Social Science Commentary On The Gospel On John:

Social-Science Commentary on the Gospel of John Bruce J. Malina, Richard L. Rohrbaugh, This work assembles and catalogs the values conflicts and mores of ancient Mediterranean culture pertinent to the Fourth Gospel In many ways the authors disclose the Fourth Gospel addresses an alienated antisociety fundamentally at odds with its predominant culture With its unique format charts and photos this social science commentary is the ideal companion for the study of the Fourth Social-Science Commentary on the Synoptic Gospels Bruce J. Malina, Richard L. Rohrbaugh, The authors build on their earlier social scientific works and enhance the highly successful commentary model they developed in their social scientific commentaries This volume is a thoroughly revised edition of this popular commentary They include an introduction that lays the foundation for their interpretation followed by an examination of each unit in the Synoptics employing methodologies of cultural anthropology macro sociology and social psychology A Handbook of New **Testament Exegesis** Craig L. Blomberg, Jennifer Foutz Markley, 2010-11 This accessible handbook provides sound guidance on how to study the New Testament in depth offering a step by step approach to the exegetical task John Francis J. SDB Moloney, 2013-11-19 The command to love is central to the Gospel of John Internationally respected scholar Francis Moloney offers a thorough exploration of this theme focusing not only on Jesus s words but also on his actions Instead of merely telling people that they must love one another Jesus acts to make God's love known and calls all who follow him to do the same This capstone work on John's Gospel uses a narrative approach to delve deeply into a theme at the heart of the Fourth Gospel and the life of the Christian church Uniting rigorous exegesis with theological and pastoral insight it makes a substantive contribution to contemporary Johannine scholarship The Social Setting of Jesus and the Gospels Wolfgang Stegemann, Bruce J. Malina, Gerd Theissen, Contributions by internationally known scholars from the United States Germany Scotland Spain and Canada move beyond many of the impasses in historical Jesus research Includes essays using social sciences social history and traditional historical methods The Social Gospel of Jesus Bruce J. Malina, 2001 Scholars are agreed that the central metaphor in Jesus proclamation was the kingdom of God But what did that phrase mean in the first century Palestinian world of Jesus Since it is a political metaphor what did Jesus envision as the political import of his message Since this is tied to the political economy how was that structured in Jesus day How is the violence of Jesus Mediterranean world addressed in the kingdom And how does self denial fit into Jesus agenda Malina tackles these questions in a very accessible way providing a social scientific analysis meaning that he brings to bear explicit models and a comparative approach toward an exciting interpretation of what Jesus was up to and how his first century audience would have heard him Dancing Girls, Loose Ladies, and Women of the Cloth F. Scott Spencer, 2004-09-14 The women in Jesus life are a raucous and rowdy bunch including riotous foremothers loose women and distressed daughters of Israel Reading these new ways of interpreting women in the Gospels male New Testament scholars have discovered

liberating perspectives In seven scintillating studies Spencer explores among others the genealogy of Matthew's Gospel to discover the riotous yet righteous nature of Jesus foremothers slave girls and prophetic daughters in Luke Acts and women leading men in the Gospel of Mark 5 7 Scott Spencer a virtuoso young New Testament scholar provides his own lively forays into reading the Gospels through women s eyes He shows what it is like for a man to read stories about the women in Jesus life from a new perspective Spencer is an able and inventive scholar whose broad ranging insights and engaging style make his work very accessible Gospel of Glory Richard Bauckham, 2015-08-11 Throughout Christian history the Gospel of John s distinctive way of presenting the life works teachings death and resurrection of Jesus have earned it labels such as the spiritual Gospel and the maverick Gospel It has been seen as the most theological of the four canonical Gospels In this volume Richard Bauckham a leading biblical scholar and a bestselling author in the academy illuminates main theological themes of the Gospel of John Bauckham provides insightful analysis of key texts covering topics such as divine and human community God's glory the cross and the resurrection and the sacraments This work will serve as an ideal supplemental text for professors and students in a course on John or the four Gospels It will also be of interest to New Testament scholars and Social-Historical Readings of Literary, Theological, and Narrative Themes and Motifs in Luke-Acts Michael theologians Blythe, 2024-07-18 This publication engages a broad set of narratives themes and motifs in Luke Acts many of which are treated with social scientific criticism employing various social political historical and economic paradigms to generate fresh and robust readings of ancient texts Moreover most essays contained in this book offer remarkably unique engagements providing students and scholars the opportunity to further expand the material to make vibrant contributions to their own research projects With thirteen diverse chapters this book offers anyone interested in Lukan scholarship a vibrant introduction to various lesser explored elements within Luke s writings A Prologue to Studies in the Fourth Gospel Riku P. Tuppurainen, 2021-05-25 The Fourth Gospel both blesses and betrays It blesses readers who engage with its message but it may betray those who read it nonchalantly The notion that the Fourth Gospel is easy to understand is an enduring myth This volume takes readers on a heuristic journey to discover the Fourth Gospel's unique theological aspects problematic historical matters inimitable literary features and various interpretive approaches using an accessible format and easy to read language The purpose of this publication is to enable readers to appreciate the Fourth Gospel s wide horizon so necessary to understand its narratives in their historical and narrative contexts Like the prologue of the Fourth Gospel that introduces and gives perspective on how readers should approach the rest of the Gospel similarly this volume introduces and gives perspective to studies in the Fourth Gospel The text is divided into three parts which examine its independent theology and argumentation various outstanding issues and its interpretation respectively This volume is suitable for a wide readership from Bible study groups to pastors and from undergraduate to graduate students **Songs of Resistance** R. Alan Streett, 2022-11-11 Songs of Resistance Challenging Caesar and Empire examines New Testament hymns in light of

their historical and cultural contexts Such a reading yields new insights Rather than finding theological truths alone one also discovers lyrics that contest and defy Rome's great tradition. The early Christ followers sang songs that opposed the empire's worldview and offered an alternative vision for society These songs were a first century equivalent of modern day protest songs But instead of marching and singing in the streets believers gathered in private spaces where they lifted their voices to Jesus and retold the story of his execution as an enemy of the state and how God raised him from the dead to rule over the universe As they sang believers were emboldened to remain faithful to Christ and withstand the temptation to comply with the sociopolitical agenda of the empire Johannine Social Identity Formation after the Fall of the Jerusalem Temple Christopher A. Porter, 2021-10-25 In Johannine Social Identity Formation after the Fall of the Jerusalem Temple Christopher Porter reads the Fourth Gospel through the lens of social identity theory as means of reconciling the social dislocation and trauma of the destruction of the Jerusalem temple Analysing the Fourth Gospel in conversation with other temple removed texts of Qumran Philo and Josephus the gospel's intent to renegotiate cultic life without the temple can be seen Through this analysis it is argued that the Fourth Gospel primarily functions as an intra mural Jewish text attempting to negotiate the formation of a Jesus follower social identity in direct continuity with earlier Jewish shared social narratives Finally this work reviews the Johannine Community as an outcome of the Gospel identity formation *Bring Them into the Land* Jeffrey P. Garcia, Daniel Machiela, Chad Pierce, Benjamin Wold, 2025-06-10 This collection of studies honors Professor R Steven Notley s research collegiality and friendship In this volume scholars including Dr Notley's academic peers colleagues and former students engage issues gathered around the study of biblical texts within their geographical archaeological and linguistic contexts Throughout his career Professor Notley has distinguished himself as a world renowned historical geographer and researcher of the cultural and linguistic context of the Gospels His voice has been influential in the so called Jerusalem School of Synoptic Research typified by an approach to the Gospels in which their Jewish historical and social contexts are central This basic approach has grown significantly over recent decades and now constitutes a major area of New Testament study Additionaly Professor Notley has spent nearly forty years introducing groups of students and scholars to the land of Israel stressing the importance of historical geography for study of the Bible Especially noteworthy is his extensive scholarly collaboration over several decades with both Christian and Jewish scholars **Slave of All** Narry Santos, 2003-06-01 The Gospel of Mark is often described as a paradoxical gospel a riddle that teases its readers response and a narrative that possesses an enigmatic and puzzling character Santos argues that this puzzling character is seen clearly in the paradox of authority and servanthood in the gospel In tracing and analyzing this paradox throughout the Markan narrative he first develops a literary method for the study of paradox and having applied the results to authority and servanthood in Mark he discusses key contributions of the paradox to the three Markan issues of the disciples role in the Gospel the Messianic Secret and a profile of the Markan community **Facing the Mob** Benjamin Browning, 2022-02-25 Whether you are reading the

story of Pilate's encounter with angry crowds during the trial of Jesus or reading one of the numerous accounts of mob violence in the book of Acts you will find that the threat of crowd violence is a common theme in the New Testament particularly in the Gospels and Acts In Facing the Mob Benjamin Browning provides a thorough examination of how government officials in the early Roman Empire responded to civil unrest He then uses these insights from the ancient world to provide readers of the New Testament with tools that will help them to interpret civil unrest passages more effectively

The Last King of Israel Mike Chung, 2016-10-27 As death draws near life will be lived differently The Last King of Israel explores how the king of kings chose to live his final ten days culminating in the resurrection Lessons like spending time with loved ones dealing with difficult people handling criticism resting despite enormous stress and handling affliction are some of the areas addressed as Jesus faces imminent death Easter is one of the world's most revered holiday seasons this book will enhance understanding of this truly holy week Including the two days before Palm Sunday and continuing through the evening of his resurrection The Last King of Israel takes the reader on Jesus s epic final ten day journey as his mission on earth comes to an end Seeing how he died will teach all of us how to live Challenging both the heart and the mind The Last King of Israel is a must read for those who desire a deeper understanding of who Jesus is and the life he lived of Mark in Context Santiago Guijarro, 2022-04-14 The short story that we now know as the Gospel according to Mark was written in Greek twenty centuries ago in the context of an agrarian society that had been developing its own characteristics in the circum Mediterranean region Mark's account presupposes the values institutions and relationships of the culture in which Jesus and his first followers lived Modern readers of the Gospels however especially those born and raised in the North Atlantic postindustrial societies have other values and institutions and relate to each other according to other cultural codes This temporal and cultural distance between the ancient texts and their present day readers makes necessary an exegetical effort whose purpose is to recover as far as possible the reading scenarios presupposed by these texts In order to reconstruct these scenarios exegesis has turned in recent years to the social sciences whose models permit us to imagine and describe the situations presupposed by these ancient texts This book aims to show how the use of these scenarios elaborated with the help of the social sciences can contribute to a more considered and respectful reading of Mark's story **New Testament** Philology Melton Bennett Winstead, 2018-04-17 This work is dedicated to David Alan Black a New Testament scholar who has contributed to the love of the Koine Greek language as it pertains to New Testament studies in numerous ways as a professor author missionary and editor The goal of this book is to demonstrate for students the value of continued research in the Greek New Testament The essays demonstrate how research is currently being done utilizing such tools as grammatical studies discourse analysis textual criticism verbal aspect and other linguistic analyses The chapters include studies on exegesis verbal aspect prepositional compounds relevance theory and scripture memorization This book demonstrates the explanatory power of an in depth usage of New Testament Greek It is recommended for those who have had at least one year

of Greek **Reading Mark** David M. Rhoads,2004 One of the leading scholars on the Gospel of Mark utilizes a variety of methods to plumb the depths of this earliest story of Jesus From new forms of literary criticism social scientific explorations and reader response criticism Rhoads brings fresh insights to gospel studies *A World of Inequalities* Lucinda Mosher,2021-02-16 In this volume leading Christian and Muslim scholars respond to the global crisis of inequality by demanding and modeling interreligious dialogue Essays explore the roots of these realities how they are treated in Christian and Muslim traditions and texts and how the two faiths can work together to address inequality
