## **Social Work Practice A Canadian Perspective:**

Encyclopedia of Canadian Social Work Francis J. Turner, 2005-09-07 Annotation Covers over 500 topics important to Canadian social work Written by a highly diverse group of experts and covering all aspects of the field nation wide

Theoretical Perspectives for Direct Social Work Practice Nick Coady, Peter Lehmann, 2016-05-15 This expanded third edition of a popular textbook provides a completely revised and updated overview of the theories models and therapies that inform direct social work practice The text is grounded in generalist social work principles and values and promotes a problem solving model of social work practice as a framework for the eclectic use of theory as well as for integrating the artistic reflective elements of practice It provides in depth coverage of select psychodynamic cognitive behavioral humanistic critical and postmodern theories The third edition features a new section on Critical Theories where a new chapter on Empowerment Theory is included with a completely revised chapter on Feminist Theory A new chapter on Strengths based Social Work has been added to the section on meta theories for social work practice Other new chapters include Emotion focused Therapy and Collaborative Therapy These revisions are based on suggestions from an extensive survey of professors New to the Third Edition A new section on Critical Theories New chapters on Strengths based Social Work Emotion focused Therapy Empowerment Theory and Collaborative Therapy Updated research on the debate about the importance of theory technique versus common e g relationship factors and on the critique of the empirically supported treatment movement Key Features Grounds direct practice firmly in the principles and values of generalist social work Promotes a problem solving model of social work as a flexible structure for integrating the eclectic use of theory with the artistic reflective elements of practice Organizes direct practice theories into like groupings and provides an overview of the main characteristics of each grouping Provides in depth coverage of topics in a clear logical and consistent format Includes editors and contributors from the U S and Canada

**Theoretical Perspectives for Direct Social Work Practice** Peter Lehmann PhD, LCSW, 2007-10-22 Praise for the first edition Finally a social work practice text that makes a difference This is the book that you have wished for but could never find Although similar to texts that cover a range of practice theories and approaches to clinical practice this book clearly has a social work frame of reference and a social work identity Gayla Rogers Dean of the Faculty of Social Work University of Calgary The major focus of this second edition is the same to provide an overview of theories models and therapies for direct social work practice including systems theory attachment theory cognitive behavioral theory narrative therapy solution focused therapy the crisis intervention model and many more However this popular textbook goes beyond a mere survey of such theories It also provides a framework for integrating the use of each theory with central social work principles and values as well as with the artistic elements of practice This second edition has been fully updated and revised to include A new chapter on Relational Theory and newly rewritten chapters by new authors on Cognitive Behavioral Theory Existential Theory and Wraparound Services New critique of the Empirically Supported

Treatment EST movement Updated information on the movement toward eclecticism in counseling and psychotherapy A refined conceptualization of the editors generalist eclectic approach *Social Work Practice* Marion Bogo, 2006-02-07 *Social Work Practice* synthesizes the latest theories and research findings in social work and related fields and demonstrates how this information is used in working with clients Because the interview is the medium in which much of social work practice takes place learning the processes and skills to conduct a productive interview is a critical part of social work education

**Theoretical Perspectives for Direct Social Work Practice, Fourth Edition** Kristin W. Mapson (Formerly Bolton), Kristin W. Bolton, J. Christopher Hall, Peter Lehmann, 2021-05-12 This new and fully updated edition of the best selling theories text for social workers introduces social work students and practitioners to a wide variety of theories for direct social work practice Originally edited by Nick Coady and Peter Lehmann the new edition provides a framework for integrating the use of theory with central social work principles and values combined with artistic elements of practice Completely updated and reorganized to encompass the latest theories as applied to a generalist mental health practice the fourth edition brings a fresh perspective with the addition of two new lead editors *Theoretical Perspective for Direct Social Work Practice A Generalist Eclectic Approach* is rooted in the generalist eclectic approach to social work practice with the contents explored through a problem solving model facilitating the integration of the artistic and scientific elements of practice The new edition includes 9 new chapters covering Couples Theory the Psychodynamic Approach Dialectical Behavior Therapy Dialectical Behavior Therapy for the treatment of Borderline Personality Disorder Trauma Informed Practice Motivational Interviewing Anti Oppressive Theory Mindfulness based Approaches and EMDR Therapy Chapters are consistently organized and include a case study and associated prompts to foster class discussion Each includes chapter objectives and summaries tables and diagrams A robust instructor package contains a sample syllabus PowerPoint slides and exam questions for each chapter Purchase includes digital access for use on most mobile devices or computers New to the Fourth Edition Two new lead editors and new chapter contributors bringing a fresh new perspective to the content 9 brand new chapters covering new and relevant theories and models to ensure readers have all the facts at hand and can easily incorporate theories into their everyday practice Significantly reorganized to reflect the state of art in social work practice Key Features Chapters are consistently formatted and include a case study with prompts to promote critical thinking and discussion Chapter objectives and summaries in every chapter reinforce content Tables illustrate when and why to use a particular theory Diagrams serve as visual representations of various models Includes Instructor Package with Sample Syllabus PowerPoints and exam questions in each chapter **Gerontological Social Work Practice** Enid Opal Cox, Rosemary Chapin, Elizabeth Kelchner, 2014-02-25 What are the challenges facing gerontological social workers today and in the near future This book gives you an essential overview of the role status and potential of gerontological social work in aging societies around the world Drawing on the expertise of leaders in the field it identifies key policy and practice issues

and suggests directions for the future Here you ll find important perspectives on home health care mental health elder abuse older workers issues and death and dying as well as an examination of the policy and practice issues of utmost concern to social workers dealing with the elderly With Gerontological Social Work Practice Issues Challenges and Potential you ll explore the differences between real situations and what demographics lead one to expect the need for social workers to focus on economic political and social issues in order to promote positive change the long term care insurance issues facing elderly Japanese citizens a Canadian perspective on social work practice with aging people practice techniques to use with aging African Americans strengths based and empowerment oriented ways to work with frail elderly the impact of multiculturalism on social policy and much more Canadian Perspectives on Community Development Sarah Todd,Sébastien Savard,2020-03-03 Founded in a perspective that speaks to the diversity of contexts and processes used across Canada this work is nevertheless firmly grounded in theory offering an in depth analysis geared toward advanced study in community practice This depth is further strengthened by the diversity of topics represented in this collective work community work in various regions of the country exploring issues of poverty and environmental activism community work with immigrants and refugees and with trans communities feminist community organizing as well as organizing with persons with disabilities and with members of linguistic communities and finally artsbased community work with the elderly This book is published in English S il refl te une diversit de contextes et de processus mis en oeuvre partout au Canada cet ouvrage est toutefois fermement ancr dans la th orie convenant aux tudes avanc es en pratique communautaire La diversit des sujets que propose cet ouvrage collectif est d un int r t particulier qu il s agisse du travail communautaire dans diverses r gions du pays explorant les questions de la pauvret et de l activisme environnemental le travail communautaire aupr s des immigrants et des r fugi s et avec les communaut s de personnes trans l organisation de la communaut f ministe ainsi que celle des personnes handicap es ou celle des membres de communaut s linguistiques et enfin le travail communautaire ax sur les arts aupr s des personnes g es Ce livre est publi en anglais Social Work Practice in Remote Communities Glen Gerald Schmidt, *Social Work Practice* Francis Joseph Turner,2002 Appropriate for social work courses at the university level or community services programs in colleges Social Work Practice A Canadian Perspective Second Edition is intended to complement Turner s book Social Welfare in Canada The collection presents a broad based introduction to the principles of social work practice with chapters written by expert practitioners and scholars from across Canada The following four new chapters have been added to the second edition Spirituality in Social Work Practice International and Globalization Factors in Canadian Social Work Practice Mediation in Social Work Practice and Record Keeping in Social Work Practice Twenty six of the original forty four chapters have also been revised and updated references have been added where possible Finally the text has been reorganized into ten new parts to emphasis the link between social work theory and practice *The Handbook of Social Work Research Methods* Bruce Thyer,2001 This volume is the definitive resource for anyone doing research in

social work It details both quantitative and qualitative methods and data collection as well as suggesting the methods appropriate to particular types of studies It also covers issues such as ethics gender and ethnicity and offers advice on how to write up and present your research

Global Social Transformation and Social Action: The Role of Social Workers Sven Hessle,2016-04-22 Global social transformation calls for global social action 2010 saw the launch of The Global Agenda for Social Work and Social Development which detailed how social workers can strive to bring about increased social justice The time is right to start to address and demonstrate the actions that might be required to develop and accomplish the Agenda with regard to methods in practice and research in social policy and social work education and in a broader discourse of global commitment and cooperation This informative and incisively written edited collection brings together experts from around the world to discuss issues which the social work and social welfare sectors face every day and to ensure a closer link between evidence based practice policy objectives and social development goals Furthermore this book reveals how these may affect the conditions of people and demonstrate how the social work and social development community can contribute to sustainable development

**The Evidence-Based Internship** Barbara Thomlison,Kevin J. Corcoran,2008 This book is intended for use in any professional program that has a practicum or internship Chief among those are social work criminal justice psychology and even psychiatry In addition the book is a supplementary text for field seminars practice methods courses or any course introducing students to the helping process The primary purpose of the book is to offer students an overview of the knowledge and skills needed to become competent and confident professional practitioners The evidence based framework of the book will teach students to apply science to real life problems in the practicum or internship The authors identify best practices for positive client outcomes and for a successful student practicum or internship experience by selecting essential knowledge and skills for learning The book is a resource guide with applied learning activities to assist students during the field experience

**Animals in Social Work** T. Ryan,2014-10-09 This collection of essays articulates theoretical and philosophical arguments and advances practical applications as to why animals ought to matter to social work in and of themselves It serves as a persuasive corrective to the current invisibility of animals in contemporary social work practice and thought

*Encyclopedia of Social Welfare History in North America* John M. Herrick,Paul H. Stuart,2005 This encyclopedia provides readers with basic information about the history of social welfare in Canada Mexico and the United States The intent of the encyclopedia is to provide readers with information about how these three nations have dealt with social welfare issues some similar across borders others unique as well as to describe important events developments and the lives and work of some key contributors to social welfare developments

*Emerging Perspectives on Anti-oppressive Practice* Canadian Association of Schools of Social Work. Meeting,Wes Shera,2003 This book consists of 27 chapters developed from papers originally delivered at a recent conference at the University of Toronto on anti oppressive practice in social work Dr Shera has gathered expert contributors to discuss define and analyse theories of social work practice

pedagogical issues fieldwork practice models of education of social work practitioners and current critical issues These selected conference papers lay the groundwork for anti oppressive practice in a way that will generate discussion and inspire researchers and practitioners Doing Anti-Oppressive Practice, Third Edition Donna Baines,2020-05-06T00:00:00Z This updated third edition of the immensely popular Doing Anti Oppressive Practice introduces students to anti oppressive social work its historical and theoretical roots and the specific contexts of anti oppressive social work practice Key to this practice is the understanding that the problems faced by an individual are rooted in the inequalities and oppression of the socio political structure of society rather than in personal characteristics or individual choices Moreover the contributors show that social justice and social change working against racism sexism and class oppression can and must be a key component of social work practice Drawing on concrete examples from specific practice contexts personal experience and case work including child welfare poverty mental health addictions and disability the contributors demonstrate how to translate social justice theory into everyday practice This new edition adds chapters on working with refugee immigrant and racialized families children older adults cognitive behavioural therapy and using social media as a tool for social change

**Decolonizing Social Work** Mel Gray,John Coates,Michael Yellow Bird,Tiani Hetherington,2016-05-13 Riding on the success of Indigenous Social Work Around the World this book provides case studies to further scholarship on decolonization a major analytical and activist paradigm among many of the world's Indigenous Peoples including educators tribal leaders activists scholars politicians and citizens at the grassroots level Decolonization seeks to weaken the effects of colonialism and create opportunities to promote traditional practices in contemporary settings Establishing language and cultural programs honouring land claims teaching Indigenous history science and ways of knowing self esteem programs celebrating ceremonies restoring traditional parenting approaches tribal rites of passage traditional foods and helping and healing using tribal approaches are central to decolonization These insights are brought to the arena of international social work still dominated by western based approaches Decolonization draws attention to the effects of globalization and the universalization of education methods of practice and international development that fail to embrace and recognize local knowledges and methods In this volume Indigenous and non Indigenous social work scholars examine local cultures beliefs values and practices as central to decolonization Supported by a growing interest in spirituality and ecological awareness in international social work they interrogate trends issues and debates in Indigenous social work theory practice methods and education models including a section on Indigenous research approaches The diversity of perspectives decolonizing methodologies and the shared struggle to provide effective professional social work interventions is reflected in the international nature of the subject matter and in the mix of contributors who write from their contexts in different countries and cultures including Australia Canada Cuba Japan Jordan Mexico New Zealand South Africa and the USA *Spirituality and Social Work* Dr. Veda C.V,Mrs. Anitha.S,2021-06-10 **One Hundred Years of Social Work** Therese

Jennissen, Colleen Lundy, 2011-02-17 *One Hundred Years of Social Work* is the first comprehensive history of social work as a profession in English Canada. Organized chronologically, it provides a critical and compelling look at the internal struggles and debates in the social work profession over the course of a century and investigates the responses of social workers to several important events. A central theme in the book is the long standing struggle of the professional association, the Canadian Association of Social Workers, and individual social workers to reconcile advancement of professional status with the promotion of social action. The book chronicles the early history of the secularization and professionalization of social work and examines social workers' roles during both world wars, the Depression, and in the era of postwar reconstruction. It includes sections on civil defence, the Cold War, unionization, social work education, regulation of the profession, and other key developments up to the end of the twentieth century. Drawing on extensive archival research as well as personal interviews and secondary literature, the authors provide strong academic evidence of a profession that has endured many important changes and continues to advocate for a just society and a responsive social welfare state. *One Hundred Years of Social Work* will be of interest to social workers, social work students, and educators, social historians, professional associations, and anyone interested in understanding the complex nature of people and institutions.

**Spirituality in Social Work and Education**  
Janet Groen, Diana Coholic, John R. Graham, 2013-01-24 Over the past ten years, the fields of social work and education have grappled separately with definitions of spirituality, ways to integrate spirituality into the classroom, and the rendering of spirituality as a meaningful concept for practitioners, students, and researchers. Social work and education have many commonalities in areas of engagement with children, families, and communities. For the first time, this book brings together these two professional disciplines for interdisciplinary discussions that advance our knowledge in the broad area of spirituality. The book's three sections reflect broad topic areas created to facilitate dialogue between the contributors, all of whom have established expertise in exploring spirituality in education or social work. The first section of the book explores the historical and theoretical underpinnings of spirituality in education and social work. Examination of our respective heritages uncovers the religious roots within our professions and reveals a present understanding of spirituality that calls for active engagement in challenging oppression and working toward social justice. The second section shifts the focus to the pedagogical implications of incorporating spirituality into higher education classrooms. The varied level of acceptance and the tensions that come from including spirituality implicitly or explicitly in the programs and coursework in our respective faculties are illuminated by authors in both professions. The final section explores issues related to practising and teaching in the field from a spiritually sensitive perspective.
