Social History Of English Rowing:

Rowing in England Eric Halladay,1990 The sport of rowing has an illustrious history in the UK managing to erect two controlling bodies by 1890 and taking its share of early and recent Olympic medals This study traces the sport's influences its champions the amateur versus professional debate and much more **A Social History of English Rowing** Neil

Wigglesworth,1992 The Social History of English Rowing Neil Wigglesworth,2013-10-31 This book seeks to redress the balance of reporting in the sport's literature which has always favoured the activities of aquatic gentlemen at the public schools Oxford and Cambridge Universities Henley Regatta and on the River Thames This study focuses on the many who helped instigate and nurture the sport but who have been forgotten due to their not being associated with the elite of the sport **British Economic and Social History** R. C. Richardson,William Henry Chaloner,1996 *Women in Sports*

History Carol Osborne,Fiona Skillen,2014-06-03 Women are and have been for many years actively involved as players supporters and co ordinators in a range of sports and yet they are often missing from or sidelined in accounts of the history of these sports Commenting first on the lack of inclusion of women in British sports history the book goes on to examine aspects of women's participation between the late nineteenth century and the mid twentieth century more broadly It draws together some of the latest research undertaken by international scholars working in the field and includes case studies about golf bridge rowing figure skating and athletics Between them the chapters demonstrate that women enjoyed mixed fortunes in sport They positively highlight the scope of participation as well as the complex interactions and responses that participation generated on account of life stage social class ethnicity and national identity across time and place The incorporated methodological and theoretical approaches invite readers to reconsider existing sport historiography and point to new directions for future research This book was first published as a special issue of Sport in History *British Sport: a*

Bibliography to 2000 Richard Cox,2013-12-16 Volume one of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian *Leisure and Recreation in a Victorian*

Mining Community Alan Metcalfe,2006 This text explores recreational life during a period of economic and social change which was important to bring meaning and pleasure to the lives often described as horrendous of Victorian miners in the north east of England *Hist Sport Britain 1850-1914v1* Martin Polley,2021-12-16 First published in 2004 This five volume

major work is a comprehensive collection of primary sources which examine changing attitudes to sport in the late Victorian and Edwardian eras At the beginning of the period few sports were regulated but by the outbreak of the First World War organized sport had become an integral part of British cultural social and economic life Martin Polley has collected articles from a wide range of journals including Blackwood's Magazine Nineteenth Century Fortnightly Review and Contemporary Review which reveal changing middle class attitudes to sport The five volumes cover the varieties of sport being promoted

sport and education commercial and financial aspects of sport sport and animals and the globalization of sport through empire Volume I includes the Varieties of Sport **The History of Sport in Britain, 1880-1914: The varieties of sport** Martin Polley, 2004 This five volume set is a comprehensive collection of primary sources on sports in the late Victorian and Edwardian eras At the beginning of the period few sports were regulated but by the outbreak of the First World War organized sports had become an integral part of British cultural social and economic life Specialist Martin Polley has collected articles from a wide range of journals including Blackwood's Magazine Nineteenth Century Fortnightly Review and Contemporary Review all of which reveal changing middle class attitudes to sports The five volumes cover the varieties of sports being promoted sports and education commercial and financial aspects sports and animals and the globalization of sports through empire *Amateurism in British Sport* Dilwyn Porter, Stephen Wagg, 2007-12-13 The ideal of the amateur competitor playing the game for love and unlike the professional totally untainted by commerce has become embedded in many accounts of the development of modern sport It has proved influential not least because it has underpinned a pervasive impression of professionalism and all that came with it as a betrayal of it *The Evolution of English Sport* Neil Wigglesworth, 2013-01-11 This work uses original material from clubs and sporting organizations to illuminate the evolution of sporting activity nation wide It relates these documents to themes such as commercialism and club fortunes It concludes by discussing the outlook for English sport **Routledge Companion to Sports History** S. W. Pope, John Nauright, 2009-12-17 This book describes how the field of sports history has matured dramatically over the past decade and expands on what this means for sports historians today The specially commissioned essays addressing a range of thematic and regional contexts that make up this companion make it a uniquely valuable resource **Zenon Vantini** Pamela Sambrook, 2021-05-27 In this remarkable study Pamela Sambrook rescues from obscurity the contribution of a former member of Napoleon's Imperial Guard to the development of specialist hotels and catering in the formative years of the railway network in England and France In doing so she interrogates what lies behind some of Zenon Vantini's very real achievements legacies and disasters She asks how far he was driven by his familial background in Elba and his involvement in the political turmoil of early nineteenth century France and to what extent his whole life was known to those around him Vantini's extraordinary life encapsulates the change between two very different worlds the old imperial past and the new age of entrepreneurial risk taking Never shaking off his old political loyalties he believed resolutely that the mobility afforded by railway travel would change Europe fundamentally In the long view he was a component part in the very early years of an industry which revolutionised England and Europe more than did even his hero Napoleon **Sport, Protest and Globalisation** Jon Dart, Stephen Wagg, 2016-11-08 This volume is built around three assumptions first that for huge numbers people around the world including many sport lovers there are more important things in life than sport second that the governance of sport is in many ways problematic and needs to be confronted and third that contrary to the still popular belief

that sport and politics don't mix sport often provides an ideal theatre for the enacting of political protest The book contains studies of a range of protests stretching back to the death of suffragist Emily Davison at the Derby of 1913 and encompassing subsequent protests against the exclusion of women from the sporting arena the Berlin Olympics of 1936 Western imperialism the Mexico Olympics 1968 the state racism of apartheid in South Africa the effect of the global golf industry on ecosystems Israeli government policy resistance to the various attempts to bring the Olympic Games to Canadian and American cities the cutting of welfare benefits for disabled British citizens class privilege in the UK Russian anti gay laws and high public spending on sport mega events in Brazil The collection will be of interest to scholars and students with an interest in Sports Studies History Politics Geography Cultural Studies and Sociology Sport in Britain Richard William Cox, 1991 **Sport and Physical Education: The Key Concepts** Tim Chandler, Mike Cronin, 2002-09-11 First published in 2002 Routledge is an imprint of Taylor Francis an informal company *Sporting Ancestors* Keith Gregson, 2011-11-30 Sport in its many forms is an important part of British heritage and our family histories are littered with amateur and professional sporting references As people moved from country to town sport became fashionable and organised and our ancestors left us with records of their sporting deeds Newspaper reports minute books club histories team photographs and even cartoons are all available to the family historian Discover which sports were played when where and why Read example case studies find out how to begin your own research and learn what resources are available to help you progress From Victorian prizefighters to Edwardian ladies archery from inter war football teams to the shin kicking contests of the Cotswold Olimpics *Sporting Ancestors* is the essential guide for those wanting to explore what part sport has played in their national and family history

Everyday Heroism: Victorian Constructions of the Heroic Civilian John Price, 2014-01-16 Heroism in the 19th and early 20th centuries is synonymous with military endeavours imperial adventures and the great men of history There was however another prominent and influential strand of the idea which has until now been largely overlooked This book seeks to address this oversight and establish new avenues of study by revealing and examining everyday heroism acts of life risking bravery undertaken by otherwise ordinary individuals largely in the course of their daily lives and within quotidian surroundings Adopting an interdisciplinary approach John Price charts and investigates the growth and development of this important discourse presenting in depth case studies of The Albert Medal and the Carnegie Hero Fund alongside a nationwide analysis of heroism monuments and an exploration of radical approaches to the concept Unlike its military and imperial counterparts everyday heroism embraced the heroine and this study reflects that with an examination of female heroism Discovering why certain individuals or acts were accorded the status of being heroic also provides insights into those that recognized them Heroism is a flexible and malleable constellation of ideas shaped or constructed along different lines by different people so if you want to identify the characteristics of a group or society much can be learnt by studying those it holds up as heroic Consequently *Everyday Heroism Victorian Constructions of the Heroic Civilian* provides valuable

and revealing evidence for a wide range of social and cultural topics including class gender identity memory celebrity and literary and visual culture

Port Jackson Pullers Stephen Gard, 2024-05-21 Australia had sporting champions before it had self government The earliest champions were watermen A waterman's trade was working small boats and a waterman's sport was racing them In the many splendid bays and coves of Port Jackson and along reaches of the Parramatta River pullers won their rowing laurels and sometimes made their fortune Australia's first six champion oarsmen are the stars of Port Jackson Pullers These men led the way to the nation's future dominance of the World Sculling Championship Until now any history of Australian sculling began in the year 1876 when Edward Trickett won the Championship of the Thames But Trickett emerged from a well organised aquatic sport which was flourishing on the waters of Port Jackson decades before he first stepped into a boat John Brennan George Mulhall Thomas McGrath Richard Green William Hickey and James Punch six names that deserve honour in the world of rowing Champions all and all of humble origin they fathered and furthered Australian professional sculling Richard Green took it furthest of all to the River Thames where in 1863 he raced Britain's best for the Championship of the World Professional rowing was not established in Port Jackson without colour or controversy In rough and tumble colonial times good sportsmanship was an optional extra Port Jackson Pullers revives and explores this vigorous and occasionally villainous scene

Our Own Devices Edward Tenner, 2009-08-26 This delightful and instructive history of invention shows why National Public Radio dubbed Tenner the philosopher of everyday technology Looking at how our inventions have impacted our world in ways we never intended or imagined he shows that the things we create have a tendency to bounce back and change us The reclining chair originally designed for brief healthful relaxation has become the very symbol of obesity The helmet invented for military purposes has made possible new sports like mountain biking and rollerblading The typewriter created to make business run more smoothly has resulted in wide spread vision problems which in turn have made people more reliant on another invention eyeglasses As he sheds light on the many ways inventions surprise and renew us Tenner considers where technology will take us in the future and what we can expect from the devices that we no longer seem able to live without
