*Development and the Empowerment of Marginalised Groups* Debal K. SinghaRoy, 2001-01-01      Exploring Social Movements Biswajit Ghosh, 2024-06-18 This book introduces the readers to the dynamics of various kinds of social movements. It examines how social movements have become an instrument of social change including assertion of identity and protest against marginalisation. This book describes three major domains: conceptual, experiential, and the impact of globalisation on social movements. The volume begins by locating social movements within broad and contemporary social processes and explores the intrinsic and complex patterns of dynamics among state, market, and social movements from a critical sociological perspective. It explains the meaning, basic features, origins, and types, leadership, and ideology and perspectives of social movements and probes into major experiences of eight social movements in India: namely, peasant and farmers, tribal, Naxalite and Maoist, Dalit, working class, women, ethnic, and environmental movements. This book also analyses the role of information technology, media, and civil society in the spread and continuation of such movements. The experiences of queer, new religious, anti-systemic, and anti-displacement movements would also help readers understand how globalisation has offered new avenues of protest to diverse sections of the population. Lessons of anti-globalisation movements across the world provide a futuristic perspective in assessing the strength of social movements in a global society. This book will be useful to the students, researchers, and faculty working in the field of political science, sociology, gender studies, and post-colonial contemporary Indian politics, in particular. It will also be an invaluable and interesting reading for those interested in South Asian studies.      *Sociological Bulletin* Indian Sociological Society, 2004      Stone Quarry Workers Robin D. Tribhuwan, Jayshree Patil, 2009 Study conducted at Moshi and Yewalewadi villages of Haveli Block of Pune District in Maharashtra, India.      **Identities in South Asia** Vivek Sachdeva, Queeny Pradhan, Anu Venugopalan, 2019-04-09 This book examines how identities are formed and expressed in political, social, and cultural contexts across South Asia. It is a comprehensive intervention on how, why, and what identities have come to be and takes a closer look at the complexities of their interactions. Drawing on an interdisciplinary approach combining methodologies from history, literary studies, politics, and sociology, this book explores the multiple ways in which personal and collective identities manifest and engage, are challenged, and resisted across time and space. Highlights how the shared history of colonialism and partition, communal violence, bloodshed, and pogrom are instrumental in understanding present-day developments in identity politics. Sheds light on a number of current themes such as borders and nations, race and ethnicity, identity politics, and fundamentalism, language and regionalism, memory and community, and resistance and assertion. A key volume in South Asian Studies, this book will be of great interest to scholars and researchers of modern South Asian history, politics, sociology, literary studies, and social exclusion.      *Unpacking Globalization* Linda E. Lucas, 2007-08-02 *Unpacking Globalization* examines the experiences of people living with the forces that are transforming economic systems, culture, gender relationships, and governance. The book offers interdisciplinary analysis of the well-being of women and men as they cope with the changes of globalization. Through

theory case studies and data several themes emerge indicating that from the household to the continental level change is leading to new awareness and new survival strategies for both women and men The contributors to the volume come from Africa Asia Europe and North and South America They present analysis of global changes and historical background from diverse perspectives and offer case studies on social security gender and macroeconomy They employ feminist theory as well as detail the experiences of current and future women entrepreneurs An exciting interdisciplinary text Unpacking Globalization can supplement women s studies anthropology sociology and economic development courses

**Encountering The Adivasi Question** P. Bandhu,T.G. Jacob,2019-08-01 The main problem facing most Adivasi groups in the country is displacement and loss of their own original habitats and livelihood through development projects like dams tourism and wildlife sanctuaries By generally categorising them as girijan mountain dwellers vanavasis forest dwellers or tribal with its connotations of primitive and backward or even the popular jangli wild in official parlance and in the mass media they are robbed of their identity dignity and rights as among the first peoples of this subcontinent who earlier enjoyed economic and political freedom and autonomy in the form of self rule All over India the process of uprooting indigenous people from their rich culture is on the disruption of a way of life fundamental to which is the belief that it is not the earth which belongs to man but man who belongs to the earth
