## Social Philosophy Of Josiah Royce:

The Philosophy of Josiah Royce Josiah Royce, 1882-01-01 There is nothing available that I know of that comes as close to representing the range of Royce's works John H. Lavelle *The Social Philosophy of Josiah Royce* Josiah Royce, 1950 **The Social Philosophy of Josiah Royce** Edward K. Cummings, Iona College. Department of Philosophy, 1968 **The Social Dimensions of the Philosophy of Josiah Royce** Ralph Di Pasquale (o.f.m.), 1961 *Time, Will, and Purpose* Randall Auxier, 2013-12-10 Josiah Royce 1855-1916 has had a major influence on American intellectual life both popular movements and cutting edge thought but his name often went unmentioned while his ideas marched forward The leading American proponent of absolute idealism Royce has come back into fashion in recent years With several important new books appearing the formation of a Josiah Royce Society and the reorganization of the Royce papers at Harvard the time is ripe for Time Will and Purpose Randall Auxier delves into the primary texts written by Royce to retrieve the most poignant ideas the ideas we need most in the present day while he also offers a new framework for understanding the development of Royce's philosophy Auxier responds to everything that has been written about Royce both early and recent *The Social Dimensions of the Philosophy of Josiah Royce* Ralph J. De Pasquale, 1961 **The social dimension of the philosophy of Josiah Royce** Ralph Di Pasquale, 1961 **The Religious Philosophy of Josiah Royce** Josiah Royce, 1976 **The Social Dimensions of the Philosophy of Josiah Royce** Ralph Di Pasquale (OFM.), 1961 **The Basic Writings of Josiah Royce: Culture, philosophy, and religion** Josiah Royce, Ignas K. Skrupskelis, 2005 Now back in print and in paperback these two classic volumes illustrate the scope and quality of Royce's thought providing the most comprehensive selection of his writings currently available They offer a detailed presentation of the viable relationship Royce forged between the local experience of community and the demands of a philosophical and scientific vision of the human situation The selections reprinted here are basic to any understanding of Royce's thought and its pressing relevance to contemporary cultural moral and religious issues

**Josiah Royce** Christoph Seibert, Christian Polke, 2021 Josiah Royce was undoubtedly one of the most interesting thinkers of classical American philosophy in the transition from the 19th to the 20th century His works cover a wide range of subjects from psychology and issues of social philosophy to metaphysics Surrounded by philosophers such as William James or Charles Sanders Peirce Royce developed a concept of pragmatism which he himself called absolute pragmatism and which was centred around a theory of community The essays in this edited volume deal with this pragmatistic approach in his work and discuss it from various points of view Among other things they explore Royce's relationship to German idealism the foundation of his ethics as well as his philosophical doctrine of God and his philosophy of religion This results in rather divergent assessments of his philosophy each of which is evidence of the enduring relevance of his thinking for the world of today *The Works of Josiah Royce*, 1998 The Past Masters Works of Josiah Royce I database contains all of the longer works by Josiah Royce *The Social Philosophy of English Idealism* A. J. M. Milne, 2021-04-13 At the turn of the century

Idealism was perhaps the leading school of philosophy in the English speaking world By the 1960s the situation was very different There had occurred during the previous two generations what has been described as a revolution in philosophy one consequence of which had been the almost total eclipse of Idealism Originally published in 1962 this book is a critical study of certain aspects of the work of four Idealist philosophers F H Bradley T H Green Bernard Bosanquet and Josiah Royce It deals mainly with their social philosophy but some consideration is also given to their metaphysics It is the thesis of this book that there is a valid and significant form of Idealism to be found in the work of these philosophers but that they did not succeed in developing it fully and consistently

**The Life and Thought of Josiah Royce** John Clendenning, 1999 Now back in print The Life and Thought of Josiah Royce reappears in a substantially rewritten and expanded edition of the first comprehensive biography originally published to great acclaim in 1985 Several years later a large collection of previously unknown and unpublished correspondence and other materials was discovered This newly discovered material has allowed Clendenning to probe deeper into Royce s personal professional and philosophical lives and to strengthen his findings The result is an even more revealing portrait of this remarkable intellectual figure

*Josiah Royce's 1909 Pittsburgh Loyalty Lectures* Mathew A. Foust, 2021-10-26 American philosopher Josiah Royce 1856 1916 delivered three lectures on the topic of loyalty at the Twentieth Century Club in Pittsburgh in February 1909 These lectures The Conflict of Loyalties The Art of Loyalty and Loyalty and Individuality are indispensable for a complete and coherent picture of the development of Royce s philosophy of loyalty This publication marks the first appearance of these lectures in a book making them widely accessible to readers Included in this volume is an Editor s Introduction by Mathew A Foust a preeminent scholar of Royce s philosophy of loyalty Foust details the mysteries long surrounding these lectures and the clues that led to their solutions Foust then demonstrates how the 1909 Pittsburgh Loyalty Lectures constitute a missing link between The Philosophy of Loyalty 1908 and subsequent works by Royce such as Loyalty and Insight in William James and Other Essays on the Philosophy of Life 1911 The Sources of Religious Insight 1912 The Problem of Christianity 1913 War and Insurance 1914 and The Hope of the Great Community 1916 Students and scholars of American Studies the history of philosophy ethics and moral philosophy and social philosophy will find much of enduring relevance in Josiah Royce s 1909 Pittsburgh Loyalty Lectures

**The Philosophy of Loyalty** Josiah Royce, 1908 [Conversations on Irving Street: Josiah Royce's Contribution to Symbolic Interactionism](#) Darrick Lee Brake, 2019-07-15 What influence did Josiah Royce s academic work 1913 1917 have on the development of classical Symbolic Interactionist thought And which philosophical influences shaped Royce s social and philosophical thought This book provides a holistic approach to Royce s academic work and the social philosophy that shaped Symbolic Interactionist theory By critically evaluating the works of Royce this book reveals how his ideas and social philosophy made significant contributions to both Symbolic Interactionist thought and sociological theory Situating his contributions within a socio historical time frame Royce s social philosophy is compared and contrasted to the major concepts

of George Herbert Mead *Mind Self and Society* and Herbert Blumer's core synthesized components of classical symbolic interactionist thought Symbolic Interactionism Perspective and Method Thus demonstrating that Royce's later academic works closely resemble not only the basic ideas of Mead but also have a strong correspondence with Blumer's synthesis of the three basic premises and eight root images that outline the theoretical core of Symbolic Interactionist thought For those looking to investigate or discover new aspects of symbolic interactionist theory from a classical viewpoint this book offers a unique insight into an American philosopher whose contribution to the development of Symbolic Interactionism has been largely unnoticed

**Josiah Royce in Focus** Jacquelyn Ann K. Kegley, Richard B. Gunderman, 2008-10-17 This new approach to Josiah Royce shows one of American philosophy's brightest minds in action for today's readers Although Royce was one of the towering figures of American pragmatism his thought is often considered in the wake of his more famous peers Jacquelyn Ann K. Kegley brings fresh perspective to Royce's ideas and clarifies his individual philosophical vision Kegley foregrounds Royce's concern with contemporary public issues and ethics focusing in particular on how he addresses long standing problems such as race religion community the dangers of mass media mass culture and blatant individualistic capitalism She offers a deep and fruitful philosophical exploration of Royce's ideas on conflict resolution memory self identity and self development Kegley's keen understanding and appreciation of Royce reintroduces him to a new generation of scholars and students

*Josiah Royce's Late Writings* Josiah Royce, 2001-11-15 No Marketing Blurb [The Basic Writings of Josiah Royce](#) Josiah Royce, Ignas K. Skrupskelis, 1969 Now back in print and in paperback these two classic volumes illustrate the scope and quality of Royce's thought providing the most comprehensive selection of his writings currently available They offer a detailed presentation of the viable relationship Royce forged between the local experience of community and the demands of a philosophical and scientific vision of the human situation The selections reprinted here are basic to any understanding of Royce's thought and its pressing relevance to contemporary cultural moral and religious issues
