

## B. THE ROLE OF SOCIAL STUDIES

Social studies develops the key values and attitudes, knowledge and understanding, and skills and processes necessary for students to become active and responsible citizens, engaged in the democratic process and aware of their capacity to effect change in their communities, society and world.

## C. VALUES AND ATTITUDES

Social studies provides learning opportunities for students to:

- Value the diversity, respect the dignity and support the equality of all human beings
- Demonstrate social compassion, fairness and justice
- Appreciate and respect how multiple perspectives, including

- Understand the historical and contemporary realities
- Understand the multi ethnic and intercultural makeup
- Understand the challenges and opportunities that immigration
- Understand how social cohesion can be achieved in a pluralistic society

## PLURALISTIC AND DEMOCRATIC SOCIETY

- Pluralistic society is a society in which different groups and individuals co-exist and interact with each other, and each group or individual has the right to express its or their views and opinions.
- In a pluralistic society, there is no single dominant group or individual, and all groups and individuals have the right to express their views and opinions.
- In a democratic society, there is a system of government in which the people have the right to elect their representatives and to participate in the decision-making process.
- In a democratic society, there is a system of government in which the people have the right to elect their representatives and to participate in the decision-making process.
- In a democratic society, there is a system of government in which the people have the right to elect their representatives and to participate in the decision-making process.
- In a democratic society, there is a system of government in which the people have the right to elect their representatives and to participate in the decision-making process.
