Child and Family Assessment in Social Work Practice Sally Holland, 2004-03-06

This is an essential guide for both social work students and practitioners involved in the assessment of children and their families. It is a guide for practice that is strongly rooted in research evidence. **Child Welfare** Jannah Hurn

Mather, Patricia B. Lager, 2000. This groundbreaking book discusses both child welfare policy and child welfare practice and provides a fully integrated balance between the two. This approach enables readers not only to understand policies and laws but also learn how to be an effective practitioner and advocate when working in a myriad of situations. By focusing on an approach with a multi-systemic view, readers learn how to prevent crisis situations such as child abuse and neglect and family separation rather than simply react to these issues. **Social Work Practice with Children, Third Edition** Nancy Boyd Webb, 2011-11-15. This book has been replaced by **Social Work Practice with Children Fourth Edition** ISBN 978 1 4625 3755 6.
