Social Work Practice Bridges To Change:

Social Work Practice Kay S. Hoffman, Alvin L. Sallee, 1990 **The Social Workout Book** Alice A. Lieberman, 2010-12-09

The social work profession comes alive with active learning exercises This Second Edition engages introductory social work students in hands on collaborative exercises focusing on four key areas in the curriculum Social Welfare History Politics Policies and Services The Social Work Profession The Practice of Social Work and A Vision for the Future Throughout this workbook challenges students to form their own opinions on many heated debates within key topics and helps them to apply key concepts and theories creating enthusiasm about the field while helping to develop critical thinking skills Social Work Practice Kay Seeley Hoffman, Alvin L. Sallee, 1994 Gatekeeping in BSW Programs Patty Gibbs, Eleanor H. Blakely, 2000-05-06 Social work educators and degree program administrators face difficult issues concerning law student rights and social justice in their role as gatekeepers of the social work profession How and why should baccalaureate social work programs afford or restrict access to the profession When do gatekeeping strategies mask educators reluctance to tackle some of the more thorny issues that have plagued higher education in general for example academe s often limited success in addressing a variety of student special needs Balancing the interests of a diverse student population a baccalaureate program and the profession to say nothing of the clients challenges gatekeepers creativity to the utmost This all in one resource written by social work educators with special interests and expertise in gatekeeping provides the knowledge and tools that faculty and administrators need to carry out their duties conscientiously and appropriately Gatekeeping in BSW Programs covers the history of gatekeeping and its major issues legal matters in the field and strategies and processes of gatekeeping it also includes useful appendixes of materials and tools such as sample questions for student admissions and various sample academic policies Family Group Conferencing with Children and Young People Darrell Fox, 2018-01-13 Family Group Conferences are seen as a progressive and influential form of practice in child welfare across the globe This book examines and identifies variations in independent advocacy provision offered to young people and their families in relation to undertaking a FGC and discusses how these can impact the outcomes both positively and negatively for young people involved Using critical discourse analysis and an original theoretical framework the outcomes of advocacy provision are examined from participants perspectives prior to during and after the FGC process has been completed The analysis develops themes that are discussed comprehensively and recommendations are made for the enhancement of advocacy provision generally and for young people involved in FGC specifically *Ethnic-sensitive Social Work Practice* Wynetta Devore, Elfriede G. Schlesinger, 1996 As the American population becomes increasingly multicultural it becomes necessary to focus on the particular needs and experiences of different ethnicities This book does just that within the context of the field of social work as it explores ways in which class and ethnic factors could contribute to the assessment and intervention process First written in response to CSWE mandates in the early 1980s for the incorporation of ethnicity in the

social work practice sequence this book is one of the most well known and respected books on ethnic sensitive social work practice diversity practice or practice with minorities Through a generalist perspective in its approach the book includes various ethnicities various populations individuals families groups organizations and communities and various approaches to practice empowerment and strengths perspectives psychosocial perspectives problem solving task centered and structural approaches Social workers and therapists Canadian Social Work Review ,1995 **Study Guide** ,2000 Generalist Social Work Practice Barry Locke,Rebecca J. Garrison,James Winship,1998 Geography values diversity and resources all impact the way social workers interact with clients With this engaging new book authors Locke Garrison and Winship successfully address these different perspectives and provide a well rounded examination of generalist social work practice Their strengths oriented Phase Model a four phased approach to planned change encourages the telling of the story The book's subtitle reveals its central themes Context refers to place of practice story symbolizes life's journey and its unfolding and Partnerships represents the collaborative mutual nature of generalist social work practice Students will appreciate the authors warm straightforward style of communication and the sharing of personal experiences all of which make this an enjoyable and effective book **Instructor's Edition for Understanding Generalist Practice** Kirst-Ashman,2001-07 *Journal of Education for Social Work* ,2005 *Generalist Social Work Practice* Karla Krogsrud Miley,Michael O'Melia,Brenda DuBois,1998 These authors reconnect contemporary social work with its values purpose ethics and practice roots by integrating the current themes of strength empowerment and the ecosystems perspective into a practice process that has applications across all levels of client systems and all fields of practice This book uses a generalist approach to social work by offering practice processes that are appropriate to client systems of all sizes individuals families groups organizations and emphasizes client strengths as an integral part of the process **Proactive Management in Social Work Practice** Sharon Lambley,2009-05-27 Leadership and management appointments are often made on the basis of an exemplary performance record in a non managerial role with the implicit assumption that this standard will be transferred into the new role However the role of manager and leader in social care is very challenging and some managers struggle to acquire the level of performance they had achieved in their previous role This book will introduce the values and principles that underpin good leadership and management practice to anyone working in social work and social care services **The Social Work Experience** Mary Ann Suppes,Carolyn Cressy Wells,1996 **Philippine Encyclopedia of Social Work** ,2000 **Culture Change in Long-Term Care** Audrey S. Weiner,Judah L Ronch,2003-12-29 Change in the culture of long term care and the care of our elders is urgently needed This insightful book lights the way This book will inform you about the theoretical and practical applications of culture change within the institutional long term care setting It examines existing models of positive cultures emphasizing *Evaluation and Quality Improvement in the Human Services* Peter Gabor (Sociologist),Richard M. Grinnell,1994 *The Social Services* H. Wayne Johnson,1995 A text for a first course in a two year

or four year undergraduate social work program Contains sections on background social problems and social services methods of social work practice case vignettes and special groups issues and trends This fifth edition adds content on managed care technological change AIDS welfare reform and physician assisted suicide and reflects changes in accreditation in the field Annotation copyrighted by Book News Inc Portland OR **Canadian Social Welfare** Francis Joseph Turner, Joanne C.
