Socialism Democracy Self Management:

Socialism, Democracy and Self-management Michel Pablo,1980 Self-management and the Crisis of Socialism Michael Wayne Howard,2000 While some conclude from the revolutions of 1989 that socialism is dead interest in socialism continues because of persisting problems of contemporary capitalism In this exciting text Michael W Howard offers critiques of liberal communitarian postmodern and some Marxist perspectives in order to develop a left liberal defense of a model of self managed market socialism that includes a basic income for all Specific applications of his view include analyses of its implications for the global marketplace the changing nature of workplaces and media restructuring and ownership This work is sure to be of interest to social scientists public policy makers and economists as well as to feminists ecologists and others concerned with how market socialism is relevant to their social issues **Self-governing Socialism** Branko Horvat,Mihailo Marković,Rudi Supek,1975 10 On the Theory of the Labor managed Firm 11 The Illyrian Firm 12 The Firm Monetary Policy and Property Rights in a Planned Economy National Economy 13 Plan and Market in Yugoslavia 14 The Trial and Error Procedure in a Socialist Economy 15 The Pricing of Factors of Production 16 An Institutional Model of a Self managed Socialist Economy Notes on the Editors Socialism, democracy and self-management Michel Pablo,1980

Self-Management in Yugoslavia and the Developing World Ukandi G Damachi,Hans D Seibel,1982-07-29

Workers' Participation And Self-management In Developing Countries Janez Prasnikar,2019-04-25 Drawing on his background as an economist and a specialist on the Yugoslav system of workers self management Janez Prasnikar analyzes an extraordinary amount of dispersed information on the experience with workers participation in thirteen developing countries *The Constitutions of the Communist World* William B. Simons,2024-12-09 The Subversive Seventies Michael Hardt,2023 In *The Subversive Seventies* Michael Hardt sets out to show that popular understandings of the political movements of the seventies often seen as fractious violent and largely unsuccessful are not just inaccurate but foreclose valuable lessons for the political struggles of today Looking at a wide range of movements around the globe during the 1970s from the United States to Guinea Bissau South Korea Chile Turkey and Italy Hardt argues that the movements of the 1970s identified and attempted to resolve the political problems that still face contemporary radical political thought and action

Yugoslav Workers' Selfmanagement M.J. Broekmeyer,2012-12-06 This book contains the Proceedings of a Conference held on 7-9 January 1970 in Amsterdam on the problems and perspectives of Yugoslav workers self management The Yugoslav writers were selected according to the criteria that they are competent in their field and that they have different viewpoints in their assessment of the system We hope that the threefold purpose of this book will be attained namely to provide a clearer insight for the Western reader into the Yugoslav system secondly to confront Yugoslav society with the questions asked and the criticism voiced here with regard to the practice of workers selfmanagement and lastly to pay a modest tribute to the 20th anniversary of Yugoslav workers self management To be sure the range of subjects treated in Amsterdam

might seem to be rather wide but one should bear in mind that this was unavoidable in the first large scale confrontation of two different social systems outside Yugoslavia Although the language used in this book may not always correspond with the official standards we trust that the published texts will be easily readable for the benevolent reader Concise Encyclopaedia of Participation and Co-Management György Széll, 2017-11-07 No detailed description available for Concise Encyclopaedia of Participation and Co Management Ninth Congress of the League of Communists of Yugoslavia Savez komunista Jugoslavije. Kongres, 1969

The Commons César Rendueles, 2023-12-01 This book provides a lucid rigorous and critical account of the commons its history and its political potentialities as well as its limitations and ambiguities In particular The Commons analyses the relations of solidarity and conflict between the commons and public welfare policies as well as the role the commons can play in the struggle against the global socioecological crisis that is threatening the very future of humanity Over the past decade various theories concepts and political projects connected to the commons have become fundamentally important for social science and numerous social movements around the world In sociology economics political science history geography the law and anthropology the study of the commons has inspired many important academic innovations In parallel community activists labour unions ecologists feminists and cooperativists have discovered in the commons a powerful and thought provoking toolkit with which to defend public services guarantee access to cultural goods organise reproductive and care work and more generally fight against commodification and ecological destruction The first two chapters analyse the dual origin of the academic rediscovery of the commons On one side from the realm of political science and economics the concept of the commons has been used to challenge the dominant paradigms founded on rational choice theory On the other from the fields of history law and anthropology analysis of the violent destruction of the commons has served to deepen our understanding of the coercive and antidemocratic processes that form the bedrock of capitalism and our current plight The third and fourth chapters examine the role that the commons can play in emancipatory political projects aiming to deepen democracy in mass industrial societies The Commons will appeal to scholars across the social sciences and academics with interests in social and political theory the environment and sustainability and political sociology

Comparing Pluralist Democracies Mattei Dogan, 2019-03-06 This book is an outcome of the international conference held in July 1985 at Berlin It discusses the issues related to the legitimacy of the political regime The book also discusses crises of legitimacy in democracy focusing on the current crisis of the welfare state

Social Democratic Parties in the European Union R. Ladrech, P. Marlière, 1999-01-13 This book offers a concise and accessible coverage of the historical background the organization and policies of the fifteen social democratic parties in the European Union with a focus on the 1945 1990s period It combines an updated study of the evolution of each party's ideology sociology and policies with attention also to the impact of European integration on the fortunes of social democratic forces The book can be used as a reference text by academics students and political practitioners and contains contact details and important reference

information for each party *The Destruction of Yugoslavia* Maga,1993-03-17 Traces the story of Yugoslavia's disintegration over the entire period since Tito's death in 1980 This book explains why this once stable and seemingly harmonious country was fated to break up in a savage war for territory **Daily Report, Foreign Radio Broadcasts** United States. Central Intelligence Agency,1964 *Industry's Democratic Revolution* Charles Levinson,2013-10-11 Covering the role of trades unions and labour organizations in industrial relations Industry's Democratic Revolution contains case studies from Austria Canada France Germany Israel Norway Sweden Switzerland the UK and USA Each chapter is authored by a President or Secretary General of one of the largest industrial unions from that particular country which gives an unparalleled insight into the workings of unions and their participation in the key issues of industrial relations such as Productivity factors Guaranteed wages Union participation in management decision making De centralization of industrial power Policy research

Socialism and Underdevelopment Ken Post,Philip Wright,2010-11-26 In this book first published in 1989 Ken Post and Phil Wright provide a critical analysis of socialist construction in underdeveloped countries Pointing out that all the socialist revolutions of the twentieth century have occurred in underdeveloped peripheral capitalist countries they focus on the relationship between socialism and underdevelopment They bring together the insights of both development theory and the political economy of socialism and draw upon their direct experience of the state socialist societies as diverse as North Korea Yugoslavia Vietnam and the Soviet Union *Welcome to the Desert of Post-Socialism* Srečko Horvat,Igor Stiks,2015-01-06 This volume offers a profound analysis of post socialist economic and political transformation in the Balkans involving deeply unequal societies and oligarchical democracies The contributions deconstruct the persistent imaginary of the Balkans pervasive among outsiders to the region who see it as no more than a repository of ethnic conflict corruption and violence Providing a much needed critical examination of the Yugoslav socialist experience the volume sheds light on the recent rebirth of radical politics in the Balkans where new groups and movements struggle for a radically democratic vision of society **Cooperatives and Socialism** Camila Piñeiro Harnecker,2012-11-29 This book demonstrates that the cooperative model is based on principles essential to building a more just and democratic society It is argued that this is the best economic reform alternative to neoliberal capitalism and authoritarian socialism in Cuba and that this model can also radically transform other economies around the world

Thank you utterly much for downloading **Socialism Democracy Self Management**. Maybe you have knowledge that, people have seen numerous times for their favorite books in the manner of this Socialism Democracy Self Management, but end up in harmful downloads.

Rather than enjoying a fine book with a mug of coffee in the afternoon, on the other hand they juggled in the same way as some harmful virus inside their computer. **Socialism Democracy Self Management** is genial in our digital library an online access to it is set as public correspondingly you can download it instantly.
