**A History of Australasian Economic Thought** Alex

Millmow,2017-07-14 This overview of Australasian economic thought presents the first analysis of the Australian economic contribution for 25 years and is the first to offer a panoramic sweeping account of New Zealand economic thought Those two countries both at the start of the twentieth century and at its end excelled at innovative economic practices and harbouring unique economic institutions A History of Australasian Economic Thought explains how Australian and New Zealand economists exerted influence on economic thought and contributed to the economic life of their respective countries in the twentieth century Besides surveying theorists and innovators this book also considers some of the key expositors and builders of the academic economics profession in both countries The book covers key economic events including the Great Depression the Second World War the post war boom and the great inflation that overtook it and lastly the economic reform programmes that both Australia and New Zealand undertook in the 1980s Through the interplay of economic events and economic thought this book shows how Australasian economists influenced to differing degrees economic policy in their respective countries This book is of great importance to those who are interested in and study the history of economic thought economic theory and philosophy and philosophy of social science as well as Australasian economics

**Let's Tax**

**Carbon** Ross Garnaut,2024-10-29 A new path for Australia by eminent economist and author of the bestselling Superpower Could Australia become a full employment renewable energy superpower Ross Garnaut says yes and it starts with taxing carbon A levy on the big polluters will help fund Australia to become a carbon free energy giant lower the cost of living and assist the world to cut emissions In this path breaking book Ross Garnaut makes two linked arguments He focuses on the underpinnings of successful social democracy and traces when economic policy has worked for Australia and when it hasn't He leads off with a critique of the Albanese government is this a case of policy half done or a government sailing at half mast His second argument is about the low carbon opportunity that Australia has before it Garnaut brings to bear his unrivalled expertise on industrial development here and internationally He calls for a new Carbon Solutions Levy Getting this right is a way to secure the economic base of Australia's social democracy A thought provoking book by a visionary thinker

**Navigating Prosperity and Security in East Asia** Shiro Armstrong,Tom Westland,Adam Triggs,2023-05-18 The world's two largest economies the United States and China are locked in a trade war complicating policy choices internationally These choices are sharper for the countries of East and Southeast Asia than they are elsewhere because the multilateral

rules based economic order on which East Asian economic integration and cooperation is built is under threat Economic policy has never been separate from security considerations For decades the national security risks inherent in economic exchange have been mitigated under a US led system that allowed the strengthening of economic ties including between China and the rest of the world But economics and security are increasingly entangled in a way that is damaging to both creating a dangerous trade off Now as global uncertainties grow the risks of international exchange rather than its benefits are beginning to dominate the calculus for some policymakers Against this backdrop how can Southeast Asian countries and US allies in Asia balance their security interests and their economic interests And how can these countries individually and collectively broaden their policy options and deepen economic integration This volume investigates the domestic and international dimensions of these questions *Vital Signs, Vibrant Society* Craig Emerson,2006 Sets out a program of economic and social reform for the next 50 years aimed at boosting the living standards and overall well being of all Australians during a period when the nation s population will age significantly **Social Democracy in East Timor** Rebecca Strating,2015-10-05 Since the end of the Cold War considerable scholarly debates have been devoted to the nature and scope of international state building interventions in fragile post colonial states and their effectiveness in instituting democratic rule By examining the construction of political institutions in East Timor this book highlights the relationship between the social and political realms during these processes Focusing on the roles of East Timorese leaders and civil society organisations during the independence movement it analyses the effectiveness of democracy building in East Timor It examines the processes of drafting the new constitution establishing key political institutions such as the electoral system and articulating a new vision of citizenship and social justice The book argues that East Timor offers a relatively successful case of democratic transition enabled by a consistent set of goals and aspirations grassroots political legitimacy and participation and the development of a democratic civil nation Offering a coherent argument for why democracy has been successful in East Timor and the roles of political leaders and civil society during democratic transition this book will be of interest to those studying Southeast Asian Politics International Politics and Democracy **APAIS 1991: Australian public affairs information service** , **The New Palgrave Dictionary of Economics** ,2016-05-18 The award winning The New Palgrave Dictionary of Economics 2nd edition is now available as a dynamic online resource Consisting of over 1 900 articles written by leading figures in the field including Nobel prize winners this is the definitive scholarly reference work for a new generation of economists Regularly updated This product is a subscription based product **Journal of Asian Business** ,2002 *The Routledge Handbook of Populism in the Asia Pacific* D. B. Subedi,Howard Brasted,Karin von Strokirch,Alan Scott,2023-09-29 This handbook brings national and thematic case studies together to examine a variety of populist politics from local and comparative perspectives in the Asia Pacific The chapters consider key and cross cutting themes such as populism and nationalism religion ethnicity and gender as well as authoritarianism They show how populist politics alters the

way governments mediate state society relations The essays in this volume consider diverse approaches in populist politics for example post colonial strategic vs ideational growth and redistribution leadership styles and in what ways they are similar to or different from populist discourses in Europe and the United States under what social political economic and structural conditions populist politics has emerged in the Asia Pacific region national case studies drawn from South East and Southeast Asia as well as the Pacific analyzing themes such as media religion gender medical populism corruption and cronyism and inclusive vs exclusive forms of populist politics modes and techniques of social and political mobilization that populist politicians employ to influence people and their impact on the way democracy is conceived and practiced in the Asia Pacific As a systematic account of populist ideologies strategies leaders and trends in the Asia Pacific this handbook is essential reading for scholars of area studies especially in the Asia Pacific politics and international relations and political and social theory

**Reset** Ross Garnaut, 2021-02-22 The nation's most prophetic economist Ross Gittins In Reset renowned economist Ross Garnaut shows how the COVID 19 crisis offers Australia the opportunity to reset its economy and build a successful future and why the old approaches will not work Garnaut develops the idea of a renewable superpower he calls for a basic income and he explores what the decoupling of China and America will mean for Australia In the wake of COVID 19 the world has entered its deepest recession since the 1930s Shocks of this magnitude throw history from its established course either for good or evil In 1942 in the depths of war the Australian government established a Department of Post War Reconstruction to plan a future that not only restored existing strengths but also rebuilt the country for a new and better future As we strive to overcome the coronavirus challenge we need new practical ideas to restore Australia This book has them La Trobe University Press in conjunction with Black Inc and the University of Melbourne

**Australia, Asia and the New Regionalism** Paul Keating, 1996 The Honourable Paul Keating then Prime Minister of Australia delivered the 1996 Singapore Lecture

Cambridge Yearbook of European Legal Studies Vol 3, 2000 Alan Dashwood, J R Spencer, Angela Ward, Christophe Hillion, 2002-03-05 This book provides a new forum for the scrutiny of significant issues in European Union Law the Law of the Council of Europe and Comparative Law with a European dimension and particularly those which have come to the fore during the year preceding publication The contributions appearing in the collection are commissioned by the Centre for European Legal Studies CELS Cambridge The papers presented are all at the cutting edge of the fields which they address and reflect the views of recognized experts drawn from the University world legal practice and the civil services of both the EU and its Member States Inclusion of the comparative dimension brings a fresh perspective to the study of European law and highlights the effects of globalization of the law more generally and the resulting cross fertilization of norms and ideas that has occurred among previously sovereign and separate legal orders The Cambridge Yearbook of European Legal Studies is an invaluable resource for those wishing to keep pace with legal developments in the fast moving world of European integration

*The State and 'Globalization'* Martin Upchurch, 2019-01-22 This collection of country

studies explores changing relationships between the state employers and labour in an increasingly internationalized world economy It covers ten countries and examines the tensions and contradictions caused by neo liberal market agendas The authors express concern at the potentially ravaging effects of market deregulation on organized labour and present a critical account of state efforts to emulate desired models of national economic development While the central core of the book concerns itself with changing labour relations this is placed within the wider context of state and employer strategy and covers issues such as labour market segmentation welfare and taxation regimes and varying approaches to corporatism **A**

**Letter to Generation Next: Why Labor** Kim Carr, 2013-08-01 Senator Kim Carr is a true believer He details what the Party stands for in the 21st century In *A Letter to Generation Next Why Labor* he lays out a heartfelt argument about why politics is important in our daily lives and demands our involvement This is a book from a passionate and pragmatic idealist which makes the case for activism and proposes that for the current generation of social democrats the time has come to reinvigorate the Australian Labor Party Senator Carr was the third minister to resign after Kevin Rudd declined to challenge Prime Minister Julia Gillard following former Arts Minister Simon Crean's call for a leadership spill in March 2013 At the time he said I leave the ministry without rancour and I will continue to work for the Labor mission *A Letter to Generation Next Why Labor* is part of that commitment **Trade and Cooperation with the European Union in the New**
