Coelho, 2024-08-28 This book studies the social formation of India through the lens of religion state ethnicity and governance It provides a nuanced understanding of the structural as well as the processual aspects of the Indian social sphere The volume studies diverse themes such as the impact of religiosity on religious consciousness the primacy of tribal identity in colonial India political inclusion of marginalised communities the emerging subaltern activism among others An important contribution this book will be of interest to scholars and researchers of sociology political sociology South Asian studies Affirmative action and political science **Exploring Social Movements** Biswajit Ghosh, 2024-06-18 This book introduces the readers to the dynamics of various kinds of social movements It examines how social movements have become an instrument of social change including assertion of identity and protest against marginalisation This book describes three major domains conceptual experiential and the impact of globalisation on social movements The volume begins by locating social movements within broad and contemporary social processes and explores the intrinsic and complex patterns of dynamics among state market and social movements from a critical sociological perspective It explains the meaning basic features origins and types leadership and ideology and perspectives of social movements and probes into major experiences of eight social movements in India namely peasant and farmers tribal Naxalite and Maoist Dalit working class women ethnic and environmental movements This book also analyses the role of information technology media and civil society in the spread and continuation of such movements The experiences of queer new religious anti systemic and anti displacement movements would also help readers understand how globalisation has offered new avenues of protest to diverse sections of the population Lessons of anti globalisation movements across the world provide a futuristic perspective in assessing the strength of social movements in a global society This book will be useful to the students researchers and faculty working in the field of political science sociology gender studies and post colonial contemporary Indian politics in particular It will also be an invaluable and interesting reading for those interested in

South Asian studies      **Land Reform in Developing Countries** Michael Lipton, 2009-06-24 Redistributing land rights is a tricky subject and one that easily becomes controversial as recent experience has shown This new book calmly examines the strengths and weaknesses of different forms of land redistribution      Theoretical Study of Ethnogeography Yanbo Guan, 2025-05-29 This book conducts a systematic research on the basic theoretical system of ethnogeography area differentiation and spatial changes of ethnic community national ecological outlook on human land relations geographical distribution of various nationalities in the world and historical geographical background of regional ethnic composition From the perspective of the development of the discipline through comprehensive review of the basic materials development process and research status of ethnogeography the book reveals the basic theoretical issues of the basic concepts subject attributes research objects contents and methods of ethnogeography and initially sets up the basic framework for the study of ethnogeography      *Guru Nanak Journal of Sociology* ,1996      **ICSSR Journal of Abstracts and Reviews** Indian Council of Social Science Research, 1997      **Attacking Poverty** ,2000 At the start of each decade the World Development Report focuses on poverty reduction The World Development Report now in its twenty third edition proposes an empowerment security opportunity framework of action to reduce poverty in the first decades of the twenty first century It views poverty as a multidimensional phenomenon arising out of complex interactions between assets markets and institutions This Report shows how the experience of poverty reduction in the last fifteen years has been remarkably diverse and how this experience has provided useful lessons as well as warnings against simplistic universal policies and interventions It shows how current global trends present extraordinary opportunities for poverty reduction but also cause extraordinary risks including growing inequality marginalization and social explosions The World Development Report 2000 2001 explores the challenge of managing these risks in order to make the most of the opportunities for poverty reduction      *Loyola Journal of Social Sciences* ,2001      **Research in Education** ,1973      **Police, Military and Ethnicity** Cynthia Enloe, 2024-12-06 This collection of essays describes and analyzes the ways in which government policymakers go about designing police forces and militaries The author includes both wide ranging comparative investigations of the dimensions of the state security phenomenon and specific case studies Dr Enloe uses the sociological concept of ethnicity to demonstrate how the armed forces in several nations have capitalized on racial and ethnic diversity to foster their own goals and those of the government and power elites She examines this idea by focusing on the ethnic factors involved in the evolution of the South African military the military ethnic connection in Malaysia and the role of the armed forces in the conflict in Ulster The author illustrates convincingly that not only individual citizens desire security but that nation states themselves are engaged in the same pursuit What often passes for or is justified in the name of citizen protection is in fact done to strengthen the state itself Militaries are recruited in ethnically skewed ways and increasing numbers of police forces throughout the world have military capacities not to enhance the security of private individuals but to protect the status quo of the central

government and the nation's establishment Dr Enloe covers an assortment of countries within the framework of her central argument which is practically as well as theoretically significant Each chapter can be read on its own and all deal with currently salient political conditions

**Young People, Social Capital and Ethnic Identity** Tracey Reynolds, 2013-10-18

Social capital and ethnicity are crucial to young people's understandings of their social world The strong bonding networks often assumed in ethnic groups suggest that individuals may prefer to be bonded to each other according to shared socio-cultural factors such as shared histories memories language customs traditions and values However bridging forms of social capital allow new understandings of ethnic identities to emerge and which involve dynamic and complex social processes that are continually changing and evolving according to time location and context This book explores the ways in which the concepts of social capital and ethnicity play a central role in young people's relationships participation in wider social networks and the construction of identities Researchers and scholars working in the fields of children and youth studies education families social and racial and ethnic studies offer differing accounts of the ways in which social capital operates in young people's lives across diverse social settings and ethnic groups This edited book is timely and significant given the public interest of researchers academics politicians and policymakers working in areas of youth and community work race relations and cultural diversity This book was published as a special issue of *Ethnic and Racial Studies*
