Social Work With Rural Peoples Theory And Practice:

Social Work with Rural Peoples : Theory and Practice Ken Collier,1980 **Social Work with Rural Peoples** Ken Collier,1993-01-01 Social workers choosing to work in smaller towns or rural communities face a different set of conditions and concerns from their city colleagues Ken Collier wrote his now classic text *Social Work with Rural Peoples* for those social workers whether they are just starting out or already in the field The gist of Collier s genuinely radical book is that for the rural social worker to be effective she must be able to identify with the struggles of the people she is trying to help that trying to maintain professional objective distance will merely ensure that the social worker becomes part of the problem rather than part of the solution For the social worker in a smaller community Whose side are you one is the most important question to be answered before any effective work can be done It is an indictment of the slow pace of progress against the societal problems facing rural populations that a third edition of *Social Work with Rural Peoples* is necessary **Rural Social Work** T. Laine Scales,Calvin L. Streeter,H. Stephen Cooper,2013-07-03 A thoughtful text integrating strengths assets and capacity building themes with contemporary issues in rural social work practice Now in its second edition *Rural Social Work* is a collection of contributed readings from social work scholars students and practitioners presenting a framework for resource building based on the strengths assets and capacities of people a tool essential for working with rural communities This guide considers methods for social workers to participate in the work of sustaining rural communities Each chapter features a reading integrating the themes of capacity building and rural social work discussion questions that facilitate critical thinking around the chapter and suggested activities and assignments *Rural Social Work Second Edition* explores Important practice issues in rural communities including the challenges of working with stigmatized populations such as gay lesbian bisexual and transgendered people the homeless and people living with HIV AIDS Practice models that hold special promise for rural social workers including evidence based practice and community partnership models Newer research tools such as asset mapping social network analysis concept mapping and Geographic Information Systems GIS Exploring how social workers can integrate the tremendous resources that exist in rural communities into their practice *Rural Social Work Second Edition* provides a solid introduction to the complex challenging and rewarding work of building and sustaining rural communities **Encyclopedia of Canadian Social Work** Francis J. Turner,2005-09-07 Annotation Covers over 500 topics important to Canadian social work Written by a highly diverse group of experts and covering all aspects of the field nation wide **Decolonizing Social Work** Mel Gray,John Coates,Michael Yellow Bird,Tiani Hetherington,2016-05-13 Riding on the success of *Indigenous Social Work Around the World* this book provides case studies to further scholarship on decolonization a major analytical and activist paradigm among many of the world s Indigenous Peoples including educators tribal leaders activists scholars politicians and citizens at the grassroots level Decolonization seeks to weaken the effects of colonialism and create opportunities to promote traditional practices in contemporary settings Establishing language and

cultural programs honouring land claims teaching Indigenous history science and ways of knowing self esteem programs celebrating ceremonies restoring traditional parenting approaches tribal rites of passage traditional foods and helping and healing using tribal approaches are central to decolonization These insights are brought to the arena of international social work still dominated by western based approaches Decolonization draws attention to the effects of globalization and the universalization of education methods of practice and international development that fail to embrace and recognize local knowledges and methods In this volume Indigenous and non Indigenous social work scholars examine local cultures beliefs values and practices as central to decolonization Supported by a growing interest in spirituality and ecological awareness in international social work they interrogate trends issues and debates in Indigenous social work theory practice methods and education models including a section on Indigenous research approaches The diversity of perspectives decolonizing methodologies and the shared struggle to provide effective professional social work interventions is reflected in the international nature of the subject matter and in the mix of contributors who write from their contexts in different countries and cultures including Australia Canada Cuba Japan Jordan Mexico New Zealand South Africa and the USA

Social Work in India Bishnu Mohan Dash, Mithilesh Kumar, Siddheshwar Shukla, 2020-01-01 The present book is an attempt to decolonize the colonial legacy and professional imperialism in Social Work Education and has presented various Swadeshi indigenous perspectives and approaches relevant for social work education The book has tried to incorporate the significant contributions and developmental models propounded by the great Indian thinkers particularly Swami Vivekananda Dr Bhim Rao Ambedkar Mahatma Gandhi Vinoba Bhave and Nanaji Deshmukh which is highly relevant in the reconstruction of Indian Society The book will be extremely relevant for the students of social work sociology rural development development studies and allied social science disciplines at Bachelors and Masters level

The book begins by explaining the demographic changes that have led to a greying of the general population. It goes on to discuss the diversity in experiences of ageing across society and the range of issues which confront older people and those who wish to work proactively with them. Clear attention is paid to the processes of assessment, care planning and review, with readers encouraged to reflect on developing good practice through case studies and exercises. Although it has a strong practical emphasis, the book also stresses the value of theoretical perspectives with insights from fields such as sociology and psychology woven throughout the book. Clear links are also made to policy guidelines and organizational standards without losing sight of the deeper, often more complex issues that arise when working with older people. *Social Work with Older People* will be essential reading for social work students and practitioners but also for others who are interested in the development of practice with older people as citizens and service users. **Social Work for the Elderly**

Poverty-Alleviation Huaijuan Zhao, 2024-11-27 This book focuses on how to provide social work services for elderly people living in poverty. Divided into eight chapters, the book first outlines the scale, characteristics and causes of poverty among elderly people and discusses the significance of social work in poverty alleviation for the elderly. The book then concentrates on different types of elderly people such as those in economic and ecological poverty and those suffering from poverty caused by illness, disability and lack of ability, analyzing the content and service modes and providing case studies. Finally, the book discusses ways and strategies for social work participation in poverty alleviation for the elderly in the post-poverty alleviation era. This book combines theory with practice and is a useful reference for government departments, universities as well as social organizations related to social work. *Research on Community-Centered Poverty-Alleviation Social Work* Jun Wen, Yuefei Wu, 2023-09-01 This book starts with detailed community-based poverty alleviation cases and focuses on several important aspects in this field to demonstrate the intervention methods, theoretical paradigms and intervention models of poverty alleviation social work. Based on the introduction to the characteristics, theoretical foundation and practical model of community-based poverty alleviation social work, this book elaborates the specific operation processes from the perspectives of community intervention, community empowerment and community construction. Its chapters are arranged in a progressive order yet can also be understood separately. Moreover, not only are the characteristics of community-based anti-poverty social work highlighted in the book, but the essentials of all kinds of related social work in the fight against poverty are reflected. As the first professional book in China that systematically describes the theory and practice of community-based anti-poverty social work, it is especially suitable for social workers, poverty alleviation workers, community workers and readers interested in related topics. *Professional Social Work - Indian Perspective* Mr. Rohit Manglik, 2023-12-23 In this book we will study about the development, values and principles of social work in the Indian context. **Women and Social Change** Jeri Dawn Wine, Janice L.
