest for power and control He believes taking whatever he wants is the answer to filling the void inside him Miracle's contagious personality honesty loyalty and charisma stand out as his good qualities yet deceit jealousy and betrayal lead Miracle to see that only true love can bring him to victory As Miracle seeks out contentment different challenges and obstacles spin him off course causing him to lose his humanity He begins to understand that the greatest and most vicious battles you fight are inside yourself but affect everyone else *Bardson Wolfe* James Blackthorne, 2014-07-28

The author James Blackthorne portrays his characters as having a strong fighting spirit The main emphasis is on a character referred to as Bardson Wolfe He is the son of the grand wizard Leon Davith Bard is a Glorious Golum that faces overwhelming odds in this well placed adventure The bronze Golum remains true to his ideals and takes a firm commitment to his father despite every setback Leon returned to the room with the large mirror The pen was still lying on the desk He sat down with his son Bard and explained how generations upon generations born into the Black Army culture rose to die None questioned it none cared and their culture was founded around the ideal of slaughter of merciless battle They knew nothing of cities save for the ones they razed and when none would challenge or oppose them in their great power they would challenge themselves battling their own ranks for the sake of maintaining the slaughter Eventually this self sustaining death machine this device of war mutated into the ones that were known today as the Black Army The Army was the result of the chaotic masses suddenly coming Some called them the black ones others Shadow lords None dared to call them a friend It was here that battle was fought daily not for the sake of any ideal or concept but due to the sheer boredom the armies had amassed for many ages long since born into the culture of war a civilization forged from death new lord was proclaimed A far more savage brutal and intelligent lord than the Black Army could have ever hoped for And this new high general began creating a bastion for the otherwise vagrant army of darkness and once it had been devised he took a name fitting his status and power Malakaezar the Black Dragon head of the army of darkness But he wasn't content to merely let his army settle into the Dark Continent as his predecessor had and hungrily this rogue turned his gaze to the lands beyond licking his lips at the unfazed lands just Bardson Wolfe the high golem was up to Screaming as those heads fell over them the black warriors

perished then and there at the hands of the Sarganatas Hydra a horrific monster that planted itself into the ground waiting for prey to come to it Born to destroy born to kill raised from the youngest available age to kill or be killed to devote oneself to senseless bloodshed And no god could hold sway over their hearts They knew for many were those who had been attacked by divine magic intended to sway their hearts away from what the majority of the warriors considered to be their true purpose However to a black warrior such as divine magic was simply considered a jest for gods could never exist within their hearts They were immune to holy intervention though it had been tried many times Most if not all the warriors were so resilient to divine magic and spells that a single warrior could weather out a smite spell considered to be the strongest of Divine Magic because the God connected to it was the one attacking

The Mammoth Book of Best New Horror Stephen Jones, Ramsey Campbell, 2003

The Christian Satanist Lucifer Jeremy White, 2022-02-25 A truly good look into the religion of Christian Satanism and The Christian Satanist's place within it Christian Satanism is a worldly gray sided religion worked into the middle area of life its thoughts things and substance It gives its followers both a soul and a spirit and a love for earth and our lives within it After all the world exists between heaven and hell It prefers philanthropy and morality over being sinister or diabolical in some sort of weird way On the other hand it doesn't strive to judge or condemn through Christianity This book is for anyone who may find the gray side a more attractive thing

Slayer's Heart Marcelle Cooper, 2014-02-09 Since childhood Sufoh has lived his life according to the principle of Slayer's Heart a technique which rids him of all emotion and renders him a ruthless bloodthirsty killer Such a reputation is a badge of honor among the warrior race of Macaris from which he hails But when Sufoh accidentally releases six legendary demons that threaten to plunge the world into chaos he must leave his people to undo what he has done As he ventures into a world that hates and fears him Sufoh is forced to confront not only the evil he has unleashed but the evil within himself and learn what it truly means to be human

Realm of the Black Mountain Elizabeth Roberts, 2007 Comparatively little is well known about Europe's newest and one of its smallest independent states the small mountain fastness Montenegro In a book written for specialists and general readers alike Elizabeth Roberts traces its history from pre Slavic times including its part in the 1389 battle of Kosovo and its prominent role in resisting the Ottomans She recounts Montenegro's development under its Prince Bishops toward the independence achieved at the Congress of Berlin and lost after the Versailles Conference when the Podgorica Assembly voted to join the new Kingdom of Yugoslavia When Slobodan Milosevic spoke of Montenegro and Serbia as two eyes in the same head he encapsulated a view that has deep roots in both nations But not all Montenegrins agreed and many chafed at being forced to play the role of Serbia's junior partner Indeed Montenegro's complex and shifting cultural and political identity is the main theme of Roberts's witty and dispassionate book

which culminates in Montenegro's defining referendum and subsequent international recognition in the summer of 2006. The history of Montenegro is at once a colorful, often bloodily violent story and instructive about how land, religion, and politics both domestic and international have intersected over centuries to shape and reshape cultural identities in Southeastern Europe. Students of national identity have much to learn from the Montenegrin case, and general readers will be enthralled by the dramatic tale that unfolds in *Realm of the Black Mountain*. Heavenly Venerate of Five Gods Di YiRen, 2020-05-23. The heavens and earth are the army, I am the general, Hong Yu is the official, and I am the king. The Heaven and Earth, the determinant of destiny. A heaven's pride level expert of this era had to bear the blessing of the Five Gods, changing his fate in a way that defied the will of the heavens. In the blink of an eye, the world had been turned upside down. Hot blood is eternal passion; in all directions, fight with me to the sky. Fight! **Long Live Magic** Xun HuanJiaoZhu, 2020-06-12. What was the martial arts world? Sword lights, sword shadows, grudges, and enmity. The love between a child and a girl, this was the martial arts world. People of the martial arts world were always involved in matters of the martial arts world, and wherever there were people, there would be people of the martial arts world. Humans were the martial arts world. **Black Lamb and Grey Falcon** Rebecca Lamb, 2010-07-01. With an introduction by Geoff Dyer. First published in 1942, Rebecca West's epic masterpiece is widely regarded as the most illuminating book to have been written on what was once Yugoslavia, essential for anyone attempting to understand the enigmatic history of the Balkan states. West's masterpiece is one of the great twentieth-century books of any genre. Independent, impossible to put down, both timeless and of its time, a travel book and epic narrative history brimming with passion, anger, scholarship, and intuition, hatred and love. Observer. Such incandescent writing, you find yourself wanting to mark every sentence in order to go back and relish it again. Brian Eno. One of the supreme masterpieces of the twentieth century. As a book about Yugoslavia, it's a kind of metaphysical Lonely Planet that never requires updating; this is history as it might have been written by Ryszard Kapuscinski or Gabriel Garcia Marquez. Geoff Dyer from his introduction. It is hard to convey the flavour of a book so rich in observation, history, philosophy, political ideas, and ironic humour. West is full of digressions which are extraordinary but never boring. The Times. The sheer quality and depth of the writing make it one of the great books of the century. Times Literary Supplement. Black Lamb and Grey Falcon Rebecca West, 2007-01-30. Rebecca West's magnum opus, one of the great books of our time. The New Yorker. Written on the brink of World War II, Rebecca West's classic examination of the history, people, and politics of Yugoslavia illuminates a region that is still a focus of international concern. A magnificent blend of travel journal, cultural commentary, and historical insight. *Black Lamb and Grey Falcon* probes the troubled history of the Balkans and the uneasy relationships among its ethnic groups. The landscape and the people of Yugoslavia are brilliantly observed as West untangles the tensions that rule the country's history as well as its daily life.
