**Introduction to Yemen** Gilad James, PhD, Yemen is a small country situated in the southwestern part of the Arabian Peninsula bordered by Saudi Arabia to the north Oman to the east and the Red Sea and the Gulf of Aden to the west and south respectively The country has a land area of about 527 970 sq km and a population of over 29 million people making it one of the poorest and most densely populated countries in the Middle East The capital of Yemen is Sana'a which is also its largest city The country is largely composed of arid and rugged terrain with few fertile areas and its economy is heavily dependent on agriculture and oil export Yemen is a republic with a president elected for a five year term Its political system is based on a mix of Islamic and civil law The country is predominantly Muslim with the majority belonging to the Sunni sect although there is also a significant Shiite minority The official language is Arabic and the currency is the Yemeni rial Yemen has a rich cultural heritage with a long history dating back to ancient times when it was known as the Kingdom of Sheba Its

historical legacy can still be seen in the old cities of Sana'a and Zabid which are UNESCO World Heritage sites. Despite its rich cultural heritage, Yemen has been plagued by internal conflicts since the 1960s, and the civil war that began in 2015 has only worsened the country's political and economic instability. Yemen remains one of the poorest and most war-torn countries in the world, with a humanitarian crisis that has left millions of people in dire need of aid.

**Comparing Communism, Capitalism, Socialism, and Democracy** Raghav Pillai, 2025-02-20. Comparing Communism, Capitalism, Socialism, and Democracy navigates the intricate tapestry of global governance and economic systems. This enlightening book dissects four fundamental ideologies that have shaped human history. Going beyond surface-level definitions, it delves into the historical evolution, key principles, and distinctions that define each ideology. Whether you are a seasoned scholar, curious student, or an individual seeking a profound understanding of the world's socio-political landscape, this book provides a roadmap to unravel communism, capitalism, socialism, and democracy. Uncover the roots of each ideology, tracing their origins from pivotal historical moments. Explore the economic paradigms, understanding how they shape wealth distribution, production, and resource allocation. Examine governance models from centralized planning to democratic governance and their impact on citizen participation and political stability. Delve into societal dimensions, evaluating how these ideologies foster inclusivity, address disparities, and preserve cultural identity. Analyze the contemporary relevance of each ideology, considering their adaptability to global challenges and their impact on international relations. Comparing Communism, Capitalism, Socialism, and Democracy serves as an indispensable guide for anyone seeking clarity in political and economic ideologies. It offers a reader-friendly yet comprehensive exploration, equipping individuals with knowledge to critically engage with diverse ideologies shaping our global society.

**The SAGE Handbook of Conflict Resolution** Jacob Bercovitch, Victor Kremeneyuk, I William Zartman, 2008-12-03

The SAGE Handbook of Conflict Resolution demonstrates the range of themes that constitute modern conflict resolution. It brings out its key issues, methods, and dilemmas through original contributions by leading scholars in a dynamic and expanding field of inquiry. This handbook is exactly what it sets out to be: an indispensable tool for teaching, research, and practice in conflict resolution.

Peter Wallensteen, Professor of Peace and Conflict Research, Uppsala University and University of Notre Dame; Bercovitch, Kremeneyuk, and Zartman are among the most important figures in the conflict resolution field. They have pieced together, with the help of more than 35 colleagues from numerous countries, a state-of-the-art review of the sources of international conflict, available methods of conflict management, and the most difficult challenges facing the individuals and organizations trying to guide us through these conflict-ridden times. The collection is brimming with penetrating insights, trenchant analyses, compelling cases, and disciplined speculation. They help us understand both the promise of as well as the obstacles to theory building in the new field of conflict resolution.

Lawrence Susskind, Professor and Director of the MIT Harvard Public Disputes Program: The last three sentences of this persuasive book: We conclude this volume more than ever convinced that conflict resolution is not just possible or desirable in the current international environment. It is absolutely necessary. Resolving conflicts and making peace is no longer an option; it is an intellectual and practical skill that we must all possess. If you are part of that, we intellectually or professionally, you will find this book a superb companion.

Thomas C. Schelling, Professor Emeritus, Harvard University and University of Maryland: Conflict resolution is one of the fastest growing academic fields in the world today. Although it is a relatively young discipline, having emerged as a specialized field in the 1950s, it has rapidly grown into a self-contained, vibrant, interdisciplinary field. The SAGE Handbook of Conflict Resolution brings together all the conceptual, methodological, and substantive elements of conflict resolution into one volume of over 35 specially commissioned chapters. The Handbook is designed to reflect where the field is today by drawing on the contributions of experts from different fields, presenting in a systematic way the most recent research and practice.

Jacob Bercovitch is Professor of International Relations and Fellow of the Royal Society at the University of Canterbury in Christchurch, New Zealand. Victor Kremeneyuk is deputy director of the Institute for USA and Canada Studies, Russian Academy of Sciences, Moscow. He is also a research associate at IIASA. I William Zartman is Jacob Blaustein Professor of Conflict Resolution and International Organization at the Nitze School of Advanced International Studies of Johns Hopkins University.

*Inequality – the unbeatable challenge* Medani P. Bhandari, Shvindina Hanna, 2022-09-01

This edited book presents some unexplored issues of economic inequality, including case studies of various countries. Inequality is a chronic and divisive factor of society. Inequality exists as an integral attribute of human development. Communities, nations, and systems are not evolving at the same speed and rate and thus require different resources in different amounts. However, the distribution of winnings is also uneven due to the multidimensionality of influencing factors.

When we talk about inequality it is not just inequality of income or wealth it is first inequality in access to priorities and human needs to shelter to clean water air health care and also to appropriate vaccination systems and assistance security systems and safety guarantees for the future Past financial crises and the current pandemic shock has revealed bugs in the system shaking it and changing our perception of the norms We may have no doubts that inequality is an unsolved problem but now we need to find out is it unbeatable There is still lack of knowledge around how inequality has been grounded throughout human civilization why society is stratified and classified economically politically socially and religiously and why the discrimination due to gender sexual orientation country of origin language differences immigration status caste race and ethnicity This book addresses these issues in a holistic way as well as including case studies of various countries It tries to find out why inequality has been unbeatable and what would be the best policies to overcome this challenge *Hate Crime in Turkey* Deniz Ünan Göktan, 2017-06-20 This book examines how hate crime as a contemporary legal concept is introduced and represented in Turkish public discourse The study addresses questions of how effective the hate crime debate in Turkey has been in identifying bias motivated violent incidents and how social institutions perceive hate crimes and influence the related debates instigated by social movement actors First of all the study explores the movement against hate crime in Turkey and argues that hate crime has operated as an umbrella term diverting distinct identity movements into dialogue and collaboration but has also created a partial collective identity Thereafter to grasp the repercussions of the emerging anti hate crime movement in the public discourse the book focuses on the media and parliament Accordingly media and the governing bodies in both direct and indirect ways are shown here to constitute an impediment to the recognition of bias and prejudices

**People-to-People Diplomacy in Israel and Palestine** Sapir Handelman, 2016-04-08 The Minds of Peace Experiment is a small scale Israeli Palestinian public negotiating congress The exercise invites Israeli and Palestinian delegations to publicly negotiate solutions to their struggle over a limited period of sessions The initiative is designed to demonstrate the peacemaking power of a major public negotiating congress to evaluate its potential outcomes and to get support for its establishment Scholars from different disciplines describe and analyze the enterprise They provide valuable lessons for improving and elaborating the initiative which has been conducted in major universities around the U S Canada and in Israel Palestine The intention is to add a fresh perspective to the efforts to build a revolutionary peacemaking process in the Israeli Palestinian case The Minds of Peace Experiment is a fascinating laboratory for people to people diplomacy and negotiation The exercise succeeded to demonstrate how people from all walks of life and the entire political spectrum can reach peace agreements while their leaders face major problems in their relationship The book intends to provoke critical and fruitful discussion among those who are interested in negotiation diplomacy and the Israeli Palestinian conflict This book was published as a special issue of Israel Affairs
