*Summer Blonde* Adrian Tomine, 2022-06-27 Adrian Tomine's cult comix series *Optic Nerve* is finally collected into one sharp looking hardcover graphic novel. Described as the Raymond Carver of comix, Tomine constructs tales of emotional disconnection with an ear for painfully real dialogue. Combined with his deft black and white depictions of urbane lifestyles, Tomine's fans have often accused him of eavesdropping in on their most intimate moments and with forensic skill laying their lives bare. The conflicts between emotional gratification, narcissistic neediness and moral discernment mark the title story, *Summer Blonde*, in which a socially crippled man nurses an obsessive crush on a young woman. He watches close up, paralyzed by his guilt as her beauty catches the eye of his neighbor, a hip, selfish young man with a short attention span. One of *Optic Nerve*'s most popular stories, *Hawaiian Getaway* features Hilary, telephone service rep who is having the worst week of her life. She lost her job, her apartment and her grandmother. Close to the edge, she is losing her grip. Reaching out to random strangers on the phone, Hilary is looking for someone to help her. In *Alter Ego*, a successful young author has writer's block. He can't or won't decide between another ghostwriting gig and finishing his second real novel. He stalls on committing to his novel and his girlfriend when a chance postcard leads him to flirt with fantasies of changing the past. Finally, *Bomb Scare* documents the early unease of his generation by setting this coming of age story during the tense months of the Gulf War, the event that ushered in the 1990s.

*Asian Americans* Xiaojian Zhao, Edward J.W. Park Ph.D., 2013-11-26 This is the most comprehensive and up-to-date reference work on Asian Americans, comprising three volumes that address a broad range of topics on various Asian and Pacific Islander American groups from 1848 to the present day. This three volume work represents a leading reference resource for Asian American studies that gives students, researchers, librarians, teachers and other interested readers the ability to easily locate accurate up-to-date information about Asian ethnic groups, historical and contemporary events, important policies and notable individuals. Written by leading scholars in their fields of expertise and authorities in diverse professions, the entries devote attention to diverse Asian and Pacific Islander American groups as well as the roles of women, distinct socioeconomic classes, Asian American political and social movements and race relations involving Asian Americans.

*Killing and Dying* Adrian Tomine, 2021-05-04 *Killing and Dying* is a stunning showcase of the possibilities of the graphic novel medium and a wry exploration of loss, creative ambition, identity and family dynamics. With this work, Adrian Tomine *Shortcomings*, *Scenes from an Impending Marriage* reaffirms his place not only as one of the most significant creators of contemporary comics but as one of the great voices of modern American literature. His gift for capturing emotion and intellect resonates here: the weight of love and its absence, the pride and disappointment of family, the anxiety and hopefulness of being alive in the twenty-first century. *Amber Sweet* shows the disastrous impact of mistaken identity in a hyper-connected world. *A Brief History of the Art Form Known as Horticulture* details the invention and destruction of a vital new art form in short comic strips. Translated from the Japanese, it is a lush full-color display of
