baby blues and other symptoms that leave mothers feeling exhausted Any woman who has read What to Expect When You re Expecting needs a copy of The Postnatal Depletion Cure Filled with trustworthy advice protocols for successful recovery and written by a compassionate expert in women s health this book is a guide to help any mother restore her energy replenish her body and reclaim her sense of self Most mothers have experienced pain forgetfulness indecision low energy levels moodiness or some form of baby brain And it s no wonder The process of growing a baby depletes a mother s body in substantial ways on average a mother s brain shrinks 5% during pregnancy and the placenta saps her of essential nutrients that she needs to be healthy and contented But with postnatal care ending after 6 weeks most women never learn how to rebuild their strength and care for their bodies after childbirth As a result they can suffer from the effects of depletion for many years without knowing what s wrong as well as getting the support and treatments that they need *Nurse Coaching* Barbara Dossey,Susan Luck,Bonney Gulino Schaub,2014-10-20 Nurse Coaching Integrative Approaches for Health and Wellbeing By Barbara Montgomery Dossey Susan Luck and Bonney Gulino Schaub Paperback October 2014This is the first comprehensive Nurse Coach textbook that describes the theoretical and clinical relevance and practical application of an innovative integrative holistic and integral nurse coaching model This user friendly book will guide your Nurse Coach practice to promote lifestyle behavioral change for health and wellbeing for both the nurse and the client patient It can be used in all healthcare environments and implemented in diverse settings including hospitals communities and private practice In this book you will find theories and strategies to help you Theory of Integrative Nurse Coaching Integrative Nurse Coach Leadership Model Integrative Nurse Coach Process and Competencies coaching conversations case studies and coaching journeys with clients patients bio psycho social spiritual cultural environment model of nurse coaching evidenced based coaching methodologies and practices nutrition and environmental coaching skills Integrative Health and Wellness Assessment nurse coach guidelines for practice education research healthcare policy and advocacy and integrative lifestyle resources and toolkit This book is for all nurses and other health care providers seeking coaching knowledge and skills For information on the Integrative Nurse Coach Certificate Program go to [www.inursecoach.com/inccp](http://www.inursecoach.com/inccp) *The Psychology of the Esoteric* Osho,2019-04-20 In this early record of his talks and conversations with seekers Osho shares the foundational underpinnings of his work in a systematic straightforward and accessible way What does he mean when he talks about consciousness And how does this consciousness differ from the bundle of anxieties rationalizations plans and remembrances that fill most of our everyday thoughts Does consciousness evolve and grow as we mature or is it somehow timeless and eternal merely waiting to be discovered Or is it maybe both If free will and awareness of death are what sets us apart as human beings from the animals what are our responsibilities in deciding what choices to make both individually and in relation to the world in which we live As Osho puts it To be or not to be To do or not to do To do this or to do that No choice is not possible If we do not choose then we are choosing not to choose it is a choice So we are forced to choose we are not

free not to choose The dignity the beauty and the glory of humans is this consciousness But it is a burden also The glory and the burden come simultaneously the minute you become conscious Every step is a movement between the two With man choice and conscious individuality come into existence You can evolve but your evolution will be an individual endeavor You may evolve to become a buddha or you may not The choice is yours The intellectual rigor and precision of these talks are reminiscent of Osho's days as renowned debater and university professor And at the same time as always in his work the mysterious the unknowable that which cannot be put into words is honored on every page Readers who are new to Osho's work will discover the science behind his revolutionary active meditations and why he feels they are urgently needed for 21st century human beings Those who have wondered what all the sex guru hype is about will learn how he views sex energy as an essential seed that rightly nourished will flower into meditation Readers drawn to the book by the esoteric aspect of its title will benefit from his explorations of astral bodies kundalini and the significance of dreams although some might find a few favorite fairytales and sacred cows challenged along the way And last but not least longtime readers of Osho may find in this precise and succinct yet comprehensive presentation of his work the click that brings new insight and depth to familiar much loved texts
