Social Problems Annual Editions:

Annual Editions Kurt Finsterbusch, 2004-03 The articles presented in this book were selected for their attention to important issues the value of the information and ideas they present and or their ability to move the reader to concern and possibly even action toward correcting social problems This book begins by defining social problems and presenting a general critique of American society Next the book examines some big issues in the political and economic systems that have society wide impacts Next it examines issues of inequality and injustice that challenge basic American values The book then considers how well the various institutions of society work and studies the traditional problem of crime and law enforcement Finally the book confronts the issues of sustainability in a world experiencing serious environmental decline To the reader

Brief History of Social Problems Frank J. McVeigh, Loreen Therese Wolfer, 2004 In this book Frank McVeigh and Loreen Wolfer take an historical approach to examine the causes and conflicts behind ten major social problems that have existed for nearly 230 years Using a critical thinking perspective of the history sociology politics and economics of the period the authors analyze social problems as a series of conflicts between those with power and those who were at one time virtually powerless Embedded in this analysis is a discussion of how the shift from a Gemeinschaft to Gesellschaft society has influenced how we address these problems Using these themes McVeigh and Wolfer provide thought provoking insight into the ways individuals groups and social institutions change over time gaining or losing power The book contains a preface by Arthur Shostak Drexel University
