Age Matters Toni M. Calasanti, Kathleen F. Slevin, 2013-10-11 This volume of original chapters is designed to bring attention to a neglected area of feminist scholarship aging After several decades of feminist studies we are now well informed of the complex ways that gender shapes the lives of women and men Similarly we know more about how gendered power relations interface with race and ethnicity class and sexual orientation Serious theorizing of old age and age relations to gender represents the next frontier of feminist scholarship In this volume leading national and international feminist scholars of aging take first steps in this direction illuminating how age relations interact with other social inequalities particularly gender In doing so the authors challenge and transform feminist scholarship and many taken for granted concepts in gender studies

Economics and Ageing José

Luis Iparraguirre,2018-12-11 This upper level textbook provides a coherent introduction to the economic implications of individual and population ageing Placing economic considerations into a wider social sciences context this is ideal reading not only for advanced undergraduate and masters students in economics health economics and the economics of ageing but also policy makers students professionals and practitioners in gerontology sociology health related sciences and social care This volume introduces the different conceptualisations of age and definitions of old age as well as the main theories of individual ageing as developed in the disciplines of biology psychology and sociology It covers the economic theories of fertility mortality and migration and describes the four main frameworks that can be used to study economics and ageing namely the life cycle the overlapping generations the perpetual youth and the dynastic models **Aging and Old-Age Style in Günter Grass, Ruth Klüger, Christa Wolf, and Martin Walser** Stuart Taberner,2013 Explores the performance of aging in the late style of Günter Grass Ruth Klüger Christa Wolf and Martin Walser Demographers say that by the year 2060 every seventh person in Germany will be aged eighty or older and every third person over sixty five The prediction for other Western countries is scarcely different Indeed the aging society is seen by some as a graver threat than even global warming with potentially unmanageable tensions relating to intergenerational relationships work and benefits and flows of people This book explores the representation and performance of aging in recent late style German language fiction It situates the authors chosen as case studies Günter Grass Ruth Klüger Christa Wolf and Martin Walser in their biographical and social contexts and explores the significance of their aesthetic figuring of aging for debates raging both in Germany and internationally In particular the book looks at gender generations and trauma and their impact on how writers narrativize aging Finally it examines the timeliness of these different representations and late style performances of aging in the context of the shift of social political and economic power away from the declining societies of the West to the ascendant societies of the East Stuart Taberner is Professor of Contemporary German Literature Culture and Society at the University of Leeds

Textbook of Geriatric Dentistry Poul Holm-Pedersen,Angus W. G. Walls,Jonathan A. Ship,2015-06-19 Textbook of Geriatric Dentistry Third Edition provides a comprehensive review of the aging process and its relevance to oral health and dentistry Now in full colour this third edition has been fully revised and updated with new material encompassing recent research and clinical developments within geriatric dentistry Written in a clear and accessible style this is an essential guide to geriatric dental practice for undergraduate and postgraduate dentistry students and practicing clinicians alike Key features include Contributions from an international group of expert authors Comprehensive coverage of oral healthcare issues in the older adult from demographics and physiology through to nutrition and pharmacology Provides both foundational knowledge and a guide to clinical management New chapters including material on orofacial pain quality of life and treatment planning **Population Aging in Societal Context** Mark Tausig,Janardan Subedi,Saruna Ghimire,2025-07-30 This book offers an explanatory schema for comprehending aging in a societal context focusing on the

country of Nepal Contributions to this book use an institutional contextual approach and a life course perspective to document and assess societal responses to the increase in the number of older adults in a specific country This emerging age group entails the development of new and modified social institutions new and modified cultural norms and the reallocation of social resources within a given country The study represents a means to understand the status and needs of older adults systematically and to orient policies and programs intended to address the increase in the older population It can be applied to countries grappling with similar challenges of rapid population aging and significant social change A pioneering effort in understanding aging as a social process embedded in social economic cultural and life course contexts this book fills a gap in Asian Studies Social Policy and Population Studies

Human Growth and Development Chris Beckett, Hilary Taylor, 2024-01-28 Our bestselling social work textbook is back again Taking you right back to basics this book explains and analyses key theories in a really accessible way before going on to discuss in detail how theory can be incorporated into every day social work practice Each chapter contains activities with step by step commentaries for discussion self analysis and critical reflection The book very loosely follows the shape of a human life beginning with a birth and ending with a death but many of the chapters deal with ideas and topics that are relevant at many different stages of life such as bereavement attachment and learning Its focus throughout is on psychosocial development so psychological development within a social context rather than physical development This book is by Chris Beckett a social work academic and novelist who previously worked in child and family social work and Hilary Taylor a psychotherapist and former social work academic who used to work in the field of social work with adults It is the go to guide for anyone studying for careers in the helping professions such as nurses social workers occupational therapists teachers and counsellors It is also supported by an online case study resource Follow the lives of people living in the fictional London Borough of Bexford with 12 extended case studies to help you explore key issues and themes raised in the book as well as develop the skill of linking theory to practice **Caring for**

Older People in Nursing Sue Barker, 2013-11-12 This book is part of the Transforming Nursing Practice series written specifically to support nursing students on the new degree programme As medical advances become more sophisticated average life expectancies continue to grow This presents significant challenges to the healthcare system and caring for older people is now the concern of every nurse This book aims to help you understand how to care for older people in any care setting It uniquely focuses on person centred humanised care in addition to physical care helping you to examine attitudes towards older people in healthcare and combat negative stereotypes The book takes a positive stance on ageing celebrating the fact that in the Western world we live longer and healthier with a focus on the wellbeing of the individual Key features Easy to read introduction written specifically for nursing students with a chapter on making the most of your placements with older people Theory is linked to practice through case studies and scenarios and shows the lived experiences of the older person Linked to the latest NMC Standards and Essential Skills Clusters for degree level education Plenty of activities

help you to build critical thinking and graduate skills

Routledge Handbook of Cultural Gerontology Julia

Twigg, Wendy Martin, 2015-06-12 Later years are changing under the impact of demographic social and cultural shifts No longer confined to the sphere of social welfare they are now studied within a wider cultural framework that encompasses new experiences and new modes of being Drawing on influences from the arts and humanities and deploying diverse methodologies visual literary spatial and theoretical perspectives Cultural Gerontology has brought new aspects of later life into view This major new publication draws together these currents including Theory and Methods Embodiment Identities and Social Relationships Consumption and Leisure and Time and Space Based on specially commissioned chapters by leading international authors the Routledge Handbook of Cultural Gerontology will provide concise authoritative reviews of the key debates and themes shaping this exciting new field Residential Care Transformed J. Johnson, S. Rolph, R.

Smith, 2010-05-28 This book now in paperback revisits Peter Townsend's classic study of residential care for older people in Britain conducted in the late 1950s It provides not only a fascinating account of residential care for older people over the last 50 years but is also an important contribution to the literature on research methods *Mental Health in Later Life* Alisoun

Milne, 2020-02-19 Focussing on mental health rather than mental illness this book adopts a lifecourse approach to understanding mental health and wellbeing in later life Well respected author and scholar Alisoun Milne explores the influences of lifecourse experiences structural inequalities socio political context history gender and age related factors and engages with new ways of thinking about preventing mental ill health and promoting mental health in later life Drawing together material from a number of different fields the book analyses the meaning and determinants of mental health amongst older populations and offers a critical review of the lifecourse ageing and mental health debate for students professionals policy makers and researchers

Social Context Of Ageing A Textbook Of Gerontology Introduction

In today's digital age, the availability of Social Context Of Ageing A Textbook Of Gerontology books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Context Of Ageing A Textbook Of Gerontology books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Context Of Ageing A Textbook Of Gerontology books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Context Of Ageing A Textbook Of Gerontology versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Context Of Ageing A Textbook Of Gerontology books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Context Of Ageing A Textbook Of Gerontology books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Context Of Ageing A Textbook Of Gerontology books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Context Of Ageing A Textbook Of Gerontology books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Context Of Ageing A Textbook Of Gerontology books and manuals for download and embark on your journey of knowledge?
