Medieval Miscellany Margaret Labarge,1997-01-15 This collection of occasional writings by renowned medieval scholar Margaret Wade Labarge considers an eclectic mix of themes and issues in the history of the Middle Ages The varied lives of medieval women their power and status within society are depicted through their own writings questions of medieval culture are linked to those facing humanity in our time travel as experienced by the most prestigious ambassador and by the lowliest pilgrim is explored and the origins and conditions of health care are examined These themes have inspired or informed the author s eight major historical works but are revisited here with the clarity wit and discipline of a great teacher A Medieval Miscellany will give readers already acquainted with Labarge s work new pleasure and provide an enticing path into medieval lives and time for new readers

Civilian Victims in War Alan L. Grey,2017-07-05 The status of the civilian today is that of a calculated casualty to die immediately or after agonizing suffering The civilian is also a hostage in the political power struggle since his continued safety depends upon the decision or even impulse of his leaders This is true if he is a citizen of a major power or if he lives elsewhere in unstable social and political environments Hartigan s book is a unique effort to deal with a mass but hidden problem the status of the civilian non combatant in conditions of armed conflict Civilian Victims in War fills the gaps in our knowledge of the origins of civilian immunity so that a full evaluation of the principle s continued worth may be made The book reviews the concepts of noncombatants civilian immunity how it arose from need and intuition and developed into legal practice The volume focuses on the development of this concept in the Western tradition not because civilian immunity was absent in Asia or Africa but because its present formulation owes its origin and elaboration to European custom practice and thought Civilian Victims in War is the first book to deal with the central theme of the innocent non combatant Hartigan seeks to pursue this subject in greater depth and asks the intelligent layman to reconsider his or her options in the face of modern warfare He touches on many subjects in this work which will spark interest with the general public and policy personnel those who should recognize themselves as civilians and see this book as their tragic history

Japanese Modernisation and Mingei Theory 田口卯吉,2004 Yanagi Soetsu Bernard Leach and Hamada Shoji are the golden trio of the Mingei folkcrafts movement The theory at its core and its adaptation by Leach has long been an influential Oriental aesthetic philosophy for studio craft artists in the West
